JOINT ERRATA FILING

Kentucky Utilities Company (“KU”) and Louisville Gas and Electric Company (“LG&E”) (collectively, the “Companies”), by counsel, hereby give notice of the following correction to the Direct Testimony of Lonnie E. Bellar filed with their respective applications on November 25, 2020.

At page 47 (line 15), both references to “MOAP” are corrected to say “MAOP” and the phrase “15 psig to 60 psig” is corrected to say “10 psig to 60 psig.” At page 56, Mr. Bellar states:

“The following table is in Exhibit LEB-3 (see p. 4) and summarizes our analysis in millions for the period 2021-2050.” After that, a table is presented, but the table has different values than the table at page 4 of Exhibit LEB-3. The table at page 4 of Exhibit LEB-3 has the correct values. Therefore, Mr. Bellar’s testimony is hereby corrected by replacing the table on page 56 of the testimony with the following table which is identical to the table at page 4 of Exhibit LEB-3.

Table 1: PVRR Summary (\$M, 2020 Dollars, 2021-2050)

| Alternative | AMR Becomes Obsolete | | AMR Remains Viable | | AMR Obsolescence Risk (A less B) |
|---------------------------------|----------------------|--------------------------|--------------------|--------------------------|----------------------------------|
| | PVRR (A) | PVRR Delta to Status Quo | PVRR (B) | PVRR Delta to Status Quo | |
| Status Quo | 734.2 | 0.0 | 729.9 | 0.0 | 4.3 |
| Full AMI | 683.0 | -51.3 | 683.0 | -47.0 | 0.0 |
| AMI + AMR in Gas-Only Territory | 680.9 | -53.3 | 679.6 | -50.4 | 1.3 |
| Full AMR | 749.3 | 15.0 | 687.8 | -42.1 | 61.4 |

This also means that the references to \$46.4 million in Mr. Bellar’s testimony at pages 53 (line 20), 55 (line 20), and 60 (line 2) are hereby replaced with \$53.3 million as indicated in the table above.

Dated: March 2, 2021

Respectfully submitted,

Kendrick R. Riggs
