To Whom it May Concern,

Pursuant to Public Service Commission Order in Case No. 2019-00056, Johnson County Gas Company encloses for filing with the Commission a copy of the original data submitted pursuant to the requirements of the Gas Cost Adjustment Provision contained in Johnson County tariff for its October quarterly Gas Cost Adjustment ("GCA"). Johnson County realizes the filing is late and ask for consideration for difficulties getting invoices from suppliers needed in order to file the GCA. These documents are being filed electronically in accordance with the Commissions Order entered in Case No. 2020-00085. Johnson County Gas will submit the same documents in paper medium once the State of Emergency has ceased.

Please feel free to contact me at (606)789-5481 or bandhgas@mikrotec.com if there are any questions.

Sincerely,

Bud Rife, President
