**Applicant’s Motion for Extension of Time
to Respond to Siting Board Staff’s Post-Hearing Request for Information**

Unbridled Solar, LLC (“Applicant”) hereby moves for an extension of time by which to respond to certain requests in Siting Board Staff’s Post-Hearing Request for Information. In support of this Motion, the Applicant states as follows:

1. Pursuant to the Siting Board’s April 8, 2021 Order, the deadline is April 19, 2021 (today), for the Applicant’s Response to the Siting Board Staff’s Post-Hearing Request for Information.

2. Applicant has worked diligently to provide full answers to the requests propounded by the Siting Board Staff. For much of the responsive information, Applicant relies on outside consultants and it will need additional to prepare and verify appropriate responses to a number of data requests in the Staff’s Post-Hearing Request for Information.

3. Rather than file partial or “place-holder” responses in need of immediate supplementation, Applicants requests an extension to and including Monday, April 26, 2021, in which to file responses to Staff’s Post-Hearing Request Nos. 2-4, for which no response is filed today.

4. This extension would allow the Applicant to fully and efficiently respond to the requests for information, without causing any delay in the existing schedule.

WHEREFORE, Applicants respectfully request that the Commission grant an extension until Monday, April 26, 2021, for Applicant to file and serve responses to any request remaining after today of the Staff's Post-Hearing Request for Information.

Respectfully submitted,
