**STATUTORY NOTICE**

Kentucky Utilities Company (“KU”), by counsel, informs the Kentucky Public Service Commission (“Commission”) that it is engaged in business as an operating public utility, principally furnishing retail electric service within 77 counties in the Commonwealth of Kentucky.

Pursuant to KRS 278.180, KU hereby gives notice to the Commission that, on November 25, 2020, it files herewith its application for adjustment of rates and proposes to adjust its rates in conformity with the tariff sheets (“the revised tariffs”) attached to the application at Tab 4 of the Filing Requirements and made a part hereof by reference.

KU proposes to change its existing rates, terms and conditions in its tariffs for electric service, now on file with and approved by the Commission, by substituting the revised tariff sheets (which are filed as incorporated into the application that is included in this electronic filing) for the corresponding tariff sheets in its existing tariff.

Notice is further given that the stated effective date for the changes in rates is January 1, 2021, greater than thirty days from the date of filing, pursuant to KRS 278.180 and 807 KAR 5:011. KU files its application and provides this notice with the expectation that the Commission

will subsequently order the customary six-month suspension of the proposed rates pursuant to KRS 278.190. KU, therefore, requests that the Commission conduct its review during this suspension period and issue an order permitting new base rates to take effect for service rendered on and after July 1, 2021.

Notice to the public of the proposed rates is being given through various actions as prescribed by the Commission's Order of November 10, 2020 in this proceeding, including by posting a complete copy of the application in this case on KU's website, and by exhibiting the notice to the public for public inspection at the offices and places of business of KU, including its main office, in the territory affected thereby, to-wit, at the following places:

A Certificate of Completed Notice will be filed with the Commission in accordance with 807 KAR 5:011, Section 8 (3).

Additional information required by the Commission's regulations is contained in the application filed herewith and made a part hereof by reference.

Submitted to the Commission this 25th day of November, 2020.
