

November 4, 2020

Kentucky Public Service Commission  
Attn: Kent Chandler, Executive Director  
211 Sower Boulevard  
Frankfort, Kentucky 40602

Dear Mr. Chandler:

Enclosed for electronic filing is Duke Energy Kentucky's ("Duke") revised "Quarterly Report of Gas Cost Calculations and Tariff Schedules," for the month commencing with the December 2020 revenue month in accordance with KPSC order dated October 13, 2020 in Case No. 2020-00334. Subsequent to the filing on October 29, 2020, there was a gas supplier contract change that impacted the Expected Gas Cost Component necessitating a revised filing. This filing is based on supplier tariff rates expected to be in effect on December 1, 2020 and the NYMEX close on October 27, 2020 for the months of December 2020 and January and February 2021. An original will be sent within the required two (2) business days

The above described tariff is effective with the final meter readings of District 1, December 2020 revenue month (i.e., final meter readings on and after December 1, 2020).

Duke's proposed GCA is \$3.868 per Mcf. This rate represents an increase of \$1.079 per Mcf from the rate currently in effect for November 2020.

Very truly yours,

/s/ Dana R. Patten
