Yes, the letter was received.

I believe someone with Unbridled called Friday regarding one site address. We have a procedure for requesting addresses and our address technician went through that process with them. I have CC'd her on this email to correct me if I am wrong.

Thanks,
Jennifer

Good Morning,

Following up on the email below.

Randy, can you please let us know when we can request a site address?

Jennifer, can you please confirm the decommissioning LoC was received by the Planning Commission?

Thank you,
Courtney
