

KENERGY CORP.'S RESPONSES TO COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION

1 **RESPONSES:**

2

3 a. 10 as of October 2020.

4 b. No. Kenergy has not migrated any net metering members from
5 Schedule 43 to Schedule 46 yet. Kenergy proposed sending a letter to each member
6 giving them the option to move to schedule 46 or stay on Schedule 43 if they wish, but
7 Kenergy is waiting on approval from the Commission to do so.

8 c. Kenergy is currently placing net meter members on Schedule 43. 42
9 members have been added to Schedule 43 since October 13, 2020, and zero have been
10 added to Schedule 46.

Item 2: Provide the historical rural load, the historical net metering load, and percentage of net metering as a portion of the rural load, per month, since August 2020.

RESPONSE:

The term net metering load implies a pull or draw on the system. From the way the question is written, it appears that net metering capacity is being requested. See Attachment A for this data.

Item 4:

- a. Provide a list of Kenergy's net metering customers, including those that may be currently receiving service erroneously under Schedule 43 instead of Schedule 46.
- b. Provide these customers' individual net metering load, b month, since July 31, 2020.

RESPONSE:

- a. See Attachment C for a list of net metering members as of the date September 26, 2021.
- b. See Attachment D for members' net metering capacity.
