Re: PSC Case No. 2020-00290 (*Electronic Application* etc.);  
Read1st document for Base Year update filing

Dear Ms. Bridwell:

Bluegrass Water Utility Operating Company, LLC (“Bluegrass Water”), through counsel, submits this cover letter for its electronic filings in this case, serving as the Read1st introductory file. The filings made are Applicant’s Notice of Filing with an attachment of 69 pages of print-outs and 27 Excel files (.xlsx format), to present actual results for the entire base period (calendar year 2020). A list of the names of those 27 Excel files, without the connecting underscores etc. required for electronic filing, is attached to this Read1st cover letter. This filing may be made in two parts, given the large number of Excel files to be uploaded.

In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that no party has been excused from electronic filing procedures or participation in electronic service. To the extent applicable, Bluegrass Water will file one copy of the Applicant’s Notice of Filing and one copy of each Excel file with the Commission in paper medium or other medium (*e.g.*, CD-ROM or thumb drive) within 30 days of the lifting of the state of emergency pursuant to the Commission’s 3/16/20 and 3/24/20 Orders in Case No. 2020-00085. In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that the electronically filed documents are a true representation or copy of the same documents that are filed later in paper or other medium.

Sincerely,

/s/ Katherine K. Yunker
