*RE: Petition for Approval of Construction of Residuals Handling Equipment,  
Case No. 2020-00283*

Dear Mr. Chandler:

The Northern Kentucky Water District hereby submits the attached petition for approval to acquire and install residuals handling equipment and related improvements at its Fort Thomas Treatment Plant as an ordinary extension of existing facilities in the usual course of business. A petition for confidentiality is also being filed for portions of Exhibit A. The confidential material is being filed separately pursuant to the Commission's orders applicable to the COVID-19 pandemic emergency.

I certify that the electronic documents are true and correct copies of the original documents and that one paper copy of this filing will be submitted to the Commission within the timeframe specified in the Commission's orders applicable to COVID-19. No party has been excused from service by electronic means.

If you have any questions or need further information, please contact me at the phone number or email address below.

Sincerely,

A handwritten signature in blue ink that reads "T. Alex Mattingly". There is a small blue mark above the signature.
