Re: PSC Case No. 2020-00290 (*Electronic Application etc.*);
Read1st document for Base Year update filing — correction

Dear Ms. Bridwell:

Bluegrass Water Utility Operating Company, LLC (“Bluegrass Water”), through counsel, submits this cover letter for its electronic filing in this case, serving as the Read1st introductory file. The filing made is the Applicant’s Notice of Filing with an attachment of 69 pages of print-outs. This was the intended filing earlier today in part 1 of 2 filings that was a mixture of PDF and Excel files; however, the Applicant’s Notice of Filing was filed earlier without the attachment.

In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that no party has been excused from electronic filing procedures or participation in electronic service. Bluegrass Water will file one copy of the Applicant’s Notice of Filing within 30 days of the lifting of the state of emergency pursuant to the Commission’s 3/16/20 and 3/24/20 Orders in Case No. 2020-00085. In accordance with 807 KAR 5:001 § 8(7), filing counsel certifies that the electronically filed documents are a true representation or copy of the same documents that are filed later in paper or other medium.

Sincerely,

/s/ Katherine K. Yunker
