RE: KY PSC Case No. 2020-00302

Dear Ms. Bridwell:

In compliance with 807 KAR 5:001, Section 8(5), undersigned counsel provides this transmittal letter as the Read1st document. The electronic filing contains Kentucky Solar Industries Association, Inc.'s Supplemental Response to Commission Staff's First Request for Information and this Read1st document. The paper filing transmitted to the Commission differs from the electronic filing in that the paper filing includes an original copy of the *IEEE Standard for Interconnection and Interoperability of Distributed Energy Resources with Associated Electric Power Systems Interfaces* (which is omitted from the electronic filing).

Undersigned counsel certifies that, pursuant to the Commission's Orders, including the July 22, 2021 Order, in Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus Covid-19*, the paper is not required to be filed. However, in support of its Motion for Deviation, filing in paper medium is also made through transmission of the material to the Commission's offices. Counsel certifies that the differences between the electronic filing and paper filing are as described in this letter.

Please contact me if you have any questions regarding this filing.

Respectfully submitted,

/s/ David E. Spenard
