

LAND LEASE AND SOLAR EASEMENT

²⁰ This Land Lease and Solar Easement ("Lease") is made on March 2, 2019 (the "Effective Date") by and between [REDACTED] ("Lessor") and Caldwell Solar, LLC, a Delaware limited liability company, and its successors and assigns ("Lessee").

RECITALS

A. Lessor owns that certain real property located in Caldwell County, Kentucky and legally described on the attached Exhibit A (the "Property").

B. Lessee is desirous of developing, owning and operating a solar energy project (as further defined from time to time, the "Project") on real property located in Caldwell County, Kentucky, which shall include the Property, and Lessor desires to lease a portion of the Property (as more fully described herein, the "Premises") to Lessee for that purpose.

C. Lessor is willing to lease and grant certain easement rights in the Premises to Lessee, and Lessee is willing to lease and obtain certain easement rights in the Premises from Lessor, all as more fully described below.

KEY TERMS

Development Period	5 years
Construction Period	2 years
Extended Term	25 years
Renewal Terms (3, each)	10 years

AGREEMENT

NOW THEREFORE, for good and valuable consideration, Lessor and Lessee agree that the above recitals are true and correct in all material respects and are incorporated herein by reference, and further agree as follows:

ARTICLE I. Premises

Section 1.1 General

(a) **Lease of Premises for Solar Energy Purposes.** Lessor leases to Lessee, and Lessee leases from Lessor, the Premises, as identified on the site plan attached hereto as Exhibit A-1 (the "Site Plan"), for the purpose of development and use of a solar facility, including but not limited to monitoring, testing and evaluating the Premises for solar energy generation; activities related to the production of solar energy including constructing, installing, using, maintaining, operating, replacing, relocating and removing solar panels,

overhead and underground electrical transmission and communications lines, electric transformers, energy storage facilities, telecommunications equipment, power generation facilities to be operated in conjunction with solar panel installations, including roads, and solar energy measurement equipment, fencing, and related facilities and equipment (hereinafter "Solar Facilities"). Such Solar Facilities shall be installed in compliance with Article VI. Such activities may be conducted by Lessee, its employees, agents, licensees or permittees. Lessee shall have the exclusive right to use the Premises for solar energy purposes. For purposes of this Lease, "solar energy purposes" means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

(b) Lessee shall use the Premises only for the construction, installation, operation, maintenance, replacement, and removal of Solar Facilities. Lessee shall consult with Lessor on Lessee's site development plan prior to construction on the Premises, showing Lessor the proposed locations of Solar Facilities before making its final decisions as to locations of Solar Facilities on the Premises; provided; however, that Lessee shall make all such final siting decisions in Lessee's sole discretion. Lessee has the right to relocate existing Solar Facilities upon the Premises during the term of this lease.

(c) Lessor hereby grants to Lessee, for the Term (as defined below), easements over, under, upon and across and on the Property (1) for ingress to and egress from Solar Facilities (whether located on the Premises, on adjacent property or elsewhere) by means of roads and lanes thereon if existing, or otherwise by such route or routes as Lessee may construct from time to time (the "Access Easement"). The Access Easement shall include the right to improve existing roads and lanes, or to build new roads, shall run with and bind the Property; and shall inure to the benefit of and be binding upon Lessor and Lessee and their respective transferees, successors and assigns, and all persons claiming under them.

(d) Lessor shall retain the right to use the portion of the Property not included within the Premises.

(e) Notwithstanding any provision to the contrary, Lessee reserves the right to reduce the size of the Premises, at any time during the Term, to that amount of acreage needed for the installation of the Solar Facilities, as described herein, to be selected and further identified with an amended description and site plan, at a future date, all at Lessee's sole discretion. Upon Lessee's exercise of its right to reduce the size of the Premises, all reference to Premises in this Lease shall refer to the Premises as modified by the amended Site Plan, if any; *provided, however*, in the event that Lessee exercises its right to reduce the size of the Premises, Lessee shall at all times remain obligated to pay Rent pursuant to Section 3.2 for not less than 75% of the total acreage of the Premises identified in the initial Site Plan as set forth in Exhibit A-1.

Section 1.2 Solar Easement

(a) Solar Easement. Lessor hereby grants and conveys to Lessee an exclusive easement on, over and across the Property for direct sunlight to any solar panels on the Premises and an exclusive easement prohibiting any obstruction of direct sunlight

(collectively, the "Solar Easement") throughout the entire Property to and for the benefit of the area existing horizontally three hundred and sixty degrees (360°) from any point where any solar panel is or may be located at any time from time to time (each such point referred to as a "Site") and for a distance from each Site to the boundaries of the Property, together vertically through all space located above the surface of the Property, that is, one hundred eighty degrees (180°) or such greater number or numbers of degrees as may be necessary to extend from each point on and along a line drawn along the surface from each point along the exterior boundary of the Property through each Site to each point and on and along such line to the opposite exterior boundary of the Property.

(b) Lessor Improvements. Trees, buildings and other improvements located on any contiguous, non-tillable land containing an existing home site on the Property (the "Existing Homestead"), as of the date of this Lease shall be allowed to remain, and Lessee may not require their removal. Lessee may require the removal of trees, buildings, and other improvements (an "Improvement") located on the Property outside of the Existing Homestead. Lessor may not place or plant any Improvement on the Property after the date of this Lease which may, in Lessee's sole judgment, impede or interfere with direct sunlight to any Solar Facilities, unless Lessor has received written approval from Lessee for any such trees, structure or improvement. Notwithstanding the foregoing, Lessor may replace any structure or improvement located in the Property as of the Effective Date (the "Original Structure or Improvement") with a new structure or improvement in the exact same location that does not exceed the size and dimensions in any direction as the Original Structure or Improvement (the "New Structure or Improvement"), provided that such New Structure or Improvement does not impede or interfere with direct sunlight to any Solar Facilities in any way that is more detrimental to the Property than the Original Structure or Improvement. If at any time during the duration of this Lease, Lessor would like a variance of the preceding requirements, Lessor may submit a letter of request to Lessee for approval, and approval or denial of such request shall be in Lessee's sole discretion.

ARTICLE II. Lease Term

Section 2.1 Term

Development Period; Construction Period; Extended Term; Renewal Terms

(a) Lessee's rights under this Lease continue throughout the term of this Lease (the "Term"). Initially, the Term shall be for the Development Period. The "Development Period" commences on the Effective Date and expires on the fifth (5th) anniversary of the Effective Date.

(b) The Lease shall automatically be extended for the Construction Period, as defined below, upon the earlier of (i) the date when construction of Solar Facilities commences in connection with the Project ("Construction Date"); or (ii) the date when Lessor receives written notice from Lessee of Lessee's election to extend the term of the Lease for the Construction Period ("Construction Period Notice Date"), provided that the Construction Period commences prior to the expiration of the Development Period. The Construction Period of the Lease ("Construction Period") is two (2) years from the earlier of either of the

Construction Date or the Construction Period Notice Date unless sooner terminated in accordance with the terms of the Lease. Lessee may record a notice of the Construction Date or the Construction Period Notice Date against the Premises to give notice of such date, and upon the request of Lessor shall record such notice, but a failure to record such notice shall not affect the validity of the Lease.

(c) The Term shall automatically be extended for the Extended Term (as defined below) upon the date when the Project begins commercial operation, which shall be defined as the date of the first commercial deliveries of electrical energy to the local utility grid ("Commercial Operation Date") ; or (ii) the date when Lessor receives written notice from Lessee of Lessee's election to extend the term of the Lease for the Extended Term ("Extended Term Notice Date"), provided that the commencement of the Extended Term occurs prior to the expiration of the Construction Period. The Extended Term of this Lease ("Extended Term") is twenty-five (25) years from the Commercial Operation Date or the Extended Term Notice Date, unless terminated earlier in accordance with the terms of this Lease. Lessee may record a notice of the Commercial Operation Date or the Extended Term Notice Date against Lessor's Property to give notice of the Construction Date, and upon the request of Lessor shall record such notice, but a failure to record such notice shall not affect the validity of this Lease.

(d) Lessee shall have the right, at its option, to further extend the Term for three (3) additional periods of ten (10) years (each, a "Renewal Term"). To exercise an option to extend the term of this Lease for a Renewal Term, Lessee must deliver both a written extension notice to Lessor and an extension payment in the amount of Ten Dollars (\$10.00) per each acre within the Premises (prorated for any partial acre) prior to the expiration of the Extended Term or the applicable Renewal Term, as the case may be. Lessee must deliver the written notice and the extension payment in the amount and in the manner set forth above to exercise effectively its options to extend the term of this Lease for any Renewal Term. This Lease shall continue during each Renewal Term on the same terms and conditions applicable during the Extended Term, except as specifically provided herein. Lessee shall have no right to extend the term of this Lease beyond the last Renewal Term provided for in this Section 2.1(d) absent further mutual agreement. If Lessee fails to effectively exercise an option to renew the term hereof, this Lease shall terminate and Lessee shall have no further options or rights to renew or extend the Term hereof.

Section 2.2 Termination of Lease

- (e) The expiration of this Lease as set forth in Section 2.1; or
- (f) The written agreement of both parties to terminate this Lease; or
- (g) An uncured material breach of this Lease by either party and the election of the non-defaulting party to terminate the Lease pursuant to Article VIII; or
- (h) At the option of Lessee, thirty (30) days after Lessee's execution and delivery of written notice of termination to Lessor (as to the entire Property, or any part thereof at Lessee's option), in Lessee's sole and absolute discretion; or

- (i) A condemnation of all or a portion of the Premises and the election of the Lessee to terminate the Lease pursuant to Article VII; or
- (j) Pursuant to applicable law.

Section 2.3 Part of a Larger Project

The parties acknowledge that the covenants, conditions, rights and restrictions in favor of Lessee pursuant to this Lease including, but not limited to, the easement described in Section 1.2, and Lessee's use of and benefit from those covenants, conditions, rights and restrictions, may constitute a portion of a larger solar energy project with which the Premises will share structural and transmission components, ingress and egress, utility access, and other support, all of which are specifically designed to be interrelated and integrated in operation and use for the full life of the Project.

Article III. Payments and Taxes

Section 3.1 Development Period Rent and Signing Payment

Section 3.2 Annual Rent During Construction Period, Extended Term and Renewal Term

Section 3.3 Taxes, Assessments and Utilities

(a) Lessor shall pay, when due, all real property taxes and assessments levied against the Premises and all personal property taxes and assessments levied against any property and improvements owned by Lessor and located on the Premises. Subject to Section 3.3 (c), if Lessor shall fail to pay any such taxes or assessments when due, Lessee may, at its option, pay those taxes and assessments and any accrued interest and penalties, and deduct the amount of its payment from any Rent otherwise due to Lessor from Lessee.

(b) Lessee shall pay all personal property taxes and assessments levied against the Solar Facilities when due, including any such taxes based on electricity production. If the Premises experiences any increase in the amount of real property taxes assessed as a result of the installation of the Solar Facilities on the Premises, including any reclassification of the Premises, Lessee shall pay or reimburse Lessor an amount equal to the increase no later than ten (10) days prior to the date each year on which the applicable real estate taxes are due to be paid, provided that Lessor provides Lessee with copies of the applicable current and past, statements of real estate taxes payable for the Premises and any related information demonstrating the reasons for any increase in real estate taxes.

(c) Either party may contest the validity or amount of any levied taxes, assessments or other charges for which each is responsible under this Lease as long as such contest is pursued in good faith and with due diligence and the party contesting the tax, assessment or charge has paid the obligation in question or established adequate reserves to pay the obligation in the event of an adverse determination.

(d) Lessee shall pay for all water, electric, telecommunications and any other utility services used by the Solar Facilities or Lessee on the Premises.

Section 3.4 Severance of Lease Payments

Lessor acknowledges and agrees that it shall not be permitted to sever the payments under the Lease, and shall not be permitted to assign payments due to Lessor under the Lease to a third party without the consent of Lessee. Upon the transfer of an interest in the Premises to an heir, legal representative, successor or assign, the payments hereunder (or the proportionate share thereof) shall inure to the benefit of such party.

Section 3.5 Crop Damage and Compaction

(a) The parties anticipate and acknowledge that Lessor or Lessor's renters may suffer damage to crops, tile, fences, and other property or improvements on the Premises during Lessee's construction, installation and maintenance of Solar Facilities on the Premises. Lessee shall reimburse Lessor for any such damages within thirty (30) days after determining the extent of damage. Notwithstanding any provision to the contrary, Lessor acknowledges and agrees that it shall not be allowed to rent, lease, or otherwise allow crop tenants to grow crops on the Premises during a calendar year if, by August 15th prior to such calendar year when crop tenants are disallowed, Lessee provides Lessor with written notice stating that Lessee intends to construct the Project in the following year (the "Development Notice").

(b) Crop damages will be calculated by the following formula: Price x Yield x Percentage of Damage x Acreage = Crop Damages. Prices for damaged or destroyed crops will be based on the average of the last previous March 1st and September 1st Chicago Board of Trade prices for that crop. Yield will be the average of the next previous two (2) years' yields of the same crop as the damaged crop, according to Lessor's records, as received from and certified by Lessor, for the smallest parcel of land that includes the damaged area. For purposes of the foregoing, "Lessor's records" shall include, but not be limited to, warehouse/elevator receipts, applications for crop insurance and scale tickets from grain cart or yield monitors on combines. Lessor does not have yield records available, the Lessor will use FSA records for the county in ' which the Premises is located (or other commonly used yield information available for the area) for the smallest parcel of land which includes the damaged area. The parties hereto shall try in good faith to agree to the extent of damage and acreage affected. If the parties hereto cannot agree, they shall have the area measured and extent of damage assessed by an impartial party such as a crop insurance adjuster or extension agent.

(c) After such payment for any Crop Damages, Lessee shall not be responsible to pay Lessor or Lessor's renters any loss of income, rent, business opportunities, profits or other losses arising out of Lessor's inability to grow crops or otherwise use the portion of the Premises occupied by Solar Facilities.

Section 3.6 Most Favorable Terms

If Lessee grants more favorable rent, royalty fees, or other financial terms to any other owner of the property in the Project, then Lessee agrees to offer the same terms to Lessor and amend the Lease accordingly.

Article IV. Lessee's Covenants

Lessee covenants, represents and warrants to Lessor as follows:

Section 4.1 Mechanic's Liens

Lessee shall keep the Premises free and clear of all liens and claims of liens for labor, materials, services, supplies and equipment performed for or furnished to Lessee or, at the request of Lessee, any Solar Facility on the Premises in connection with Lessee's use of the

Premises. Lessee may contest any such lien if Lessee provides Lessor with a bond or other reasonable security to protect Lessor's interest in the Premises against any such lien, in which case Lessee shall not be required to remove the lien during the period of the contested proceeding, but will be required to remove the lien prior to Lessor's interest in the Premises being forfeited. Lessee agrees to provide for ultimate removal before it affects Lessor's rights on the Premises.

Section 4.2 Permits and Laws

Lessee and its designees shall at all times comply with all federal, state and local laws, statutes, ordinances, rules, regulations, judgments and other valid orders of any governmental authority applicable with respect to Lessee's activities pursuant to this Lease and shall obtain at its sole cost and expense all permits, licenses and orders required to conduct any and all such activities (collectively, "Legal Requirements"). Failure to comply with any such Legal Requirements shall be a default as set forth in Section 8.1. Lessee shall have the right, in its sole discretion, to contest by appropriate legal proceedings brought in the name of Lessee, the validity or applicability to the Premises, Solar Facilities, or any Other Approved Facilities of any Legal Requirement now or hereafter made or issued by any federal, state, county, local or other governmental agency or entity. Lessee shall not contest any Legal Requirements in the name of Lessor unless Lessor has specifically agreed to join the action. Lessor shall cooperate in every reasonable way in such contest, including being joined as a party, if necessary, provided Lessee reimburses Lessor for its reasonable and actual out-of-pocket expense directly incurred in connection with such cooperation, to the extent Lessee has approved such expense in advance.

Section 4.3 Lessee's Improvements

After the construction of the Solar Facilities, Lessee shall remove any construction debris and shall restore the portions of the Premises not occupied by the Solar Facilities to substantially the same condition that such portions of the Premises were in prior to the construction of the Solar Facilities. Lessee will install and maintain a fence surrounding the Solar Facilities (with the exception of any access roads, overhead and underground electrical transmission and communications lines, telecommunications equipment and relating improvements). All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease shall be and remain the sole property of Lessee and, except as expressly provided in this Section 4.3, Lessor shall have no ownership or other interest in any Solar Facilities on the Premises.

All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease may be moved, removed, replaced, repaired or refurbished by Lessee at any time. Lessee shall maintain Lessee's Solar Facilities in good condition and repair, ordinary wear and tear excepted. If Lessee fails to remove any of the Solar Facilities within twelve months from the date the Term expires or the Lease terminates, such Solar Facilities shall be considered abandoned by Lessee and Lessor may either: (i) remove the remaining Solar Facilities from the Premises and dispose of them in its sole discretion without notice or liability to Lessee; or (ii) consider the Solar Facilities-abandoned, at which time the remaining

Solar Facilities shall become the property of Lessor. If Lessee fails to remove any of the Solar Facilities as required, and Lessor elects to remove such Solar Facilities at Lessor's expense, Lessee shall reimburse Lessor for all reasonable out-of-pocket costs of removing those Solar Facilities, less any salvage value received by Lessor, within thirty days after receipt of an invoice from Lessor accompanied by reasonable supporting documentation.

On the ten (10) year anniversary of the Commercial Operation Date and for the remainder of the Term, Lessee shall provide either a surety bond or escrow funds (the "Extended Term Security") to secure Lessee's obligations under this Section 4.3, which Security shall be in the name of Lessor and/or the applicable governmental authority. Lessee shall provide Lessor written notice upon the establishment of such Extended Term Security, which notice shall identify the location and amount of the Extended Term Security. The amount of the Extended Term Security shall be in an amount equal to the greater of: (i) \$500.00 per megawatt ("MW") installed on the Premises, which sum shall be increased by \$500.00 per MW on each anniversary of the Commercial Operation Date thereafter; or (ii) the amount necessary to satisfy the requirements set forth by applicable governmental rules or the permits for the Solar Facilities. If Lessee does not remove the Solar Facilities within twelve (12) months after the expiration of the Term or earlier termination of the Lease, Lessor may draw from the account where the Extended Term Security is on deposit an amount sufficient to reimburse Lessor that amount required to reimburse Lessor for the difference between Lessor's out-of-pocket costs of removing the Solar Facilities, less the salvage value of the Solar Facilities.

Section 4.4 Insurance

Lessee shall obtain and maintain in force policies of insurance covering the Solar Facilities and Lessee's activities on the Premises at all times during the Term, including specifically comprehensive general liability insurance with a minimum combined occurrence and annual limitation of one million dollars, for the period prior to commencement of construction of any Solar Facilities on the Premises other than "meteorological measuring devices, and three million dollars, for the period commencing on the Construction Date. Such insurance coverage for the Solar Facilities and Premises may be provided as part of a blanket policy that covers other solar facilities or properties as well. Any such policies shall name Lessor as an additional insured and shall provide for 30 days prior written notice to Lessor of any cancellation or material change: Lessee shall provide Lessor with copies of certificates of insurance evidencing this coverage upon request by Lessor. Policies shall provide coverage for any costs of defense or related fees incurred by Lessor. Lessee shall also reimburse Lessor for any increase in Lessor's insurance premiums relating to the Premises, to the extent that such increase is directly caused by the installation of the Solar Facilities or Lessee's operations on the Premises.

Section 4.5 Hold Harmless.

Each party (the "Indemnifying Party") agrees to defend, indemnify and hold harmless the other party and the other party's officers, directors, employees, representatives, mortgagees and agents (collectively the "Indemnified Party") against any and all losses,

damages, claims, expenses and liabilities for physical damage to property and for physical injury to any person, including, without limitation, reasonable attorneys' fees, to the extent resulting from or arising out of (i) any operations or activities of the Indemnifying Party on the Property (including, as to Lessor, any operations or activities conducted on the Property by any person or entity other than Lessee prior to the Effective Date) or (ii) any negligent or intentional act or omission on the part of the Indemnifying Party. This indemnification shall not apply to losses, damages, claims, expenses and liabilities to the extent caused by any negligent or intentional act or omission on the part of the Indemnified Party. This indemnification shall survive the termination of this Lease.

Section 4.6 Essential Services.

Except for any competing developers of solar energy projects, Lessee shall accommodate the reasonable development of essential services on the Property, including any electric transmission and distribution lines and associated facilities, telecommunications facilities, and rural water systems, provided that such services do not interfere with the Solar Facilities. In no event during the term of this Agreement shall Lessor construct, build or locate or allow others to construct, build or locate any solar energy conversion system, or similar project on the Premises, except for personal use by Lessor for residential or agricultural purposes so long as any such personal system does not interfere with Lessee's use of the Premises or operation of its facilities.

Section 4.7 Hazardous Materials.

Lessee shall not use, dispose of or release on the Premises or cause or permit to exist or be used, stored, disposed of or released on the Premises as a result of Lessee's operations, any substance which is defined as a "hazardous material," "toxic substance" or "solid waste" in any federal, state or local law, statute or ordinance, except in such quantities as may be required in its normal business operations and only if such use is not harmful to Lessor and is in full compliance with all applicable laws. Lessee shall consult with Lessor and provide copies of any notices, claims or other correspondence from any governmental authority regarding hazardous waste issues affecting the Premises.

Article V. Lessor Covenants

Lessor covenants, represents and warrants to Lessee as follows:

Section 5.1 Title and Authority

Except to the extent otherwise stated in this Lease, Lessor is the sole owner of the Property in fee simple and each person or entity signing this Lease on behalf of Lessor has the full and unrestricted authority to execute and deliver this Lease and to grant the leaseholds, easements and other rights granted to Lessee herein. There are no encumbrances or liens against the Property except: (a) those currently of record in the county where the Property are

located, or (b) those which are reflected in a title report for the Property provided to Lessee prior to execution of the Lease. To the extent that any such encumbrances or other title defects could interfere with the development, construction or operation of the Project or otherwise interfere with the rights of Lessee under this Lease, Lessor shall, at Lessor's expense, promptly take such actions required to remove or otherwise cure any such encumbrances or defects. There are no farm or other tenancies affecting the Property except those disclosed by Lessor to Lessee in writing prior to or at the time of execution hereof. Any farm or other tenancies entered into after the date hereof shall be subject and subordinate to this Lease, and immediately terminable upon written notice to the tenant. When signed by Lessor, this Lease constitutes a valid and binding agreement enforceable against Lessor in accordance with its terms.

Section 5.2 Cooperation to Eliminate Lien Interference

Lessor shall cooperate with Lessee to obtain non-disturbance and subordination agreements, or such other necessary agreements, from any person or entity with a lien, encumbrance, mortgage, lease (including, but not limited to a crop lease) or other exception to Lessor's fee title to the Property to the extent necessary to eliminate any actual or potential interference by any such lienholder with any rights granted to Lessee under this Lease. Lessor shall also cooperate with Lessee to obtain and maintain any permits or approvals needed for the Solar Facilities at no cost or expense to Lessor. In connection with the issuance of such permits, and to the extent allowed by (and subject to) applicable law, Lessor hereby waives any and all setback requirements, including any setback requirements described in the zoning ordinance of the county in which the Property are located or in any governmental entitlement or permit hereafter issued to Lessee, with respect to the locations of any Solar Facilities to be installed or constructed on the Property or on adjacent properties that are a part of the Project. Lessor shall also provide Lessee with such further assurances and shall execute any estoppel certificates, consents to assignments, non-disturbance and subordination agreements, or additional documents that may be reasonably necessary for recording purposes or requested by Lessee or any of its lenders.

Section 5.3 Quiet Enjoyment

As long as Lessee is not in default of this Lease beyond any applicable cure period (or if no cure period is expressly set forth, a reasonable time), Lessee shall have the quiet use and enjoyment of the Premises in accordance with the terms of this Lease without any interference of any kind by Lessor or any person claiming through Lessor. Lessor and its activities on the Premises and any grant of rights Lessor makes to any other person shall be only as permitted under this Lease and shall not interfere with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with the direct sunlight over the Premises or otherwise engage in activities or allow any activities which might impede or decrease the output or efficiency of the Solar Facilities.

Section 5.4 Exclusivity

Lessee shall have the exclusive right to use the Premises for commercial solar energy purposes. For purposes of this Lease, "commercial solar energy purposes" means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

Section 5.5 Operation of the Solar Facilities

Lessor acknowledges and understands that the Solar Facilities to be located on the Premises may impact the view on the Property, and will cause or emit electromagnetic and frequency interference. Lessor covenants and agrees that the Lessor shall not assert that the Solar Facilities constitute a nuisance.

Section 5.6 Maintenance of the Premises

Lessor will maintain the Premises to the extent not occupied by Solar Facilities. Lessee shall be responsible for maintaining the Premises which are occupied by the Solar Facilities as set forth in the Site Plan. Lessee will maintain any roads or trails constructed by Lessee, and Lessor will maintain all other roads or trails on the Premises.

Section 5.7 Hazardous Materials

Lessor shall not use, store, dispose of or release on the Premises or cause or permit to exist or be used, stored, disposed of or released on the Premises as a result of Lessor's operations, any substance which is defined as a "hazardous substance", "hazardous material", or "solid waste" in any federal, state or local law, statute or ordinance, except in such quantities as may be required in its normal business operations and is in full compliance with all applicable laws. Lessor represents to Lessee that Lessor has no knowledge of any condition on the Premises that is in violation of such laws, statutes or ordinances, and that it will indemnify and hold Lessee harmless from and against any claims related to any pre-existing conditions affecting the Premises.

Article VI. Assignment; Encumbrance of Lease

Section 6.1 Right to Encumber

(a) **Lessee Right to Mortgage Leasehold Interest.** Lessee may at any time mortgage all or any part of its interest in the Lease and/or enter into a collateral assignment of all or any part of its interest in the Lease or rights under this Lease to any entity ("Lender"). No Lender shall have any obligations under this Lease until such time as it exercises its rights to acquire Lessee's interests subject to the lien of Lender's mortgage by foreclosure or otherwise assumes the obligations of Lessee directly.

(b) **Notice.** Lessee shall notify Lessor of the identity and notice address for any Lender. Lessor and Lessee agree that, once all or any part of Lessee's interests in the Lease

are mortgaged or assigned to a Lender, they will not modify or terminate this Lease without the prior written consent of the Lender.

(c) **Lender Right to Cure Lessee Default.** Lessor agrees that any Lender shall have the right to make any payment and to do any other act or thing required to be performed by Lessee under this Lease, and any such payment, act or thing performed by Lender shall be effective to prevent an Event of Default by Lessee and any forfeiture of any of Lessee's rights under this Lease as if done by Lessee itself.

(d) **Notice from Lessor to Lender in Case of Lessee Default.** During the time all or any part of Lessee's interests in this Lease are mortgaged or assigned to any Lender, if Lessee defaults under any of its obligations and Lessor is required to give Lessee notice of the default Lessor shall also be required to give Lender notice of the default. If Lessor becomes entitled to terminate this Lease due to an uncured default by Lessee, Lessor will not terminate this Lease unless it has first given written notice of the uncured default and of its intent to terminate this Lease to the Lender and has given the Lender at least thirty (30) days from receipt of such notice to cure the default to prevent termination of this Lease. If within such thirty (30) day period the Lender notifies the Lessor that it must foreclose on Lessee's interest or otherwise take possession of Lessee's interest under this Lease in order to cure the default, Lessor shall not terminate this Lease and shall permit the Lender a reasonable period of time necessary for the Lender, with the exercise of due diligence, to foreclose or acquire Lessee's interest under this Lease and to perform or cause to be performed all of the covenants and agreements to be performed and observed by Lessee. The time within which Lender must foreclose or acquire Lessee's interest shall be extended to the extent Lender is prohibited by an order or injunction issued by a court or the operation of any bankruptcy or insolvency law from commencing or prosecuting the necessary foreclosure or acquisition.

(e) **Recognition of Lender as Successor.** The acquisition of all or any part of Lessee's interests in the Lease by any Lender through foreclosure or other judicial or nonjudicial proceedings in the nature of foreclosure, or by any conveyance in lieu of foreclosure, shall not require the consent of Lessor nor constitute an Event of Default or default of this Lease by Lessee, and upon the completion of the acquisition or conveyance Lessor shall acknowledge and recognize Lender as Lessee's proper successor under this Lease upon Lender's cure of any existing Lessee defaults and assumption of the obligations of Lessee under this Lease prospectively.

(f) **New Lease.** If this Lease is rejected by a trustee or a debtor-in-possession in any bankruptcy or insolvency proceeding Lessor may agree, upon request by any Lender within sixty (60) days after the rejection or termination, to execute and deliver to Lessee or Lender a new lease for the Premises which (i) shall be effective as of the date of the rejection or termination of this Lease, (ii) shall be for a term equal to the remainder of the Term before giving effect to such rejection or termination, and (iii) shall contain the same terms, covenants, agreements, provisions, conditions and limitations as are contained in this Lease (except for any obligations or requirements which have been fulfilled by Lessee or Lender prior to rejection or termination). Prior to the execution and delivery of any such new lease Lessee, or Lender, shall (i) pay Lessor any amounts which are due Lessor from Lessee, (ii) pay Lessor any and all amounts which would have been due under this Lease but for the

rejection or termination from the date of the rejection or termination to the date of the new lease and (iii) agree in writing to perform or cause to be performed all of the other covenants and agreements to be performed by Lessee under this Lease to the extent Lessee failed to perform them prior to the execution and delivery of the new lease.

Section 6.2 Assignment of Lessee's Interest

Lessee and any successor or assign of Lessee shall at all times have the right, without need for Lessor's consent, to do any of the following with respect to all or any portion of the Premises for solar energy purposes: grant co-leases, separate leases, subleases, easements, licenses or similar rights (however denominated) to one or more third parties; or sell, convey, lease, assign, mortgage, encumber or transfer to one or more third parties or to any affiliate of Lessee's this Lease, or any right or interest in this Lease, or any or all right or interest of Lessee in the Premises or in any or all of the Solar Facilities that Lessee or any other party may now or hereafter install on the Premises provided that (i) any such assignment, transfer or conveyance shall not be for a period beyond the Term of this Lease; (ii) the assignee or transferee shall be subject to all of the obligations, covenants and conditions applicable to the Lessee; and (iii) Lessee shall not be relieved from liability for any of its obligations under this Lease by virtue of the assignment or conveyance unless Lessee assigns or conveys all of its interests under the Lease to the assignee or transferee, in which event Lessee shall have no continuing liability. Upon any assignment or transfer of any or all of Lessee's interests hereunder, Lessee shall provide notice of such assignment or transfer to Lessor, together with contact information for the assignee or transferee (including name, address and phone number), but failure to provide such contact information shall not be considered a default hereunder.

Section 6.3 Continuing Nature of Obligations

(a) **Benefits are "In Gross."** The easements and related rights granted by Lessor in this Lease to Lessee are easements "in gross", which means, among other things, that they are interests personal to and for the benefit of Lessee, and its successors and assigns, as owner of the rights created by the easements granted herein. Such easements and other rights granted Lessee by Lessor in this Lease are independent of any lands or estates or interest in lands. There is no other real property benefiting from the easements and related rights and, as between the Premises and other tracts of property on which Lessee may locate Solar Facilities, no tract is considered dominant or servient as to the other.

(b) **Burdens Run With and Against the Land.** The burdens of the easements and related rights granted to Lessee in this Lease shall run with and against the Property and shall be a charge and burden on the Property and shall be binding upon and against Lessor and its successors, assigns, permittees, licensees, lessees, employees and agents. The Lease and the easements and related rights granted herein shall inure to the benefit of Lessee and its successors, assigns, permittees, licensees and Project lessees.

Article VII. Condemnation

Section 7.1 Effect of Condemnation

If eminent domain proceedings are commenced against all or any portion of the Premises, and the taking and proposed use of such property would prevent or adversely affect Lessee's construction, installation or operation of Solar Facilities on the Premises, at Lessee's option, the parties shall either amend this Lease to reflect any necessary relocation of the Solar Facilities which will preserve the value and benefit of the Lease to Lessee, together with any corresponding payments, or this Lease shall terminate in which event neither party shall have any further obligations.

Section 7.2 Condemnation Proceeds

All payments made by a condemnor on account of a taking by eminent domain shall be the property of the Lessor, except that Lessee shall be entitled to any award or amount paid for the reasonable costs of removing or relocating any of the Solar Facilities or the loss of any such Solar Facilities or the use of the Premises pursuant to the Lease. Lessee shall have the right to participate in any condemnation proceedings to this extent. No termination of this Lease under Section 7.1 shall affect Lessee's right to receive any award to which Lessee is entitled under this Section 7.2.

Article VIII. Default/Termination

Section 8.1 Events of Default

Each of the following shall constitute an "Event of Default" that shall permit the non-defaulting party to terminate this Lease or pursue other remedies available at law or equity, subject to the terms and conditions of Article VI.

- (i) any failure by Lessee to pay any undisputed amounts due under Article III if the failure to pay continues for thirty (30) days after written notice from Lessor;
- (ii) any other breach of this Lease by either party which continues for thirty (30) days after written notice of default from the non-defaulting party or, if the cure will take longer than thirty (30) days, the length of time necessary to effect cure as long as the defaulting party is making diligent efforts to cure during that time, but not more than ninety (90) days.

Section 8.2 Surrender

Upon the termination or expiration of this Lease, Lessee shall peaceably surrender the Premises to Lessor and remove all Solar Facilities from the Premises at Lessee's expense within twelve (12) months after the date the Lease expires or is terminated as required pursuant to Section 4.3 of this Lease. Lessee shall pay Annual Rent to Lessor for the period

until the Solar Facilities are removed from the Premises, which obligation shall survive the expiration or earlier termination hereof.

Section 8.3 Damages

Lessor acknowledges and agrees that should Lessor breach any of its obligations hereunder or otherwise fail to permit Lessee to exercise any of the rights and privileges granted herein, damages would be difficult to calculate and money damages would not be sufficient to compensate Lessee for such breach, and therefore, Lessor agrees that Lessee shall have the right to seek specific enforcement of this Lease. In that event, Lessor agrees that Lessee has no adequate remedy at law, and that an order of specific performance may be granted in favor of Lessee.

Article IX. Miscellaneous

Section 9.1 Notice

Notices, consents or other documents required or permitted by this Lease must be given by personal delivery, reputable overnight courier or certified U.S. mail postage prepaid and shall be sent to the respective parties as follows (or at such other address as either party may designate upon written notice to the other party in the manner provided in this paragraph) and shall be deemed delivered upon actual delivery or refusal, if personally delivered, upon the date of actual delivery or refusal shown on the courier's delivery receipt if sent by overnight courier and on the fourth business day after deposit in the U.S. mail if sent by certified mail:

Section 9.2 Relationship of the Parties; No Third-Party Beneficiaries

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party. Except for the rights of Lenders set forth above, no provision of this Lease is intended to nor shall it in any way inure to the benefit of any third party so as to constitute any such person a third party beneficiary under this Lease, or of any one or more of the terms of this Lease, or otherwise give rise to any cause of action in any person not a party to this Lease.

Section 9.3 Entire Agreement

It is mutually understood and agreed that this Lease constitutes the entire agreement between Lessor and Lessee and supersedes any and all prior oral or written understandings, representations or statements, and that no understandings, representations or statements, verbal or written, have been made which modify, amend, qualify or affect the terms of this Lease. This Lease may not be amended except in a writing executed by both parties.

Section 9.4 Legal Matters.

(a) This Lease is made in Kentucky and shall be governed by the laws of the State of Kentucky. If the parties are unable to resolve amicably any dispute arising out of or in connection with this Lease, they agree that such dispute shall be resolved in the court with applicable jurisdiction in Kentucky.

(b) Notwithstanding anything to the contrary in this Lease, neither party shall be entitled to, and each of Lessor and Lessee hereby waives any and all rights to recover, consequential, incidental, and punitive or exemplary damages, however arising, whether in contract, in tort, or otherwise, under or with respect to any action taken in connection with this Lease.

(c) EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED ON THIS LEASE, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS LEASE WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS LEASE. PROVIDED HOWEVER, THAT THIS PROVISION SHALL NOT PREVENT CONSOLIDATION OF ACTIONS PENDING IN CALDWELL COUNTY INVOLVING

LESSEE AND OTHER LESSORS RELATING TO SOLAR FACILITIES
CONTEMPLATED UNDER THIS AND OTHER SIMILAR LEASES.

Section 9.5 Cooperation

Each of the parties, without further consideration, agrees to execute and deliver such additional documents and take such action as may be reasonably necessary to carry out the purposes and intent of this Lease and to fulfill the obligations of the respective parties. If, at any time during the Term, Lessee deems it to be necessary or desirable to meet legal or regulatory requirements, Lessee may request that Lessor re-execute a new lease substantially in the form of this Lease with a term equal to the Term remaining as of the date of execution of the new lease, and Lessor shall execute and enter into the new lease with Lessee or its designee. In the event of inaccuracies or insufficiencies in the legal description of the Property, this Lease shall be amended to correct the inaccuracies or insufficiencies. Furthermore, Lessor agrees to negotiate in good faith to grant an easement to a utility over the Premises if needed in connection with the transmission of electricity generated by the Project.

Section 9.6 Waiver

Neither party shall be deemed to have waived any provision of this Lease or any remedy available to it unless such waiver is in writing and signed by the party against whom the waiver would operate. Any waiver at any time by either party of its rights with respect to any rights arising in connection with this Lease shall not be deemed a waiver with respect to any subsequent or other matter. In the event that Lessee makes any overpayments to Lessor hereunder, Lessee shall offset the amount of such overpayments to Lessor against future payments due to Lessor from Lessee hereunder.

Section 9.7 Force Majeure

Neither Lessor nor Lessee shall be liable to each other, or be permitted to terminate this Lease, for any failure to perform an obligation of this Lease to the extent such performance is prevented by a Force Majeure, which shall mean an event beyond the control of the party affected and which, by exercise of due diligence and foresight, could not reasonably have been avoided. Unanticipated Project costs do not constitute a Force Majeure event.

Section 9.8 Confidentiality

The parties acknowledge that prior to the execution of this Lease, neither party may require the other party to maintain the confidentiality of any negotiations or the terms of the Agreement. After the Effective Date, however, both parties shall maintain in confidence, for the benefit of the other party, all information pertaining to the financial terms of or payments under this Agreement. Neither party will use such information for its own benefit, publish or otherwise disclose it to others, or permit its use by others for their benefit or to the detriment of the other party. Notwithstanding the foregoing, each party may disclose such information to such party's lenders, attorneys, accountants and other advisors; any prospective purchaser or lessee of such party's interests in Premises; or pursuant to lawful process, subpoena or court

order requiring such disclosure, provided the party making such disclosure advises the party receiving the information of the confidentiality of the information. The provisions of this Section 9.8 shall survive the termination or expiration of this Lease. Provided however, any communications made by or to counsel or by or to other parties who are jointly represented by Lessee's counsel shall not be deemed a violation of this section

Section 9.9 Tax Credits

If under Legal Requirements the holder of a leasehold interest in the nature of that held by Lessee under this Lease becomes ineligible for any tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal governmental authority, then, at Lessee and Lessor's option, Lessor and Lessee may amend this Lease or replace it with a different instrument so as to convert Lessee's interest in the Premises to a substantially similar interest that makes Lessee eligible for such tax credit, benefit or incentive. However, in no event shall the financial terms of the Lease be varied without Lessor's prior written consent and in addition, Lessor shall not be required to execute any agreement reducing its fee simple ownership in its Property and the Premises.

Section 9.10 Severability

Each provision hereof shall be valid and shall be enforceable to the extent not prohibited by law. If any provision hereof or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby.

Section 9.11 Counterparts

This Lease may be executed in two or more counterparts and by different parties on separate counterparts, all of which shall be considered one and the same agreement and each of which shall be deemed an original.

Section 9.12 Memorandum of Lease

Lessor and Lessee shall execute in recordable form and Lessee shall have the right to record a memorandum of this Lease in a form provided by Lessee. Lessor hereby consents to the recordation of the interest of an assignee in the Premises. Upon the termination of the Lease, at the request of Lessor, Lessee agrees to provide a recordable acknowledgement of such termination to Lessor.

Section 9.13 Relationship of Parties

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or

relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party.

Section 9.14 Multiple Owners

Notwithstanding anything to the contrary in this Lease or elsewhere, any obligation under this Lease for Lessee to pay Lessor any amount will be completely and unconditionally satisfied by payment of such amount by Lessee to the party named for Lessor in Section 9.1 at the address for such party given in Section 9.1, or such other single address designated by not less than thirty (30) days' prior written notice to Lessee signed by all parties comprising Lessor. At Lessee's election such payment may be by joint check or checks payable to the Lessor parties known to Lessee. The parties comprising Lessor shall be solely responsible to notify Lessee in writing of any change in ownership of the Property or any portion thereof. Each of the parties comprising Lessor hereby irrevocably directs and authorizes Lessee to make all payments payable to Lessor under this Lease and to provide all notices to Lessor under this Lease directly to the party named in Section 9.1 as agent for all parties comprising Lessor, or to such other single person that all parties comprising Lessor shall direct by written notice to Lessee. The parties comprising Lessor shall be solely responsible for distributing their respective shares of such payments between themselves. The parties comprising Lessor shall resolve any dispute they might have between themselves under this Lease or any other agreement regarding any amount paid or payable to Lessor under this Lease or the performance of any obligation owed to Lessor under this Lease and shall not join Lessee in any such dispute or interfere with, delay, limit or otherwise adversely affect any of the rights or remedies of Lessee under this Lease in any way; provided, this will not limit the rights of Lessor under this Lease to enforce the obligations of Lessee under this Lease and so long as all parties comprising Lessor agree on pursuing such right or remedy and so notify Lessee in writing.

IN WITNESS WHEREOF, the undersigned have caused this instrument to be executed as of the effective date.

EXHIBIT A

DESCRIPTION OF PROPERTY

Tax Parcel No.: 25-10

Consisting of 124.33 acres, more or less, situated 7 miles southwest of Princeton, on the Princeton-Marion Road and described as follows:

Beginning at a stone corner to part allotted to Gordon Glenn, thence on the east side of Bethlehem Road, north 78 ¼ degrees east 853 feet to a stone, north 11 ¼ degrees west 778 feet to a stone, north 78 degrees east 2185 feet to a stone, in the line of lands of T.O. Jones, thence north 11 ½ degrees west 1046 feet to a stake at the end of the hedge fence on the south side of the land known as the "Mott Lane", thence north 84 ¼ degrees west with the road 500 feet, north 89 ¼ degrees west 1230 feet to a stone, thence north 2 ½ degrees east 524 feet to a stake, thence north 87 ½ degrees west 627 feet, north 89 degrees west 550 feet to a stake at the intersection of Bethlehem Road, and on the east line of said road and along the fence line, thence south 3 degrees east 310 feet, south 2 ½ degree east 366 feet, south 2 ½ degrees east 1235 feet, south 13 ½ degrees east 1027 feet, south 4 ½ degrees west 75 feet to the beginning, containing 121.9 acres, be the same more or less.

Second tract. (Small tract in front of house on west side of Bethlehem Road). Beginning at a stone corner to the lands of Clyde Dalton, thence south 12 ¼ degrees east 547 feet to a stake corner to the lands of L.W. Guess, north 79 degree east 209 feet, to the Bethlehem Road, north 13 ¼ degrees west 503 feet to said Dalton's line, thence north 87 ½ degrees west 207 feet to the beginning, containing 2.43 acres, be the same more less.

THERE IS INCLUDED IN THE ABOVE BUT EXCLUDED FROM THIS CONVEYANCE a certain tract of real estate which was previously conveyed to Johnson Stone and Alice Stone, his wife, by deed dated the 3rd day of November, 1993, and recorded in Deed Book 191, Page 578, in the office of the Caldwell County Clerk, Princeton, Kentucky, and more particularly described as follows:

(Continued on next page)

TRACT I:

See attached Exhibit "A" attached hereto and made a part hereof.

TRACT II:

(Small tract in front of house on West side of Bethlehem Road). Beginning at a stone corner to the lands of Clyde Dalton, thence South 12 ½ degrees east 547 feet to a stake corner to the lands of L.W. Guess; North 79 degrees east 209 feet to the Bethlehem road; North 13 ¼ degrees west 503 feet to said Dalton's line; thence North 87 ½ degrees west 207 feet to the beginning, containing 2.43 acres, be the same, more or less.

BEING THE SAME PROPERTY CONVEYED UNTO

Tommy Glenn, a single person, from Charles Glenn, Jr. and Margaret Browning Glenn, his wife, and Elizabeth Fisher and Charles Fisher, her husband, by deed dated the 31st day of May, 1995 and recorded in Deed Book 198, Page 402, in the Office of the Caldwell County Clerk, Princeton, Kentucky.

The parcels contain 109.5 acres more or less.

**EXHIBIT A-1
TO MEMORANDUM**

SITE PLAN

LAND LEASE AND SOLAR EASEMENT

This Land Lease and Solar Easement (“Lease”) is made on February 3, 2020 (the “Effective Date”) by and between [REDACTED] (“Lessor”) and Caldwell Solar, LLC, a Delaware limited liability company, and its successors and assigns (“Lessee”).

RECITALS

A. Lessor owns that certain real property located in Caldwell County, Kentucky and legally described on the attached Exhibit A (the “Property”).

B. Lessee is desirous of developing a solar energy project on the Premises (the “Project”), and Lessor desires to lease a portion of the Property (as more fully described herein, the “Premises”) to Lessee for that purpose.

C. Lessor is willing to lease and grant certain easement rights in the Premises to Lessee, and Lessee is willing to lease and obtain certain easement rights in the Premises from Lessor, all as more fully described below.

KEY TERMS

Development Period	5 years
Construction Period	2 years
Extended Term	25 years
Renewal Terms (3, each)	10 years

AGREEMENT

NOW THEREFORE, for good and valuable consideration, Lessor and Lessee agree that the above recitals are true and correct in all material respects and are incorporated herein by reference, and further agree as follows:

ARTICLE I. Premises

Section 1.1 General

(a) **Lease of Premises for Solar Energy Purposes.** Lessor leases to Lessee, and Lessee leases from Lessor, the Premises, as identified on the site plan attached hereto as Exhibit A-1 (the “Site Plan”), for the purpose of development and use of a solar facility, including but not limited to monitoring, testing and evaluating the Premises for solar energy generation; activities related to the production of solar energy including constructing, installing, using, maintaining, operating, replacing, relocating and removing solar panels, overhead and underground electrical transmission and communications lines, electric transformers, energy storage facilities, telecommunications equipment, power generation facilities to be operated in conjunction with solar panel installations, including roads, and solar energy measurement equipment, fencing, and

related facilities and equipment (hereinafter "**Solar Facilities**"). Such Solar Facilities shall be installed in compliance with Article VI. Such activities may be conducted by Lessee, its employees, agents, licensees or permittees. Lessee shall have the exclusive right to use the Premises for solar energy purposes. For purposes of this Lease, "solar energy purposes" means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

(b) Lessee shall use the Premises only for the construction, installation, operation, maintenance, replacement, and removal of Solar Facilities. Lessee shall consult with Lessor on Lessee's site development plan prior to construction on the Premises, showing Lessor the proposed locations of Solar Facilities before making its final decisions as to locations of Solar Facilities on the Premises; provided, however, that Lessee shall make all such final siting decisions in Lessee's sole discretion. Lessee has the right to relocate existing Solar Facilities upon the Premises during the term of this Lease.

(c) Lessor hereby grants to Lessee, for the Term (as defined below), easements over, under, upon and across and on the Property (1) for ingress to and egress from Solar Facilities (whether located on the Premises, on adjacent property or elsewhere) by means of roads and lanes thereon if existing, or otherwise by such route or routes as Lessee may construct from time to time (the "**Access Easement**"). The Access Easement shall include the right to improve existing roads and lanes, or to build new roads, shall run with and bind the Property, and shall inure to the benefit of and be binding upon Lessor and Lessee and their respective transferees, successors and assigns, and all persons claiming under them.

(d) Lessor shall retain the right to use the portion of the Property not included within the Premises, and any portion of the Premises not improved with Solar Facilities, provided that such use does not interfere with the rights of Lessee hereunder.

Section 1.2 Solar Easement

(a) **Solar Easement.** Lessor hereby grants and conveys to Lessee an exclusive easement on, over and across the Property for direct sunlight to any solar panels on the Premises and an exclusive easement prohibiting any obstruction of direct sunlight (collectively, the "**Solar Easement**") throughout the entire Property to and for the benefit of the area existing horizontally three hundred and sixty degrees (360°) from any point where any solar panel is or may be located at any time from time to time (each such point referred to as a "**Site**") and for a distance from each Site to the boundaries of the Property, together vertically through all space located above the surface of the Property, that is, one hundred eighty degrees (180°) or such greater number or numbers of degrees as may be necessary to extend from each point on and along a line drawn along the surface from each point along the exterior boundary of the Property through each Site to each point and on and along such line to the opposite exterior boundary of the Property.

(b) **Lessor Improvements.** Trees, buildings and other improvements located on any contiguous, non-tillable land containing an existing home site on the Property (the "**Existing Homestead**"), as of the date of this Lease shall be allowed to remain, and Lessee may not require

their removal. Lessee may require the removal of trees, buildings, and other improvements (an **“Improvement”**) located on the Property outside of the Existing Homestead. Lessor may not place or plant any Improvement on the Property after the date of this Lease which may, in Lessee’s sole judgment, impede or interfere with direct sunlight to any Solar Facilities, unless Lessor has received written approval from Lessee for any such trees, structure or improvement. Notwithstanding the foregoing, Lessor may replace any structure or improvement located in the Property as of the Effective Date (the **“Original Structure or Improvement”**) with a new structure or improvement in the exact same location that does not exceed the size and dimensions in any direction as the Original Structure or Improvement (the **“New Structure or Improvement”**), provided that such New Structure or Improvement does not impede or interfere with direct sunlight to any Solar Facilities in any way that is more detrimental to the Property than the Original Structure or Improvement. If at any time during the duration of this Lease, Lessor would like a variance of the preceding requirements, Lessor may submit a letter of request to Lessee for approval, and approval or denial of such request shall be in Lessee’s sole discretion.

ARTICLE II. Lease Term

Section 2.1 Term

Development Period; Construction Period; Extended Term; Renewal Terms

(a) Lessee’s rights under this Lease continue throughout the term of this Lease (the **“Term”**). Initially, the Term shall be for the Development Period. The **“Development Period”** commences on the Effective Date and expires on the fifth (5th) anniversary of the Effective Date.

(b) The Lease shall automatically be extended for the Construction Period, as defined below, upon the earlier of (i) the date when construction of Solar Facilities commences in connection with the Project (**“Construction Date”**); or (ii) the date when Lessor receives written notice from Lessee of Lessee’s election to extend the term of the Lease for the Construction Period (**“Construction Period Notice Date”**), provided that the Construction Period commences prior to the expiration of the Development Period. The Construction Period of the Lease (**“Construction Period”**) is two (2) years from the earlier of either of the Construction Date or the Construction Period Notice Date unless sooner terminated in accordance with the terms of the Lease. Lessee may record a notice of the Construction Date or the Construction Period Notice Date against the Premises to give notice of such date, and upon the request of Lessor shall record such notice, but a failure to record such notice shall not affect the validity of this Lease.

(c) The Term shall automatically be extended for the Extended Term (as defined below) upon the date when the Project begins commercial operation, which shall be defined as the date of the first commercial deliveries of electrical energy to the local utility grid (**“Commercial Operation Date”**); or (ii) the date when Lessor receives written notice from Lessee of Lessee’s election to extend the term of the Lease for the Extended Term (**“Extended Term Notice Date”**), provided that the commencement of the Extended Term occurs prior to the expiration of the Construction Period. The Extended Term of this Lease (**“Extended Term”**) is twenty five (25) years from the Commercial Operation Date or the Extended Term Notice Date, unless terminated earlier in accordance with the terms of this Lease. Lessee may record a notice of the Commercial Operation Date or the Extended Term Notice Date against Lessor’s Property to give notice of the Construction Date, and upon the request of Lessor shall record such notice, but a failure to record

such notice shall not affect the validity of this Lease.

(d) Lessee shall have the right, at its option, to further extend the Term for three (3) additional periods of ten (10) years (each, a “**Renewal Term**”). To exercise an option to extend the term of this Lease for a Renewal Term, Lessee must deliver both a written extension notice to Lessor and an extension payment in the amount of Thirty Dollars (\$30.00) per each acre within the Premises (prorated for any partial acre) prior to the expiration of the Extended Term or the applicable Renewal Term, as the case may be. Lessee must deliver the written notice and the extension payment in the amount and in the manner set forth above to exercise effectively its options to extend the term of this Lease for any Renewal Term. This Lease shall continue during each Renewal Term on the same terms and conditions applicable during the Extended Term, except as specifically provided herein. Lessee shall have no right to extend the term of this Lease beyond the last Renewal Term provided for in this Section 2.1(d) absent further mutual agreement. If Lessee fails to effectively exercise an option to renew the term hereof, this Lease shall terminate and Lessee shall have no further options or rights to renew or extend the Term hereof.

Section 2.2 Termination of Lease

The occurrence of any of the following events shall terminate this Lease:

- (a) The expiration of this Lease as set forth in Section 2.1; or
- (b) The written agreement of both parties to terminate this Lease; or
- (c) An uncured material breach of this Lease by either party and the election of the non-defaulting party to terminate the Lease pursuant to Article VIII; or
- (d) At the option of Lessee, thirty (30) days after Lessee’s execution and delivery of written notice of termination to Lessor (as to the entire Property, or any part thereof at Lessee’s option), in Lessee’s sole and absolute discretion; or
- (e) A condemnation of all or a portion of the Premises and the election of the Lessee to terminate the Lease pursuant to Article VII; or
- (f) Pursuant to applicable law.

Section 2.3 Part of a Larger Project

The parties acknowledge that the covenants, conditions, rights and restrictions in favor of Lessee pursuant to this Lease including, but not limited to, the easement described in Section 1.2, and Lessee’s use of and benefit from those covenants, conditions, rights and restrictions, may constitute a portion of a larger solar energy project with which the Premises will share structural and transmission components, ingress and egress, utility access, and other support, all of which are specifically designed to be interrelated and integrated in operation and use for the full life of the Project.

ARTICLE III. Payments and Taxes

Section 3.1 Development Period Rent and Signing Payment

Section 3.2 Annual Rent During Construction Period, Extended Term and Renewal Term

Section 3.3 Taxes, Assessments and Utilities

(a) Lessor shall pay, when due, all real property taxes and assessments levied against the Premises and all personal property taxes and assessments levied against any property and

improvements owned by Lessor and located on the Premises. Subject to Section 3.3 (c), if Lessor shall fail to pay any such taxes or assessments when due, Lessee may, at its option, pay those taxes and assessments and any accrued interest and penalties, and deduct the amount of its payment from any Rent otherwise due to Lessor from Lessee.

(b) Lessee shall pay all personal property taxes and assessments levied against the Solar Facilities when due, including any such taxes based on electricity production. If the Premises experiences any increase in the amount of real property taxes assessed as a result of the installation of the Solar Facilities on the Premises, including any reclassification of the Premises, Lessee shall pay or reimburse Lessor an amount equal to the increase no later than ten (10) days prior to the date each year on which the applicable real estate taxes are due to be paid, provided that Lessor provides Lessee with copies of the applicable current and past statements of real estate taxes payable for the Premises and any related information demonstrating the reasons for any increase in real estate taxes.

(c) Either party may contest the validity or amount of any levied taxes, assessments or other charges for which each is responsible under this Lease as long as such contest is pursued in good faith and with due diligence and the party contesting the tax, assessment or charge has paid the obligation in question or established adequate reserves to pay the obligation in the event of an adverse determination.

(d) Lessee shall pay for all water, electric, telecommunications and any other utility services used by the Solar Facilities or Lessee on the Premises.

Section 3.4 Severance of Lease Payments

Lessor acknowledges and agrees that it shall not be permitted to sever the payments under the Lease, and shall not be permitted to assign payments due to Lessor under the Lease to a third party without the consent of Lessee. Upon the transfer of an interest in the Premises to an heir, legal representative, successor or assign, the payments hereunder (or the proportionate share thereof) shall inure to the benefit of such party.

Section 3.5 Crop Damage and Compaction

(a) The parties anticipate and acknowledge that Lessor or Lessor's renters may suffer damage to crops, tile, fences, and other property or improvements on the Premises during Lessee's construction, installation and maintenance of Solar Facilities on the Premises. Lessee shall reimburse Lessor for any such damages within thirty (30) days after determining the extent of damage. Notwithstanding any provision to the contrary, Lessor acknowledges and agrees that it shall not be allowed to rent, lease, or otherwise allow crop tenants to grow crops on the Premises during a calendar year if, by December 1st prior to such calendar year when crop tenants are disallowed, Lessee provides Lessor with written notice stating that Lessee intends to construct the Project in the following year (the "Development Notice").

(b) Crop damages will be calculated by the following formula: Price x Yield x Percentage of Damage x Acreage = Crop Damages. Prices for damaged or destroyed crops will be (i) for grain, the price set forth in the Grain Contract with _____ dated _____ (or extension/replacement thereof) (which price shall be equal to

the base price plus the average premium paid under such contract for grain sold under such contract in the year that Crop Damages are due and payable [which may be for grain grown in the previous year]), or (ii) for any other crops, based on the average of the last previous March 1st and September 1st Chicago Board of Trade prices for that crop. Yield will be the average of the next previous five (5) years' yields of the same crop as the damaged crop, excluding the year with the lowest yield, according to Lessor's Actual Production History records, as received from and certified by Lessor, for the smallest parcel of land that includes the damaged area. For purposes of the foregoing, "Lessor's records" shall include, but not be limited to, warehouse/elevator receipts, applications for crop insurance and scale tickets from grain cart or yield monitors on combines. If Lessor does not have yield records available, the Lessor will use FSA records for the county in which the Premises is located (or other commonly used yield information available for the area) for the smallest parcel of land which includes the damaged area. The parties hereto shall try in good faith to agree to the extent of damage and acreage affected. If the parties hereto cannot agree, they shall have the area measured and extent of damage assessed by an impartial party such as a crop insurance adjuster or extension agent.

(c) After such payment for any Crop Damages, Lessee shall not be responsible to pay Lessor or Lessor's renters any loss of income, rent, business opportunities, profits or other losses arising out of Lessor's inability to grow crops or otherwise use the portion of the Premises occupied by Solar Facilities.

ARTICLE IV. Lessee's Covenants

Lessee covenants, represents and warrants to Lessor as follows:

Section 4.1 Mechanic's Liens

Lessee shall keep the Premises free and clear of all liens and claims of liens for labor, materials, services, supplies and equipment performed for or furnished to Lessee or, at the request of Lessee, any Solar Facility on the Premises in connection with Lessee's use of the Premises. Lessee may contest any such lien if Lessee provides Lessor with a bond or other reasonable security to protect Lessor's interest in the Premises against any such lien, in which case Lessee shall not be required to remove the lien during the period of the contested proceeding, but will be required to remove the lien prior to Lessor's interest in the Premises being forfeited. Lessee agrees to provide for ultimate removal before it affects Lessor's rights on the Premises.

Section 4.2 Permits and Laws

Lessee and its designees shall at all times comply with all federal, state and local laws, statutes, ordinances, rules, regulations, judgments and other valid orders of any governmental authority applicable with respect to Lessee's activities pursuant to this Lease and shall obtain all permits, licenses and orders required to conduct any and all such activities (collectively, "**Legal Requirements**"). Failure to comply with any such Legal Requirements shall be a default as set forth in Section 8.1. Lessee shall have the right, in its sole discretion, to contest by appropriate legal proceedings brought in the name of Lessee, the validity or applicability to the Premises, Solar

Facilities, or any Other Approved Facilities of any Legal Requirement now or hereafter made or issued by any federal, state, county, local or other governmental agency or entity. Lessee shall not contest any Legal Requirements in the name of Lessor unless Lessor has specifically agreed to join the action. If Lessor agrees to join the action, Lessor shall cooperate in every reasonable way in such contest, provided Lessee reimburses Lessor for its reasonable and actual out-of-pocket expense directly incurred in connection with such cooperation, to the extent Lessee has approved such expense in advance.

Section 4.3 Lessee's Improvements

After the construction of the Solar Facilities, Lessee shall remove any construction debris and shall restore the portions of the Premises not occupied by the Solar Facilities to substantially the same condition that such portions of the Premises were in prior to the construction of the Solar Facilities. Lessee will install and maintain a fence surrounding the Solar Facilities (with the exception of any access roads, overhead and underground electrical transmission and communications lines, telecommunications equipment and relating improvements). All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease shall be and remain the sole property of Lessee and, except as expressly provided in this Section 4.3, Lessor shall have no ownership or other interest in any Solar Facilities on the Premises.

All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease may be moved, removed, replaced, repaired or refurbished by Lessee at any time. Lessee shall maintain Lessee's Solar Facilities in good condition and repair, ordinary wear and tear excepted. If Lessee fails to remove any of the Solar Facilities within twelve months from the date the Term expires or the Lease terminates, such Solar Facilities shall be considered abandoned by Lessee and Lessor may either: (i) remove the remaining Solar Facilities from the Premises and dispose of them in its sole discretion without notice or liability to Lessee; or (ii) consider the Solar Facilities abandoned, at which time the remaining Solar Facilities shall become the property of Lessor. If Lessee fails to remove any of the Solar Facilities as required, and Lessor elects to remove such Solar Facilities at Lessor's expense, Lessee shall reimburse Lessor for all reasonable out-of-pocket costs of removing those Solar Facilities, less any salvage value received by Lessor, within thirty days after receipt of an invoice from Lessor accompanied by reasonable supporting documentation.

On the ten (10) year anniversary of the Commercial Operation Date and for the remainder of the Term, Lessee shall provide either a surety bond or escrow funds (the "**Extended Term Security**") to secure Lessee's obligations under this Section 4.3, which Security shall be in the name of Lessor and/or the applicable governmental authority. Lessee shall provide Lessor written notice upon the establishment of such Extended Term Security, which notice shall identify the location and amount of the Extended Term Security. The amount of the Extended Term Security shall be in an amount equal to the greater of: (i) \$500.00 per megawatt ("**MW**"), which sum shall increase by \$500.00 per MW on each anniversary of the Commercial Operation Date thereafter; or (ii) the amount necessary to satisfy the requirements set forth by applicable governmental rules or the permits for the Solar Facilities. If Lessee does not remove the Solar Facilities within twelve (12) months after the expiration of the Term or earlier termination of the Lease, Lessor may draw from the Extended Term Security an amount sufficient to reimburse Lessor that amount required

to reimburse Lessor for the difference between Lessor's out-of-pocket costs of removing the Solar Facilities, less the salvage value of the Solar Facilities.

Section 4.4 Insurance

Lessee shall obtain and maintain in force policies of insurance covering the Solar Facilities and Lessee's activities on the Premises at all times during the Term, including specifically comprehensive general liability insurance with a minimum combined occurrence and annual limitation of one million dollars, for the period prior to commencement of construction of any Solar Facilities on the Premises other than meteorological measuring devices, and three million dollars, for the period commencing on the Construction Date. Such insurance coverage for the Solar Facilities and Premises may be provided as part of a blanket policy that covers other solar facilities or properties as well. Any such policies shall name Lessor as an additional insured and shall provide for 30 days prior written notice to Lessor of any cancellation or material change. Lessee shall provide Lessor with copies of certificates of insurance evidencing this coverage upon request by Lessor. Policies shall provide coverage for any costs of defense or related fees incurred by Lessor. Lessee shall also reimburse Lessor for any increase in Lessor's insurance premiums relating to the Premises, to the extent that such increase is directly caused by the installation of the Solar Facilities or Lessee's operations on the Premises.

Section 4.7 Hold Harmless.

Each party (the "**Indemnifying Party**") agrees to defend, indemnify and hold harmless the other party and the other party's officers, directors, employees, representatives, mortgagees and agents (collectively the "**Indemnified Party**") against any and all losses, damages, claims, expenses and liabilities for physical damage to property and for physical injury to any person, including, without limitation, reasonable attorneys' fees, to the extent resulting from or arising out of (i) any operations or activities of the Indemnifying Party on the Property (including, as to Lessor, any operations or activities conducted on the Property by any person or entity other than Lessee prior to the Effective Date) or (ii) any negligent or intentional act or omission on the part of the Indemnifying Party. This indemnification shall not apply to losses, damages, claims, expenses and liabilities to the extent caused by any negligent or intentional act or omission on the part of the Indemnified Party. This indemnification shall survive the termination of this Lease.

Section 4.8 Essential Services.

Except for any competing developers of solar energy projects, Lessee shall accommodate the reasonable development of essential services on the Property, including any electric transmission and distribution lines and associated facilities, telecommunications facilities, and rural water systems, provided that such services do not interfere with the Solar Facilities.

Section 4.9 Lessor's Right of First Refusal.

(a) If at any time during the Term of this Lease, including any renewal or extension thereof, Lessee shall receive and desire to accept a bona fide written proposal (the "Proposal") from any person or entity to provide services as a contractor for maintaining the vegetation and

fence of the Project (the "Services"), then Lessor shall have a one-time right of first refusal to provide such Services on the terms set out in the Proposal. Lessee shall send a copy of the Proposal to Lessor (the "Offer"). Lessor shall have the right, exercisable by written notice to Lessee given within fourteen (14) days from the date Lessor receives the Offer, to elect to accept the terms of the Offer in its own name, or in the name of a nominee, and on the terms and conditions as specified in the Proposal (the "Right of First Refusal"). Lessee and Lessor agree to execute such other and further instruments and agreements as are usual and customary and may be reasonably necessary to effectuate the Proposal, including, but not limited to, a written contract for the Services. Lessee will notify Lessor of any request for Proposal relating to road maintenance and will accept proposals from Lessor, but Lessee shall now be required to select Lessor to provide such road maintenance.

(b) A failure by Lessor to respond in writing by notice of acceptance of the Offer within such fourteen (14) day period shall be deemed a rejection of the Offer. If Lessor shall not so elect to accept (or is deemed to have rejected) the Offer, then Lessee may hire the person or entity specified in the Offer following delivery of the Offer to Lessor, provided that such Services are on the same terms and conditions as set forth in the Offer as sent to the Lessor.

(c) Lessor's rejection of the initial Right of First Refusal under this Lease shall release Lessee from any obligations to provide Lessor with any additional Right of First Refusal rights.

(d) The provisions of this one-time Right of First Refusal or a reference thereto shall be included in the Memorandum of Lease to be executed by Lessee and Lessor in accordance with the terms of this Lease.

ARTICLE V. Lessor Covenants

Lessor covenants, represents and warrants to Lessee as follows:

Section 5.1 Title and Authority

Except to the extent otherwise stated in this Lease, Lessor is the sole owner of the Property in fee simple and each person or entity signing this Lease on behalf of Lessor has the full and unrestricted authority to execute and deliver this Lease and to grant the leaseholds, easements and other rights granted to Lessee herein. There are no encumbrances or liens against the Property except: (a) those currently of record in the county where the Property are located, or (b) those which are reflected in a title report for the Property provided to Lessee prior to execution of the Lease. To the extent that any such encumbrances or other title defects could interfere with the development, construction or operation of the Project or otherwise interfere with the rights of Lessee under this Lease, Lessor shall, at Lessor's expense, promptly take such actions required to remove or otherwise cure any such encumbrances or defects. There are no farm or other tenancies affecting the Property except those disclosed by Lessor to Lessee in writing prior to or at the time of execution hereof. Any farm or other tenancies entered into after the date hereof shall be subject and subordinate to this Lease, and immediately terminable upon written notice to the tenant. When

signed by Lessor, this Lease constitutes a valid and binding agreement enforceable against Lessor in accordance with its terms.

Section 5.2 Cooperation to Eliminate Lien Interference

Lessor shall cooperate with Lessee to obtain non-disturbance and subordination agreements, or such other necessary agreements, from any person or entity with a lien, encumbrance, mortgage, lease (including, but not limited to a crop lease) or other exception to Lessor's fee title to the Property to the extent necessary to eliminate any actual or potential interference by any such lienholder with any rights granted to Lessee under this Lease. Lessor shall also cooperate with Lessee to obtain and maintain any permits or approvals needed for the Solar Facilities at no cost or expense to Lessor. In connection with the issuance of such permits, and to the extent allowed by (and subject to) applicable law, Lessor hereby waives any and all setback requirements, including any setback requirements described in the zoning ordinance of the county in which the Property are located or in any governmental entitlement or permit hereafter issued to Lessee, with respect to the locations of any Solar Facilities to be installed or constructed on the Property or on adjacent properties that are a part of the Project. Lessor shall also provide Lessee with such further assurances and shall execute any estoppel certificates, consents to assignments, non-disturbance and subordination agreements, or additional documents that may be reasonably necessary for recording purposes or requested by Lessee or any of its lenders.

Section 5.3 Quiet Enjoyment

As long as Lessee is not in default of this Lease beyond any applicable cure period (or if no cure period is expressly set forth, a reasonable time), Lessee shall have the quiet use and enjoyment of the Premises in accordance with the terms of this Lease without any interference of any kind by Lessor or any person claiming through Lessor. Lessor and its activities on the Premises and any grant of rights Lessor makes to any other person shall be only as permitted under this Lease and shall not interfere with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with the direct sunlight over the Premises or otherwise engage in activities or allow any activities which might impede or decrease the output or efficiency of the Solar Facilities.

Section 5.4 Exclusivity

Lessee shall have the exclusive right to use the Premises for commercial solar energy purposes. For purposes of this Lease, "commercial solar energy purposes" means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

Section 5.5 Operation of the Solar Facilities

Lessor acknowledges and understands that the Solar Facilities to be located on the Premises may impact the view on the Property, and will cause or emit electromagnetic and frequency interference. Lessor covenants and agrees that the Lessor shall not assert that the Solar Facilities

constitute a nuisance.

Section 5.6 Maintenance of the Premises

Lessor will maintain the Premises to the extent not occupied by Solar Facilities. Lessee shall be responsible for maintaining the Premises which are occupied by the Solar Facilities as set forth in the Site Plan. Lessee will maintain any roads or trails constructed by Lessee, and Lessor will maintain all other roads or trails on the Premises.

Section 5.7 Hazardous Materials

Lessor shall not use, store, dispose of or release on the Premises or cause or permit to exist or be used, stored, disposed of or released on the Premises as a result of Lessor's operations, any substance which is defined as a "hazardous substance", "hazardous material", or "solid waste" in any federal, state or local law, statute or ordinance, except in such quantities as may be required in its normal business operations and is in full compliance with all applicable laws. Lessor represents to Lessee that Lessor has no knowledge of any condition on the Premises that is in violation of such laws, statutes or ordinances, and that it will indemnify and hold Lessee harmless from and against any claims related to any pre-existing conditions affecting the Premises.

ARTICLE VI. Assignment; Encumbrance of Lease

Section 6.1 Right to Encumber

(a) **Lessee Right to Mortgage Leasehold Interest.** Lessee may at any time mortgage all or any part of its interest in the Lease and rights under this Lease and/or enter into a collateral assignment of all or any part of its interest in the Lease or rights under this Lease to any entity ("**Lender**"). No Lender shall have any obligations under this Lease until such time as it exercises its rights to acquire Lessee's interests subject to the lien of Lender's mortgage by foreclosure or otherwise assumes the obligations of Lessee directly.

(b) **Notice.** Lessee shall notify Lessor of the identity and notice address for any Lender. Lessor and Lessee agree that, once all or any part of Lessee's interests in the Lease are mortgaged or assigned to a Lender, they will not modify or terminate this Lease without the prior written consent of the Lender.

(c) **Lender Right to Cure Lessee Default.** Lessor agrees that any Lender shall have the right to make any payment and to do any other act or thing required to be performed by Lessee under this Lease, and any such payment, act or thing performed by Lender shall be effective to prevent an Event of Default by Lessee and any forfeiture of any of Lessee's rights under this Lease as if done by Lessee itself.

(d) **Notice from Lessor to Lender in Case of Lessee Default.** During the time all or any part of Lessee's interests in this Lease are mortgaged or assigned to any Lender, if Lessee defaults under any of its obligations and Lessor is required to give Lessee notice of the default

Lessor shall also be required to give Lender notice of the default. If Lessor becomes entitled to terminate this Lease due to an uncured default by Lessee, Lessor will not terminate this Lease unless it has first given written notice of the uncured default and of its intent to terminate this Lease to the Lender and has given the Lender at least thirty (30) days from receipt of such notice to cure the default to prevent termination of this Lease. If within such thirty (30) day period the Lender notifies the Lessor that it must foreclose on Lessee's interest or otherwise take possession of Lessee's interest under this Lease in order to cure the default, Lessor shall not terminate this Lease and shall permit the Lender a reasonable period of time necessary for the Lender, with the exercise of due diligence, to foreclose or acquire Lessee's interest under this Lease and to perform or cause to be performed all of the covenants and agreements to be performed and observed by Lessee. The time within which Lender must foreclose or acquire Lessee's interest shall be extended to the extent Lender is prohibited by an order or injunction issued by a court or the operation of any bankruptcy or insolvency law from commencing or prosecuting the necessary foreclosure or acquisition.

(e) **Recognition of Lender as Successor.** The acquisition of all or any part of Lessee's interests in the Lease by any Lender through foreclosure or other judicial or nonjudicial proceedings in the nature of foreclosure, or by any conveyance in lieu of foreclosure, shall not require the consent of Lessor nor constitute an Event of Default or default of this Lease by Lessee, and upon the completion of the acquisition or conveyance Lessor shall acknowledge and recognize Lender as Lessee's proper successor under this Lease upon Lender's cure of any existing Lessee defaults and assumption of the obligations of Lessee under this Lease prospectively.

(f) **New Lease.** If this Lease is rejected by a trustee or a debtor-in-possession in any bankruptcy or insolvency proceeding Lessor may agree, upon request by any Lender within sixty (60) days after the rejection or termination, to execute and deliver to Lessee or Lender a new lease for the Premises which (i) shall be effective as of the date of the rejection or termination of this Lease, (ii) shall be for a term equal to the remainder of the Term before giving effect to such rejection or termination, and (iii) shall contain the same terms, covenants, agreements, provisions, conditions and limitations as are contained in this Lease (except for any obligations or requirements which have been fulfilled by Lessee or Lender prior to rejection or termination). Prior to the execution and delivery of any such new lease Lessee, or Lender, shall (i) pay Lessor any amounts which are due Lessor from Lessee, (ii) pay Lessor any and all amounts which would have been due under this Lease but for the rejection or termination from the date of the rejection or termination to the date of the new lease and (iii) agree in writing to perform or cause to be performed all of the other covenants and agreements to be performed by Lessee under this Lease to the extent Lessee failed to perform them prior to the execution and delivery of the new lease.

Section 6.2 Assignment of Lessee's Interest

Lessee and any successor or assign of Lessee shall at all times have the right, without need for Lessor's consent, to do any of the following with respect to all or any portion of the Premises for solar energy purposes: grant co-leases, separate leases, subleases, easements, licenses or similar rights (however denominated) to one or more third parties; or sell, convey, lease, assign, mortgage, encumber or transfer to one or more third parties or to any affiliate of Lessee's this Lease, or any right or interest in this Lease, or any or all right or interest of Lessee in the Premises or in any or

all of the Solar Facilities that Lessee or any other party may now or hereafter install on the Premises provided that (i) any such assignment, transfer or conveyance shall not be for a period beyond the Term of this Lease; (ii) the assignee or transferee shall be subject to all of the obligations, covenants and conditions applicable to the Lessee; and (iii) Lessee shall not be relieved from liability for any of its obligations under this Lease by virtue of the assignment or conveyance unless Lessee assigns or conveys all of its interests under the Lease to the assignee or transferee, in which event Lessee shall have no continuing liability. Upon any assignment or transfer of any or all of Lessee's interests hereunder, Lessee shall provide notice of such assignment or transfer to Lessor, together with contact information for the assignee or transferee (including name, address and phone number), but failure to provide such contact information shall not be considered a default hereunder.

Section 6.3 Continuing Nature of Obligations

(a) **Benefits are "In Gross".** The easements and related rights granted by Lessor in this Lease to Lessee are easements "in gross", which means, among other things, that they are interests personal to and for the benefit of Lessee, and its successors and assigns, as owner of the rights created by the easements granted herein. Such easements and other rights granted Lessee by Lessor in this Lease are independent of any lands or estates or interest in lands, there is no other real property benefiting from the easements and related rights and, as between the Premises and other tracts of property on which Lessee may locate Solar Facilities, no tract is considered dominant or servient as to the other.

(b) **Burdens Run With and Against the Land.** The burdens of the easements and related rights granted to Lessee in this Lease shall run with and against the Property and shall be a charge and burden on the Property and shall be binding upon and against Lessor and its successors, assigns, permittees, licensees, lessees, employees and agents. The Lease and the easements and related rights granted herein shall inure to the benefit of Lessee and its successors, assigns, permittees, licensees and Project lessees.

ARTICLE VII. Condemnation

Section 7.1 Effect of Condemnation

If eminent domain proceedings are commenced against all or any portion of the Premises, and the taking and proposed use of such property would prevent or adversely affect Lessee's construction, installation or operation of Solar Facilities on the Premises, at Lessee's option, the parties shall either amend this Lease to reflect any necessary relocation of the Solar Facilities which will preserve the value and benefit of the Lease to Lessee, together with any corresponding payments, or this Lease shall terminate in which event neither party shall have any further obligations.

Section 7.2 Condemnation Proceeds

All payments made by a condemnor on account of a taking by eminent domain shall be the property of the Lessor, except that Lessee shall be entitled to any award or amount paid for the

reasonable costs of removing or relocating any of the Solar Facilities or the loss of any such Solar Facilities or the use of the Premises pursuant to the Lease. Lessee shall have the right to participate in any condemnation proceedings to this extent. No termination of this Lease under Section 7.1 shall affect Lessee's right to receive any award to which Lessee is entitled under this Section 7.2.

ARTICLE VIII. Default/Termination

Section 8.1 Events of Default

Each of the following shall constitute a "Event of Default" that shall permit the non-defaulting party to terminate this Lease or pursue other remedies available at law or equity, subject to the terms and conditions of Article VI.

- (i) any failure by Lessee to pay any undisputed amounts due under Article III if the failure to pay continues for thirty (30) days after written notice from Lessor;
- (ii) any other breach of this Lease by either party which continues for thirty (30) days after written notice of default from the nondefaulting party or, if the cure will take longer than thirty (30) days, the length of time necessary to effect cure as long as the defaulting party is making diligent efforts to cure during that time, but not more than ninety (90) days.

Section 8.2 Surrender

Upon the termination or expiration of this Lease, Lessee shall peaceably surrender the Premises to Lessor and remove all Solar Facilities from the Premises at Lessee's expense within twelve (12) months after the date the Lease expires or is terminated as required pursuant to Section 4.3 of this Lease. Lessee shall pay Annual Rent to Lessor for the period until the Solar Facilities are removed from the Premises, which obligation shall survive the expiration or earlier termination hereof.

Section 8.3 Damages

Lessor acknowledges and agrees that should Lessor breach any of its obligations hereunder or otherwise fail to permit Lessee to exercise any of the rights and privileges granted herein, damages would be difficult to calculate and money damages would not be sufficient to compensate Lessee for such breach, and therefore, Lessor agrees that Lessee shall have the right to seek specific enforcement of this Lease. In that event, Lessor agrees that Lessee has no adequate remedy at law, and that an order of specific performance may be granted in favor of Lessee.

ARTICLE IX. Miscellaneous

Section 9.1 Notice

Notices, consents or other documents required or permitted by this Lease must be given by personal delivery, reputable overnight courier or certified U.S. mail postage prepaid and shall be sent to the respective parties as follows (or at such other address as either party may designate

upon written notice to the other party in the manner provided in this paragraph) and shall be deemed delivered upon actual delivery or refusal, if personally delivered, upon the date of actual delivery or refusal shown on the courier's delivery receipt if sent by overnight courier and on the fourth business day after deposit in the U.S. mail if sent by certified mail:

Section 9.2 Relationship of the Parties; No Third Party Beneficiaries

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party. Except for the rights of Lenders set forth above, no provision of this Lease is intended to nor shall it in any way inure to the benefit of any third party so as to constitute any such person a third party beneficiary under this Lease, or of any one or more of the terms of this Lease, or otherwise give rise to any cause of action in any person not a party to this Lease.

Section 9.3 Entire Agreement

It is mutually understood and agreed that this Lease constitutes the entire agreement between Lessor and Lessee and supersedes any and all prior oral or written understandings, representations or statements, and that no understandings, representatives or statements, verbal or written, have been made which modify, amend, qualify or affect the terms of this Lease. This Lease may not be amended except in a writing executed by both parties.

Section 9.4 Legal Matters.

(a) This Lease is made in Kentucky and shall be governed by the laws of the State of Kentucky. If the parties are unable to resolve amicably any dispute arising out of or in connection with this Lease, they agree that such dispute shall be resolved in a federal court located in Kentucky.

(b) Notwithstanding anything to the contrary in this Lease, neither party shall be entitled to, and each of Lessor and Lessee hereby waives any and all rights to recover, consequential, incidental, and punitive or exemplary damages, however arising, whether in contract, in tort, or otherwise, under or with respect to any action taken in connection with this Lease.

(c) EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS LEASE, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS LEASE WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS LEASE.

Section 9.5 Cooperation

Each of the parties, without further consideration, agrees to execute and deliver such additional documents and take such action as may be reasonably necessary to carry out the purposes and intent of this Lease and to fulfill the obligations of the respective parties. If, at any time during the Term, Lessee deems it to be necessary or desirable to meet legal or regulatory requirements, Lessee may request that Lessor re-execute a new lease substantially in the form of this Lease with a term equal to the Term remaining as of the date of execution of the new lease, and Lessor shall execute and enter into the new lease with Lessee or its designee. In the event of inaccuracies or insufficiencies in the legal description of the Property, this Lease shall be amended to correct the inaccuracies or insufficiencies. Furthermore, Lessor agrees to negotiate in good faith to grant an easement to a utility over the Premises if needed in connection with the transmission of electricity generated by the Project.

Section 9.6 Waiver

Neither party shall be deemed to have waived any provision of this Lease or any remedy available to it unless such waiver is in writing and signed by the party against whom the waiver would operate. Any waiver at any time by either party of its rights with respect to any rights arising in connection with this Lease shall not be deemed a waiver with respect to any subsequent or other matter. In the event that Lessee makes any overpayments to Lessor hereunder, Lessee shall offset the amount of such overpayments to Lessor against future payments due to Lessor from

Lessee hereunder.

Section 9.7 Force Majeure

Neither Lessor nor Lessee shall be liable to each other, or be permitted to terminate this Lease, for any failure to perform an obligation of this Lease to the extent such performance is prevented by a Force Majeure, which shall mean an event beyond the control of the party affected and which, by exercise of due diligence and foresight, could not reasonably have been avoided. Unanticipated Project costs do not constitute a Force Majeure event.

Section 9.8 Confidentiality

The parties acknowledge that prior to the execution of this Lease, neither party may require the other party to maintain the confidentiality of any negotiations or the terms of the Agreement. After the Effective Date, however, both parties shall maintain in confidence, for the benefit of the other party, all information pertaining to the financial terms of or payments under this Agreement. Neither party will use such information for its own benefit, publish or otherwise disclose it to others, or permit its use by others for their benefit or to the detriment of the other party. Notwithstanding the foregoing, each party may disclose such information to such party's lenders, attorneys, accountants and other advisors; any prospective purchaser or lessee of such party's interests in Premises; or pursuant to lawful process, subpoena or court order requiring such disclosure, provided the party making such disclosure advises the party receiving the information of the confidentiality of the information. The provisions of this Section 9.8 shall survive the termination or expiration of this Lease.

Section 9.9 Tax Credits

If under Legal Requirements the holder of a leasehold interest in the nature of that held by Lessee under this Lease becomes ineligible for any tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal governmental authority, then, at Lessee and Lessor's option, Lessor and Lessee may amend this Lease or replace it with a different instrument so as to convert Lessee's interest in the Premises to a substantially similar interest that makes Lessee eligible for such tax credit, benefit or incentive.

Section 9.10 Severability

Each provision hereof shall be valid and shall be enforceable to the extent not prohibited by law. If any provision hereof or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby.

Section 9.11 Counterparts

This Lease may be executed in two or more counterparts and by different parties on separate counterparts, all of which shall be considered one and the same agreement and each of

which shall be deemed an original.

Section 9.12 Memorandum of Lease

Lessor and Lessee shall execute in recordable form and Lessee shall have the right to record a memorandum of this Lease in a form provided by Lessee. Lessor hereby consents to the recordation of the interest of an assignee in the Premises. Upon the termination of the Lease, at the request of Lessor, Lessee agrees to provide a recordable acknowledgement of such termination to Lessor.

Section 9.13 Relationship of Parties

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party.

Section 9.14 Multiple Owners

Notwithstanding anything to the contrary in this Lease or elsewhere, any obligation under this Lease for Lessee to pay Lessor any amount will be completely and unconditionally satisfied by payment of such amount by Lessee to the party named for Lessor in Section 9.1 at the address for such party given in Section 9.1, or such other single address designated by not less than thirty (30) days' prior written notice to Lessee signed by all parties comprising Lessor. At Lessee's election such payment may be by joint check or checks payable to the Lessor parties known to Lessee. The parties comprising Lessor shall be solely responsible to notify Lessee in writing of any change in ownership of the Property or any portion thereof. Each of the parties comprising Lessor hereby irrevocably directs and authorizes Lessee to make all payments payable to Lessor under this Lease and to provide all notices to Lessor under this Lease directly to the party named in Section 9.1 as agent for all parties comprising Lessor, or to such other single person that all parties comprising Lessor shall direct by written notice to Lessee. The parties comprising Lessor shall be solely responsible for distributing their respective shares of such payments between themselves. The parties comprising Lessor shall resolve any dispute they might have between themselves under this Lease or any other agreement regarding any amount paid or payable to Lessor under this Lease or the performance of any obligation owed to Lessor under this Lease and shall not join Lessee in any such dispute or interfere with, delay, limit or otherwise adversely affect any of the rights or remedies of Lessee under this Lease in any way; provided, this will not limit the rights of Lessor under this Lease to enforce the obligations of Lessee under this Lease and so long as all parties comprising Lessor agree on pursuing such right or remedy and so notify Lessee in writing.

IN WITNESS WHEREOF, the undersigned have caused this instrument to be executed as of the Effective Date.

**EXHIBIT A
DESCRIPTION OF PROPERTY**

Tax Parcel Nos.: 16-13A, 25-11 & 25-11B

Being a portion of the same property conveyed from Bethlehem Cemetery Association, Inc., to William R. Clift, II and Tobatha Renee Clift, his wife wife, by Quitclaim Deed dated February 4, 2013 and recorded on February 8, 2013 at Book 294, Page 218 in the office of the County Clerk for Caldwell County, Kentucky.

AND

Being a portion of the same property conveyed from Johnny Stone and Susan T. Stone, husband and wife to William R. Clift, II and Tobatha Renee Clift, husband and wife, by Deed dated April 21, 2016 and recorded on April 21, 2016 at Book 309, Page 70 in the office of the County Clerk for Caldwell County, Kentucky.

AND

Being a portion of the same property conveyed from Russell T. Heaton and Patsy D. Heaton, husband and wife to William R. Clift, II and Tobatha Renee Clift, husband and wife, by Deed dated December 20, 2017 and recorded on December 20, 2017 at Book 317, Page 307 in the office of the County Clerk for Caldwell County, Kentucky.

The parcels approximately contain 206.04 acres more or less.

EXHIBIT A-1

SITE PLAN

LAND LEASE AND SOLAR EASEMENT

This Land Lease and Solar Easement (“**Lease**”) is made on October 2nd 2019 (the “**Effective Date**”) by and between [REDACTED] (“**Lessor**”) and Caldwell Solar, LLC, a Delaware limited liability company, and its successors and assigns (“**Lessee**”).

RECITALS

A. Lessor owns that certain real property located in Caldwell County, Kentucky and legally described on the attached Exhibit A (the “**Property**”).

B. Lessee is desirous of developing a solar energy project on the Premises (the “**Project**”), and Lessor desires to lease a portion of the Property (as more fully described herein, the “**Premises**”) to Lessee for that purpose.

C. Lessor is willing to lease and grant certain easement rights in the Premises to Lessee, and Lessee is willing to lease and obtain certain easement rights in the Premises from Lessor, all as more fully described below.

KEY TERMS

Development Period	5 years
Construction Period	2 years
Extended Term	25 years
Renewal Terms (3, each)	10 years

AGREEMENT

NOW THEREFORE, for good and valuable consideration, Lessor and Lessee agree that the above recitals are true and correct in all material respects and are incorporated herein by reference, and further agree as follows:

ARTICLE I. Premises

Section 1.1 General

(a) **Lease of Premises for Solar Energy Purposes.** Lessor leases to Lessee, and Lessee leases from Lessor, the Premises, as identified on the site plan attached hereto as Exhibit A-1 (the “**Site Plan**”), for the purpose of development and use of a solar facility, including but not limited to monitoring, testing and evaluating the Premises for solar energy generation; activities related to the production of solar energy including constructing, installing, using, maintaining, operating, replacing, relocating and removing solar panels, overhead and underground electrical transmission and communications lines, electric transformers, energy storage facilities, telecommunications equipment, power generation facilities to be operated in conjunction with solar panel installations, including roads, and solar energy measurement equipment, fencing, and

related facilities and equipment (hereinafter “**Solar Facilities**”). Such Solar Facilities shall be installed in compliance with Article VI. Such activities may be conducted by Lessee, its employees, agents, licensees or permittees. Lessee shall have the exclusive right to use the Premises for solar energy purposes. For purposes of this Lease, “solar energy purposes” means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

(b) Lessee shall use the Premises only for the construction, installation, operation, maintenance, replacement, and removal of Solar Facilities. Lessee shall consult with Lessor on Lessee’s site development plan prior to construction on the Premises, showing Lessor the proposed locations of Solar Facilities before making its final decisions as to locations of Solar Facilities on the Premises; provided, however, that Lessee shall make all such final siting decisions in Lessee’s sole discretion. Lessee has the right to relocate existing Solar Facilities upon the Premises during the term of this Lease.

(c) Lessor hereby grants to Lessee, for the Term (as defined below), easements over, under, upon and across and on the Property (1) for ingress to and egress from Solar Facilities (whether located on the Premises, on adjacent property or elsewhere) by means of roads and lanes thereon if existing, or otherwise by such route or routes as Lessee may construct from time to time (the “**Access Easement**”). The Access Easement shall include the right to improve existing roads and lanes, or to build new roads, shall run with and bind the Property, and shall inure to the benefit of and be binding upon Lessor and Lessee and their respective transferees, successors and assigns, and all persons claiming under them.

(d) Lessor shall retain the right to use the portion of the Property not included within the Premises.

(e) Notwithstanding any provision to the contrary, Lessee reserves the right to reduce the size of the Premises, at any time during the Term, to that amount of acreage needed for the installation of the Solar Facilities, as described herein, to be selected and further identified with an amended description and site plan, at a future date, all at Lessee’s sole discretion. Upon Lessee’s exercise of its right to reduce the size of the Premises, all reference to Premises in this Lease shall refer to the Premises as modified by the amended Site Plan, if any.

Section 1.2 Solar Easement

(a) **Solar Easement.** Lessor hereby grants and conveys to Lessee an exclusive easement on, over and across the Property for direct sunlight to any solar panels on the Premises and an exclusive easement prohibiting any obstruction of direct sunlight (collectively, the “**Solar Easement**”) throughout the entire Property to and for the benefit of the area existing horizontally three hundred and sixty degrees (360°) from any point where any solar panel is or may be located at any time from time to time (each such point referred to as a “**Site**”) and for a distance from each Site to the boundaries of the Property, together vertically through all space located above the surface of the Property, that is, one hundred eighty degrees (180°) or such greater number or numbers of degrees as may be necessary to extend from each point on and along a line drawn along

the surface from each point along the exterior boundary of the Property through each Site to each point and on and along such line to the opposite exterior boundary of the Property.

(b) **Lessor Improvements.** Trees, buildings and other improvements located on any contiguous, non-tillable land containing an existing home site on the Property (the “**Existing Homestead**”), as of the date of this Lease shall be allowed to remain, and Lessee may not require their removal. Lessee may require the removal of trees, buildings, and other improvements (an “**Improvement**”) located on the Property outside of the Existing Homestead. Lessor may not place or plant any Improvement on the Property after the date of this Lease which may, in Lessee’s sole judgment, impede or interfere with direct sunlight to any Solar Facilities, unless Lessor has received written approval from Lessee for any such trees, structure or improvement. Notwithstanding the foregoing, Lessor may replace any structure or improvement located in the Property as of the Effective Date (the “**Original Structure or Improvement**”) with a new structure or improvement in the exact same location that does not exceed the size and dimensions in any direction as the Original Structure or Improvement (the “**New Structure or Improvement**”), provided that such New Structure or Improvement does not impede or interfere with direct sunlight to any Solar Facilities in any way that is more detrimental to the Property than the Original Structure or Improvement. If at any time during the duration of this Lease, Lessor would like a variance of the preceding requirements, Lessor may submit a letter of request to Lessee for approval, and approval or denial of such request shall be in Lessee’s sole discretion.

ARTICLE II. Lease Term

Section 2.1 Term

Development Period; Construction Period; Extended Term; Renewal Terms

(a) Lessee’s rights under this Lease continue throughout the term of this Lease (the “**Term**”). Initially, the Term shall be for the Development Period. The “**Development Period**” commences on the Effective Date and expires on the fifth (5th) anniversary of the Effective Date.

(b) The Lease shall automatically be extended for the Construction Period, as defined below, upon the earlier of (i) the date when construction of Solar Facilities commences in connection with the Project (“**Construction Date**”); or (ii) the date when Lessor receives written notice from Lessee of Lessee’s election to extend the term of the Lease for the Construction Period (“**Construction Period Notice Date**”), provided that the Construction Period commences prior to the expiration of the Development Period. The Construction Period of the Lease (“**Construction Period**”) is two (2) years from the earlier of either of the Construction Date or the Construction Period Notice Date unless sooner terminated in accordance with the terms of the Lease. Lessee may record a notice of the Construction Date or the Construction Period Notice Date against the Premises to give notice of such date, and upon the request of Lessor shall record such notice, but a failure to record such notice shall not affect the validity of this Lease.

(c) The Term shall automatically be extended for the Extended Term (as defined below) upon the date when the Project begins commercial operation, which shall be defined as the date of the first commercial deliveries of electrical energy to the local utility grid (“**Commercial Operation Date**”); or (ii) the date when Lessor receives written notice from Lessee of Lessee’s election to extend the term of the Lease for the Extended Term (“**Extended Term Notice Date**”),

provided that the commencement of the Extended Term occurs prior to the expiration of the Construction Period. The Extended Term of this Lease (“**Extended Term**”) is twenty five (25) years from the Commercial Operation Date or the Extended Term Notice Date, unless terminated earlier in accordance with the terms of this Lease. Lessee may record a notice of the Commercial Operation Date or the Extended Term Notice Date against Lessor’s Property to give notice of the Construction Date, and upon the request of Lessor shall record such notice, but a failure to record such notice shall not affect the validity of this Lease.

(d) Lessee shall have the right, at its option, to further extend the Term for three (3) additional periods of ten (10) years (each, a “**Renewal Term**”). To exercise an option to extend the term of this Lease for a Renewal Term, Lessee must deliver both a written extension notice to Lessor and an extension payment in the amount of Ten Dollars (\$10.00) per each acre within the Premises (prorated for any partial acre) prior to the expiration of the Extended Term or the applicable Renewal Term, as the case may be. Lessee must deliver the written notice and the extension payment in the amount and in the manner set forth above to exercise effectively its options to extend the term of this Lease for any Renewal Term. This Lease shall continue during each Renewal Term on the same terms and conditions applicable during the Extended Term, except as specifically provided herein. Lessee shall have no right to extend the term of this Lease beyond the last Renewal Term provided for in this Section 2.1(d) absent further mutual agreement. If Lessee fails to effectively exercise an option to renew the term hereof, this Lease shall terminate and Lessee shall have no further options or rights to renew or extend the Term hereof.

Section 2.2 Termination of Lease

The occurrence of any of the following events shall terminate this Lease:

- (a) The expiration of this Lease as set forth in Section 2.1; or
- (b) The written agreement of both parties to terminate this Lease; or
- (c) An uncured material breach of this Lease by either party and the election of the non-defaulting party to terminate the Lease pursuant to Article VIII; or
- (d) At the option of Lessee, thirty (30) days after Lessee’s execution and delivery of written notice of termination to Lessor (as to the entire Property, or any part thereof at Lessee’s option), in Lessee’s sole and absolute discretion; or
- (e) A condemnation of all or a portion of the Premises and the election of the Lessee to terminate the Lease pursuant to Article VII; or
- (f) Pursuant to applicable law.

Section 2.3 Part of a Larger Project

The parties acknowledge that the covenants, conditions, rights and restrictions in favor of Lessee pursuant to this Lease including, but not limited to, the easement described in Section 1.2,

and Lessee's use of and benefit from those covenants, conditions, rights and restrictions, may constitute a portion of a larger solar energy project with which the Premises will share structural and transmission components, ingress and egress, utility access, and other support, all of which are specifically designed to be interrelated and integrated in operation and use for the full life of the Project.

ARTICLE III. Payments and Taxes

Section 3.1 Development Period Rent

Section 3.2 Annual Rent During Construction Period, Extended Term and Renewal Term

Section 3.3 Taxes, Assessments and Utilities

(a) Lessor shall pay, when due, all real property taxes and assessments levied against the Premises and all personal property taxes and assessments levied against any property and improvements owned by Lessor and located on the Premises. Subject to Section 3.3 (c), if Lessor shall fail to pay any such taxes or assessments when due, Lessee may, at its option, pay those taxes and assessments and any accrued interest and penalties, and deduct the amount of its payment from any Rent otherwise due to Lessor from Lessee.

(b) Lessee shall pay all personal property taxes and assessments levied against the Solar Facilities when due, including any such taxes based on electricity production. If the Premises experiences any increase in the amount of real property taxes assessed as a result of the installation of the Solar Facilities on the Premises, including any reclassification of the Premises, Lessee shall pay or reimburse Lessor an amount equal to the increase no later than ten (10) days prior to the date each year on which the applicable real estate taxes are due to be paid, provided that Lessor provides Lessee with copies of the applicable current and past statements of real estate taxes payable for the Premises and any related information demonstrating the reasons for any increase in real estate taxes.

(c) Either party may contest the validity or amount of any levied taxes, assessments or other charges for which each is responsible under this Lease as long as such contest is pursued in good faith and with due diligence and the party contesting the tax, assessment or charge has paid the obligation in question or established adequate reserves to pay the obligation in the event of an adverse determination.

(d) Lessee shall pay for all water, electric, telecommunications and any other utility services used by the Solar Facilities or Lessee on the Premises.

Section 3.4 Severance of Lease Payments

Lessor acknowledges and agrees that it shall not be permitted to sever the payments under the Lease, and shall not be permitted to assign payments due to Lessor under the Lease to a third party without the consent of Lessee. Upon the transfer of an interest in the Premises to an heir, legal representative, successor or assign, the payments hereunder (or the proportionate share thereof) shall inure to the benefit of such party.

Section 3.5 Crop Damage and Compaction

(a) The parties anticipate and acknowledge that Lessor or Lessor's renters may suffer damage to crops, tile, fences, and other property or improvements on the Premises during Lessee's construction, installation and maintenance of Solar Facilities on the Premises. Lessee shall reimburse Lessor for any such damages within thirty (30) days after determining the extent of damage. Notwithstanding any provision to the contrary, Lessor acknowledges and agrees that it shall not be allowed to rent, lease, or otherwise allow crop tenants to grow crops on the Premises during a calendar year if, by December 1st prior to such calendar year when crop tenants are disallowed, Lessee provides Lessor with written notice stating that Lessee intends to construct the Project in the following year (the "Development Notice").

(b) Crop damages will be calculated by the following formula: $\text{Price} \times \text{Yield} \times \text{Percentage of Damage} \times \text{Acreage} = \text{Crop Damages}$. Prices for damaged or destroyed crops will be based on the average of the last previous March 1st and September 1st Chicago Board of Trade prices for that crop. Yield will be the average of the next previous two (2) years' yields of the same crop as the damaged crop, according to Lessor's records, as received from and certified by Lessor, for the smallest parcel of land that includes the damaged area. For purposes of the foregoing, "Lessor's records" shall include, but not be limited to, warehouse/elevator receipts, applications for crop insurance and scale tickets from grain cart or yield monitors on combines. If Lessor does not have yield records available, the Lessor will use FSA records for the county in which the Premises is located (or other commonly used yield information available for the area) for the smallest parcel of land which includes the damaged area. The parties hereto shall try in good faith to agree to the extent of damage and acreage affected. If the parties hereto cannot agree, they shall have the area measured and extent of damage assessed by an impartial party such as a crop insurance adjuster or extension agent.

(c) After such payment for any Crop Damages, Lessee shall not be responsible to pay Lessor or Lessor's renters any loss of income, rent, business opportunities, profits or other losses arising out of Lessor's inability to grow crops or otherwise use the portion of the Premises occupied by Solar Facilities.

ARTICLE IV. Lessee's Covenants

Lessee covenants, represents and warrants to Lessor as follows:

Section 4.1 Mechanic's Liens

Lessee shall keep the Premises free and clear of all liens and claims of liens for labor, materials, services, supplies and equipment performed for or furnished to Lessee or, at the request of Lessee, any Solar Facility on the Premises in connection with Lessee's use of the Premises. Lessee may contest any such lien if Lessee provides Lessor with a bond or other reasonable security to protect Lessor's interest in the Premises against any such lien, in which case Lessee shall not be required to remove the lien during the period of the contested proceeding, but will be required to remove the lien prior to Lessor's interest in the Premises being forfeited. Lessee agrees to provide for ultimate removal before it affects Lessor's rights on the Premises.

Section 4.2 Permits and Laws

Lessee and its designees shall at all times comply with all federal, state and local laws, statutes, ordinances, rules, regulations, judgments and other valid orders of any governmental authority applicable with respect to Lessee's activities pursuant to this Lease and shall obtain all permits, licenses and orders required to conduct any and all such activities (collectively, "**Legal Requirements**"). Failure to comply with any such Legal Requirements shall be a default as set forth in Section 8.1. Lessee shall have the right, in its sole discretion, to contest by appropriate legal proceedings brought in the name of Lessee, the validity or applicability to the Premises, Solar Facilities, or any Other Approved Facilities of any Legal Requirement now or hereafter made or issued by any federal, state, county, local or other governmental agency or entity. Lessee shall not contest any Legal Requirements in the name of Lessor unless Lessor has specifically agreed to join the action. If Lessor agrees to join the action, Lessor shall cooperate in every reasonable way in such contest, provided Lessee reimburses Lessor for its reasonable and actual out-of-pocket expense directly incurred in connection with such cooperation, to the extent Lessee has approved such expense in advance.

Section 4.3 Lessee's Improvements

After the construction of the Solar Facilities, Lessee shall remove any construction debris and shall restore the portions of the Premises not occupied by the Solar Facilities to substantially the same condition that such portions of the Premises were in prior to the construction of the Solar Facilities. Lessee will install and maintain a fence surrounding the Solar Facilities (with the exception of any access roads, overhead and underground electrical transmission and communications lines, telecommunications equipment and relating improvements). All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease shall be and remain the sole property of Lessee and, except as expressly provided in this Section 4.3, Lessor shall have no ownership or other interest in any Solar Facilities on the Premises.

All Solar Facilities constructed, installed or placed on the Premises by Lessee pursuant to this Lease may be moved, removed, replaced, repaired or refurbished by Lessee at any time. Lessee shall maintain Lessee's Solar Facilities in good condition and repair, ordinary wear and tear excepted. If Lessee fails to remove any of the Solar Facilities within twelve months from the date the Term expires or the Lease terminates, such Solar Facilities shall be considered abandoned by Lessee and Lessor may either: (i) remove the remaining Solar Facilities from the Premises and dispose of them in its sole discretion without notice or liability to Lessee; or (ii) consider the Solar Facilities abandoned, at which time the remaining Solar Facilities shall become the property of Lessor. If Lessee fails to remove any of the Solar Facilities as required, and Lessor elects to remove such Solar Facilities at Lessor's expense, Lessee shall reimburse Lessor for all reasonable out-of-pocket costs of removing those Solar Facilities, less any salvage value received by Lessor, within thirty days after receipt of an invoice from Lessor accompanied by reasonable supporting documentation.

On the ten (10) year anniversary of the Commercial Operation Date and for the remainder of the Term, Lessee shall provide either a surety bond or escrow funds (the "**Extended Term Security**") to secure Lessee's obligations under this Section 4.3, which Security shall be in the

name of Lessor and/or the applicable governmental authority. Lessee shall provide Lessor written notice upon the establishment of such Extended Term Security, which notice shall identify the location and amount of the Extended Term Security. The amount of the Extended Term Security shall be in an amount equal to the greater of: (i) \$500.00 per megawatt (“MW”), which sum shall increase by \$500.00 per MW on each anniversary of the Commercial Operation Date thereafter; or (ii) the amount necessary to satisfy the requirements set forth by applicable governmental rules or the permits for the Solar Facilities. If Lessee does not remove the Solar Facilities within twelve (12) months after the expiration of the Term or earlier termination of the Lease, Lessor may draw from the Extended Term Security an amount sufficient to reimburse Lessor that amount required to reimburse Lessor for the difference between Lessor’s out-of-pocket costs of removing the Solar Facilities, less the salvage value of the Solar Facilities.

Section 4.4 Insurance

Lessee shall obtain and maintain in force policies of insurance covering the Solar Facilities and Lessee’s activities on the Premises at all times during the Term, including specifically comprehensive general liability insurance with a minimum combined occurrence and annual limitation of one million dollars, for the period prior to commencement of construction of any Solar Facilities on the Premises other than meteorological measuring devices, and three million dollars, for the period commencing on the Construction Date. Such insurance coverage for the Solar Facilities and Premises may be provided as part of a blanket policy that covers other solar facilities or properties as well. Any such policies shall name Lessor as an additional insured and shall provide for 30 days prior written notice to Lessor of any cancellation or material change. Lessee shall provide Lessor with copies of certificates of insurance evidencing this coverage upon request by Lessor. Policies shall provide coverage for any costs of defense or related fees incurred by Lessor. Lessee shall also reimburse Lessor for any increase in Lessor’s insurance premiums relating to the Premises, to the extent that such increase is directly caused by the installation of the Solar Facilities or Lessee’s operations on the Premises.

Section 4.5 Hold Harmless.

Each party (the “**Indemnifying Party**”) agrees to defend, indemnify and hold harmless the other party and the other party’s officers, directors, employees, representatives, mortgagees and agents (collectively the “**Indemnified Party**”) against any and all losses, damages, claims, expenses and liabilities for physical damage to property and for physical injury to any person, including, without limitation, reasonable attorneys’ fees, to the extent resulting from or arising out of (i) any operations or activities of the Indemnifying Party on the Property (including, as to Lessor, any operations or activities conducted on the Property by any person or entity other than Lessee prior to the Effective Date) or (ii) any negligent or intentional act or omission on the part of the Indemnifying Party. This indemnification shall not apply to losses, damages, claims, expenses and liabilities to the extent caused by any negligent or intentional act or omission on the part of the Indemnified Party. This indemnification shall survive the termination of this Lease.

Section 4.6 Essential Services.

Except for any competing developers of solar energy projects, Lessee shall accommodate the reasonable development of essential services on the Property, including any electric transmission and distribution lines and associated facilities, telecommunications facilities, and rural water systems, provided that such services do not interfere with the Solar Facilities.

ARTICLE V. Lessor Covenants

Lessor covenants, represents and warrants to Lessee as follows:

Section 5.1 Title and Authority

Except to the extent otherwise stated in this Lease, Lessor is the sole owner of the Property in fee simple and each person or entity signing this Lease on behalf of Lessor has the full and unrestricted authority to execute and deliver this Lease and to grant the leaseholds, easements and other rights granted to Lessee herein. There are no encumbrances or liens against the Property except: (a) those currently of record in the county where the Property are located, or (b) those which are reflected in a title report for the Property provided to Lessee prior to execution of the Lease. To the extent that any such encumbrances or other title defects could interfere with the development, construction or operation of the Project or otherwise interfere with the rights of Lessee under this Lease, Lessor shall, at Lessor's expense, promptly take such actions required to remove or otherwise cure any such encumbrances or defects. There are no farm or other tenancies affecting the Property except those disclosed by Lessor to Lessee in writing prior to or at the time of execution hereof. Any farm or other tenancies entered into after the date hereof shall be subject and subordinate to this Lease, and immediately terminable upon written notice to the tenant. When signed by Lessor, this Lease constitutes a valid and binding agreement enforceable against Lessor in accordance with its terms.

Section 5.2 Cooperation to Eliminate Lien Interference

Lessor shall cooperate with Lessee to obtain non-disturbance and subordination agreements, or such other necessary agreements, from any person or entity with a lien, encumbrance, mortgage, lease (including, but not limited to a crop lease) or other exception to Lessor's fee title to the Property to the extent necessary to eliminate any actual or potential interference by any such lienholder with any rights granted to Lessee under this Lease. Lessor shall also cooperate with Lessee to obtain and maintain any permits or approvals needed for the Solar Facilities at no cost or expense to Lessor. In connection with the issuance of such permits, and to the extent allowed by (and subject to) applicable law, Lessor hereby waives any and all setback requirements, including any setback requirements described in the zoning ordinance of the county in which the Property are located or in any governmental entitlement or permit hereafter issued to Lessee, with respect to the locations of any Solar Facilities to be installed or constructed on the Property or on adjacent properties that are a part of the Project. Lessor shall also provide Lessee with such further assurances and shall execute any estoppel certificates, consents to assignments, non-disturbance and subordination agreements, or additional documents that may be reasonably necessary for recording purposes or requested by Lessee or any of its lenders.

Section 5.3 Quiet Enjoyment

As long as Lessee is not in default of this Lease beyond any applicable cure period (or if no cure period is expressly set forth, a reasonable time), Lessee shall have the quiet use and enjoyment of the Premises in accordance with the terms of this Lease without any interference of any kind by Lessor or any person claiming through Lessor. Lessor and its activities on the Premises and any grant of rights Lessor makes to any other person shall be only as permitted under this Lease and shall not interfere with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with any of Lessee's rights or activities pursuant to this Lease, and Lessor shall not interfere or allow interference with the direct sunlight over the Premises or otherwise engage in activities or allow any activities which might impede or decrease the output or efficiency of the Solar Facilities.

Section 5.4 Exclusivity

Lessee shall have the exclusive right to use the Premises for commercial solar energy purposes. For purposes of this Lease, "commercial solar energy purposes" means converting solar energy into electrical energy, and collecting and transmitting the electrical energy so converted, together with any and all activities related thereto.

Section 5.5 Operation of the Solar Facilities

Lessor acknowledges and understands that the Solar Facilities to be located on the Premises may impact the view on the Property, and will cause or emit electromagnetic and frequency interference. Lessor covenants and agrees that the Lessor shall not assert that the Solar Facilities constitute a nuisance.

Section 5.6 Maintenance of the Premises

Lessor will maintain the Premises to the extent not occupied by Solar Facilities. Lessee shall be responsible for maintaining the Premises which are occupied by the Solar Facilities as set forth in the Site Plan. Lessee will maintain any roads or trails constructed by Lessee, and Lessor will maintain all other roads or trails on the Premises.

Section 5.7 Hazardous Materials

Lessor shall not use, store, dispose of or release on the Premises or cause or permit to exist or be used, stored, disposed of or released on the Premises as a result of Lessor's operations, any substance which is defined as a "hazardous substance", "hazardous material", or "solid waste" in any federal, state or local law, statute or ordinance, except in such quantities as may be required in its normal business operations and is in full compliance with all applicable laws. Lessor represents to Lessee that Lessor has no knowledge of any condition on the Premises that is in violation of such laws, statutes or ordinances, and that it will indemnify and hold Lessee harmless from and against any claims related to any pre-existing conditions affecting the Premises.

ARTICLE VI. Assignment; Encumbrance of Lease

Section 6.1 Right to Encumber

(a) **Lessee Right to Mortgage Leasehold Interest.** Lessee may at any time mortgage all or any part of its interest in the Lease and rights under this Lease and/or enter into a collateral assignment of all or any part of its interest in the Lease or rights under this Lease to any entity (“**Lender**”). No Lender shall have any obligations under this Lease until such time as it exercises its rights to acquire Lessee’s interests subject to the lien of Lender’s mortgage by foreclosure or otherwise assumes the obligations of Lessee directly.

(b) **Notice.** Lessee shall notify Lessor of the identity and notice address for any Lender. Lessor and Lessee agree that, once all or any part of Lessee’s interests in the Lease are mortgaged or assigned to a Lender, they will not modify or terminate this Lease without the prior written consent of the Lender.

(c) **Lender Right to Cure Lessee Default.** Lessor agrees that any Lender shall have the right to make any payment and to do any other act or thing required to be performed by Lessee under this Lease, and any such payment, act or thing performed by Lender shall be effective to prevent an Event of Default by Lessee and any forfeiture of any of Lessee’s rights under this Lease as if done by Lessee itself.

(d) **Notice from Lessor to Lender in Case of Lessee Default.** During the time all or any part of Lessee’s interests in this Lease are mortgaged or assigned to any Lender, if Lessee defaults under any of its obligations and Lessor is required to give Lessee notice of the default Lessor shall also be required to give Lender notice of the default. If Lessor becomes entitled to terminate this Lease due to an uncured default by Lessee, Lessor will not terminate this Lease unless it has first given written notice of the uncured default and of its intent to terminate this Lease to the Lender and has given the Lender at least thirty (30) days from receipt of such notice to cure the default to prevent termination of this Lease. If within such thirty (30) day period the Lender notifies the Lessor that it must foreclose on Lessee’s interest or otherwise take possession of Lessee’s interest under this Lease in order to cure the default, Lessor shall not terminate this Lease and shall permit the Lender a reasonable period of time necessary for the Lender, with the exercise of due diligence, to foreclose or acquire Lessee’s interest under this Lease and to perform or cause to be performed all of the covenants and agreements to be performed and observed by Lessee. The time within which Lender must foreclose or acquire Lessee’s interest shall be extended to the extent Lender is prohibited by an order or injunction issued by a court or the operation of any bankruptcy or insolvency law from commencing or prosecuting the necessary foreclosure or acquisition.

(e) **Recognition of Lender as Successor.** The acquisition of all or any part of Lessee’s interests in the Lease by any Lender through foreclosure or other judicial or nonjudicial proceedings in the nature of foreclosure, or by any conveyance in lieu of foreclosure, shall not require the consent of Lessor nor constitute an Event of Default or default of this Lease by Lessee, and upon the completion of the acquisition or conveyance Lessor shall acknowledge and recognize Lender as Lessee’s proper successor under this Lease upon Lender’s cure of any existing Lessee defaults and assumption of the obligations of Lessee under this Lease prospectively.

(f) **New Lease.** If this Lease is rejected by a trustee or a debtor-in-possession in any bankruptcy or insolvency proceeding Lessor may agree, upon request by any Lender within sixty (60) days after the rejection or termination, to execute and deliver to Lessee or Lender a new lease for the Premises which (i) shall be effective as of the date of the rejection or termination of this Lease, (ii) shall be for a term equal to the remainder of the Term before giving effect to such rejection or termination, and (iii) shall contain the same terms, covenants, agreements, provisions, conditions and limitations as are contained in this Lease (except for any obligations or requirements which have been fulfilled by Lessee or Lender prior to rejection or termination). Prior to the execution and delivery of any such new lease Lessee, or Lender, shall (i) pay Lessor any amounts which are due Lessor from Lessee, (ii) pay Lessor any and all amounts which would have been due under this Lease but for the rejection or termination from the date of the rejection or termination to the date of the new lease and (iii) agree in writing to perform or cause to be performed all of the other covenants and agreements to be performed by Lessee under this Lease to the extent Lessee failed to perform them prior to the execution and delivery of the new lease.

Section 6.2 Assignment of Lessee's Interest

Lessee and any successor or assign of Lessee shall at all times have the right, without need for Lessor's consent, to do any of the following with respect to all or any portion of the Premises for solar energy purposes: grant co-leases, separate leases, subleases, easements, licenses or similar rights (however denominated) to one or more third parties; or sell, convey, lease, assign, mortgage, encumber or transfer to one or more third parties or to any affiliate of Lessee's this Lease, or any right or interest in this Lease, or any or all right or interest of Lessee in the Premises or in any or all of the Solar Facilities that Lessee or any other party may now or hereafter install on the Premises provided that (i) any such assignment, transfer or conveyance shall not be for a period beyond the Term of this Lease; (ii) the assignee or transferee shall be subject to all of the obligations, covenants and conditions applicable to the Lessee; and (iii) Lessee shall not be relieved from liability for any of its obligations under this Lease by virtue of the assignment or conveyance unless Lessee assigns or conveys all of its interests under the Lease to the assignee or transferee, in which event Lessee shall have no continuing liability. Upon any assignment or transfer of any or all of Lessee's interests hereunder, Lessee shall provide notice of such assignment or transfer to Lessor, together with contact information for the assignee or transferee (including name, address and phone number), but failure to provide such contact information shall not be considered a default hereunder.

Section 6.3 Continuing Nature of Obligations

(a) **Benefits are "In Gross".** The easements and related rights granted by Lessor in this Lease to Lessee are easements "in gross", which means, among other things, that they are interests personal to and for the benefit of Lessee, and its successors and assigns, as owner of the rights created by the easements granted herein. Such easements and other rights granted Lessee by Lessor in this Lease are independent of any lands or estates or interest in lands, there is no other real property benefiting from the easements and related rights and, as between the Premises and other tracts of property on which Lessee may locate Solar Facilities, no tract is considered dominant or servient as to the other.

(b) **Burdens Run With and Against the Land.** The burdens of the easements and related rights granted to Lessee in this Lease shall run with and against the Property and shall be a charge and burden on the Property and shall be binding upon and against Lessor and its successors, assigns, permittees, licensees, lessees, employees and agents. The Lease and the easements and related rights granted herein shall inure to the benefit of Lessee and its successors, assigns, permittees, licensees and Project lessees.

ARTICLE VII. Condemnation

Section 7.1 Effect of Condemnation

If eminent domain proceedings are commenced against all or any portion of the Premises, and the taking and proposed use of such property would prevent or adversely affect Lessee's construction, installation or operation of Solar Facilities on the Premises, at Lessee's option, the parties shall either amend this Lease to reflect any necessary relocation of the Solar Facilities which will preserve the value and benefit of the Lease to Lessee, together with any corresponding payments, or this Lease shall terminate in which event neither party shall have any further obligations.

Section 7.2 Condemnation Proceeds

All payments made by a condemnor on account of a taking by eminent domain shall be the property of the Lessor, except that Lessee shall be entitled to any award or amount paid for the reasonable costs of removing or relocating any of the Solar Facilities or the loss of any such Solar Facilities or the use of the Premises pursuant to the Lease. Lessee shall have the right to participate in any condemnation proceedings to this extent. No termination of this Lease under Section 7.1 shall affect Lessee's right to receive any award to which Lessee is entitled under this Section 7.2.

ARTICLE VIII. Default/Termination

Section 8.1 Events of Default

Each of the following shall constitute a "**Event of Default**" that shall permit the non-defaulting party to terminate this Lease or pursue other remedies available at law or equity, subject to the terms and conditions of Article VI.

- (i) any failure by Lessee to pay any undisputed amounts due under Article III if the failure to pay continues for thirty (30) days after written notice from Lessor;
- (ii) any other breach of this Lease by either party which continues for thirty (30) days after written notice of default from the nondefaulting party or, if the cure will take longer than thirty (30) days, the length of time necessary to effect cure as long as the defaulting party is making diligent efforts to cure during that time, but not more than ninety (90) days.

Section 8.2 Surrender

Upon the termination or expiration of this Lease, Lessee shall peaceably surrender the Premises to Lessor and remove all Solar Facilities from the Premises at Lessee’s expense within twelve (12) months after the date the Lease expires or is terminated as required pursuant to Section 4.3 of this Lease. Lessee shall pay Annual Rent to Lessor for the period until the Solar Facilities are removed from the Premises, which obligation shall survive the expiration or earlier termination hereof.

Section 8.3 Damages

Lessor acknowledges and agrees that should Lessor breach any of its obligations hereunder or otherwise fail to permit Lessee to exercise any of the rights and privileges granted herein, damages would be difficult to calculate and money damages would not be sufficient to compensate Lessee for such breach, and therefore, Lessor agrees that Lessee shall have the right to seek specific enforcement of this Lease. In that event, Lessor agrees that Lessee has no adequate remedy at law, and that an order of specific performance may be granted in favor of Lessee.

ARTICLE IX. Miscellaneous

Section 9.1 Notice

Notices, consents or other documents required or permitted by this Lease must be given by personal delivery, reputable overnight courier or certified U.S. mail postage prepaid and shall be sent to the respective parties as follows (or at such other address as either party may designate upon written notice to the other party in the manner provided in this paragraph) and shall be deemed delivered upon actual delivery or refusal, if personally delivered, upon the date of actual delivery or refusal shown on the courier’s delivery receipt if sent by overnight courier and on the fourth business day after deposit in the U.S. mail if sent by certified mail:

Section 9.2 Relationship of the Parties; No Third Party Beneficiaries

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party. Except for the rights of Lenders set forth above, no provision of this Lease is intended to nor shall it in any way inure to the benefit of any third party so as to constitute any such person a third party beneficiary under this Lease, or of any one or more of the terms of this Lease, or otherwise give rise to any cause of action in any person not a party to this Lease.

Section 9.3 Entire Agreement

It is mutually understood and agreed that this Lease constitutes the entire agreement between Lessor and Lessee and supersedes any and all prior oral or written understandings, representations or statements, and that no understandings, representatives or statements, verbal or written, have been made which modify, amend, qualify or affect the terms of this Lease. This Lease may not be amended except in a writing executed by both parties.

Section 9.4 Legal Matters.

(a) This Lease is made in Kentucky and shall be governed by the laws of the State of Kentucky. If the parties are unable to resolve amicably any dispute arising out of or in connection with this Lease, they agree that such dispute shall be resolved in a federal court located in Kentucky.

(b) Notwithstanding anything to the contrary in this Lease, neither party shall be entitled to, and each of Lessor and Lessee hereby waives any and all rights to recover, consequential, incidental, and punitive or exemplary damages, however arising, whether in contract, in tort, or otherwise, under or with respect to any action taken in connection with this Lease.

(c) EACH OF THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON THIS LEASE, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS LEASE AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF ANY PARTY HERETO. EACH OF THE PARTIES TO THIS LEASE WAIVES ANY RIGHT TO CONSOLIDATE ANY ACTION IN WHICH A JURY TRIAL HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. THIS PROVISION IS A MATERIAL INDUCEMENT TO EACH OF THE PARTIES FOR ENTERING INTO THIS LEASE.

Section 9.5 Cooperation

Each of the parties, without further consideration, agrees to execute and deliver such additional documents and take such action as may be reasonably necessary to carry out the purposes and intent of this Lease and to fulfill the obligations of the respective parties. If, at any time during the Term, Lessee deems it to be necessary or desirable to meet legal or regulatory requirements, Lessee may request that Lessor re-execute a new lease substantially in the form of this Lease with a term equal to the Term remaining as of the date of execution of the new lease, and Lessor shall execute and enter into the new lease with Lessee or its designee. In the event of inaccuracies or insufficiencies in the legal description of the Property, this Lease shall be amended to correct the inaccuracies or insufficiencies. Furthermore, Lessor agrees to negotiate in good faith to grant an easement to a utility over the Premises if needed in connection with the transmission of electricity generated by the Project.

Section 9.6 Waiver

Neither party shall be deemed to have waived any provision of this Lease or any remedy available to it unless such waiver is in writing and signed by the party against whom the waiver would operate. Any waiver at any time by either party of its rights with respect to any rights arising in connection with this Lease shall not be deemed a waiver with respect to any subsequent or other matter. In the event that Lessee makes any overpayments to Lessor hereunder, Lessee shall offset the amount of such overpayments to Lessor against future payments due to Lessor from Lessee hereunder.

Section 9.7 Force Majeure

Neither Lessor nor Lessee shall be liable to each other, or be permitted to terminate this Lease, for any failure to perform an obligation of this Lease to the extent such performance is prevented by a Force Majeure, which shall mean an event beyond the control of the party affected and which, by exercise of due diligence and foresight, could not reasonably have been avoided. Unanticipated Project costs do not constitute a Force Majeure event.

Section 9.8 Confidentiality

The parties acknowledge that prior to the execution of this Lease, neither party may require the other party to maintain the confidentiality of any negotiations or the terms of the Agreement. After the Effective Date, however, both parties shall maintain in confidence, for the benefit of the other party, all information pertaining to the financial terms of or payments under this Agreement. Neither party will use such information for its own benefit, publish or otherwise disclose it to others, or permit its use by others for their benefit or to the detriment of the other party. Notwithstanding the foregoing, each party may disclose such information to such party's lenders, attorneys, accountants and other advisors; any prospective purchaser or lessee of such party's interests in Premises; or pursuant to lawful process, subpoena or court order requiring such disclosure, provided the party making such disclosure advises the party receiving the information of the confidentiality of the information. The provisions of this Section 9.8 shall survive the termination or expiration of this Lease.

Section 9.9 Tax Credits

If under Legal Requirements the holder of a leasehold interest in the nature of that held by Lessee under this Lease becomes ineligible for any tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal governmental authority, then, at Lessee and Lessor's option, Lessor and Lessee may amend this Lease or replace it with a different instrument so as to convert Lessee's interest in the Premises to a substantially similar interest that makes Lessee eligible for such tax credit, benefit or incentive.

Section 9.10 Severability

Each provision hereof shall be valid and shall be enforceable to the extent not prohibited by law. If any provision hereof or the application thereof to any person or circumstance shall to any extent be invalid or unenforceable, the remaining provisions hereof, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby.

Section 9.11 Counterparts

This Lease may be executed in two or more counterparts and by different parties on separate counterparts, all of which shall be considered one and the same agreement and each of which shall be deemed an original.

Section 9.12 Memorandum of Lease

Lessor and Lessee shall execute in recordable form and Lessee shall have the right to record a memorandum of this Lease in a form provided by Lessee. Lessor hereby consents to the recordation of the interest of an assignee in the Premises. Upon the termination of the Lease, at the request of Lessor, Lessee agrees to provide a recordable acknowledgement of such termination to Lessor.

Section 9.13 Relationship of Parties

The duties, obligations and liabilities of each of the parties are intended to be several and not joint or collective. This Lease shall not be interpreted or construed to create an association, joint venture, fiduciary relationship or partnership between Lessor and Lessee or to impose any partnership obligation or liability or any trust or agency obligation or relationship upon either party. Lessor and Lessee shall not have any right, power, or authority to enter into any agreement or undertaking for, or act on behalf of, or to act or be an agent or representative of, or to otherwise bind, the other party.

Section 9.14 Multiple Owners

Notwithstanding anything to the contrary in this Lease or elsewhere, any obligation under this Lease for Lessee to pay Lessor any amount will be completely and unconditionally satisfied by payment of such amount by Lessee to the party named for Lessor in Section 9.1 at the address for

such party given in Section 9.1, or such other single address designated by not less than thirty (30) days' prior written notice to Lessee signed by all parties comprising Lessor. At Lessee's election such payment may be by joint check or checks payable to the Lessor parties known to Lessee. The parties comprising Lessor shall be solely responsible to notify Lessee in writing of any change in ownership of the Property or any portion thereof. Each of the parties comprising Lessor hereby irrevocably directs and authorizes Lessee to make all payments payable to Lessor under this Lease and to provide all notices to Lessor under this Lease directly to the party named in Section 9.1 as agent for all parties comprising Lessor, or to such other single person that all parties comprising Lessor shall direct by written notice to Lessee. The parties comprising Lessor shall be solely responsible for distributing their respective shares of such payments between themselves. The parties comprising Lessor shall resolve any dispute they might have between themselves under this Lease or any other agreement regarding any amount paid or payable to Lessor under this Lease or the performance of any obligation owed to Lessor under this Lease and shall not join Lessee in any such dispute or interfere with, delay, limit or otherwise adversely affect any of the rights or remedies of Lessee under this Lease in any way; provided, this will not limit the rights of Lessor under this Lease to enforce the obligations of Lessee under this Lease and so long as all parties comprising Lessor agree on pursuing such right or remedy and so notify Lessee in writing.

IN WITNESS WHEREOF, the undersigned have caused this instrument to be executed as of the Effective Date.
