

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

AN EXAMINATION OF THE APPLICATION)	
OF THE FUEL ADJUSTMENT CLAUSE OF)	
EAST KENTUCKY POWER COOPERATIVE,)	CASE NO. 2020-00246
INC. FROM NOVEMBER 1, 2019 THROUGH)	
APRIL 30, 2020)	

MOTION TO SUBMIT

Comes now East Kentucky Power Cooperative, Inc. (“EKPC”), by and through counsel, pursuant to the August 19, 2020 Order of the Kentucky Public Service Commission (“Commission”) other applicable law, and for its Motion to Submit this case for an adjudication based upon the existing administrative record and without a formal evidentiary hearing, respectfully states as follows:

The Commission issued its Order establishing this case on August 19, 2020. The Order included the Commission’s initial set of information requests, which were answered by EKPC on September 4, 2020. No supplemental requests for information have been received and there are no intervenors in this proceeding. The August 19th Order allows EKPC to request or waive a hearing on or before October 6th. EKPC believes that the issues presented in this case are straightforward and have been adequately addressed through the written discovery and the Motion for Confidential Treatment that was filed contemporaneous with EKPC’s responses. The interests of administrative economy favor avoiding a formal hearing when it would be unlikely to result in the development of any additional facts. Moreover, EKPC is unaware of any contested issues for

which clarification might be necessary or advisable. Accordingly, EKPC does not believe that a formal evidentiary hearing is necessary in this case and moves to submit the case for an adjudication based upon the existing administrative record without a formal evidentiary hearing.

WHEREFORE, on the basis of the foregoing, EKPC respectfully moves to submit this case for an adjudication based upon the existing administrative record and without a formal evidentiary hearing.

This 30th day of September, 2020.

Respectfully submitted,

David S. Samford
