**Motion to Postpone Local Public Hearing**

---

Comes the Applicant, Vertical Bridge Development, LLC, (“Vertical Bridge” or “Applicant”), by counsel, and hereby respectfully submits this Motion to postpone the upcoming local public hearing for the following reasons.

1) On September 24, 2021, the Commission entered its Order scheduling the local public hearing to take place on October 8, 2021 in Graves County, Kentucky. The ordering paragraphs identified only New Cingular Wireless PSC, LLC d/b/a AT&T Mobility (“AT&T Mobility”) as the Applicant, providing that AT&T must provide a representative at the local public hearing and provide the requisite notice for the local public hearing.

2) Upon review of this Order, it became apparent that the parties are not adequately represented or portrayed in the underlying Application. As a result, the styling of the case as well as the Application require amendment to properly reflect the pending matter. At this time, Vertical Bridge is addressing these issues and hopes to have each resolved in a timely fashion.

3) Due to the pending issues with the styling of the case and the application, Vertical Bridge believes that it would be problematic to move forward with the local public hearing as scheduled until these matters are resolved.

WHEREFORE, Applicant Vertical Bridge Development, LLC respectfully requests that the Commission enter an Order postponing the local public hearing until a later date to be agreed upon by the parties and the Commission.

Respectfully submitted,
