**Bluegrass Water’s Motion for Informal Conference**

---

Bluegrass Water Utility Operating Company, LLC (“Bluegrass”), the Applicant in this, hereby moves for an informal conference in this matter, to be held on March 17, 18 or 19, 2021.

In support of this motion, Bluegrass states as follows:

1. The 2/12/21 Order excluded the Case No. 2020-00297 systems (“00297 systems”) from consideration in this matter for an adjustment of rates. Bluegrass filed its Motion to Alter that Order on March 4, 2021, requesting that the Commission allow the 00297 systems to continue as part of the rate matter for the reasons discussed at length therein.

2. Bluegrass would like to discuss the course for moving forward to a final decision in this case, in light of the recent Order and Motion in the case at this stage of investigation and since the forecasted test year (which includes the 00297 systems) was established to start May 1, 2021, and rates are suspended through June 19, 2021.

3. Bluegrass suggests that the informal conference would not take more than two (2) hours, and asks that it be held on March 17, 18 or 19, 2021. Bluegrass believes that meeting via telephone or Zoom is appropriate due to the current COVID restrictions.

4. If the conference cannot be scheduled on March 17, 18 or 19, 2021, Bluegrass requests that undersigned counsel be contacted to discuss alternative scheduling for a day and time feasible for key participants from Bluegrass.

WHEREFORE, Bluegrass respectfully requests scheduling of an informal conference in this matter, to be held if possible on March 17, 18 or 19, 2021.

Respectfully submitted,
