Case No. 2020-00350

Dear Ms. Bridwell:

Please find enclosed four flash drives containing the data produced by Kentucky Utilities Company and Louisville Gas and Electric Company (collectively, the "Companies") in their response to Item 22(e) of the Commission Staff's Eighth Request for Information. These flash drives are being produced in connection with the Commission's disposition of the Companies' *Joint Motion for Approval to Deviate from Rule Deviation*.

The four flash drives and this letter in paper medium are being delivered to your Office by expedited courier for overnight delivery. Access to this data is presently available using the law firm's HighQ site in a folder that is available to the Commission and all parties to this case. Please note that file is a direct PROSYM output file. It is a text file that can be opened using a text editor like Wordpad or Notepad. The file is very large and may be slow to open due its size.
