

**COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION**

In the matter of:

ELECTRONIC INVESTIGATION OF)	
INTERCONNECTION AND NET)	Case No. 2020-000302
METERING GUIDELINES)	

MOTION TO FILE LATE

Come now Joint Intervenors Earth Tools, Inc.m and Mountain Association, and respectfully request leave to file the attached notice regarding their position on additional scheduling in this matter. In support of this Motion Joint Intervenors state that the Commission’s scheduling Order of March 12, 2026, stated that “[t]he last day for parties to request a public hearing or submit a request for the matter to be decided based upon the written record is April 23, 2026.” Joint Intervenors stated their position in both in their Supplemental Brief of April 06 and their Supplemental Response Brief of April 20, 2026 that no hearing is necessary, but that additional informal collaboration prior to any reforms to the interconnection guidelines would be productive. No party has requested a hearing, and Joint Intervenors’ attached notice reiterates their earlier position.

Respectfully Submitted,
