Alternative Rate Filing Adjustment

Dear Mr. Chandler:

Enclosed for filing in the referenced case is Cawood Water District's ARF Application for an adjustment to its water rates. The ARF Application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2019 as the test year with appropriate adjustments to normalize revenues and expenses. The District proposes to increase rates in two phases with implementation of the second phase to occur one year after the effective date of the first phase.

I certify that the District's electronic filing of this Application is a true and accurate copy of the same documents that will be delivered to the PSC in paper medium within 30 days following the end of the current state of emergency.

The Attorney General's Office of Rate Intervention has also been provided a copy of this application by electronic mail.

My electronic mail address is [rfscruggs@harlanonline.net](mailto:rfscruggs@harlanonline.net).

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Scruggs".
