P.O. Box 447 • Betsy Layne, Kentucky 41605 • 606-478-5264

Hello B&H Gas Company Customers,

B&H Gas Company's base rates have not changed since 1991. Due to the lack of rate increases, we have operated at a loss for years. Operational losses cannot continue. It is vital that we maintain sufficient cash flow to sustain operations and to provide safe, reliable service to you and your families.

A rate increase is required to simply break even each year. As the costs associated with providing gas service increases, as they have over the past 29 years, we must be able to cover those costs through the rates charged for services. The increase required at this time is a direct result of all of those years without.

Below are the details of the adjustment we have requested:

Pursuant to the procedures set forth in 807 KAR 5:076, please take notice that on or before November 6, 2020, B & H Gas Company will seek approval by the Kentucky Public Service Commission for an adjustment of its monthly rates for natural gas service. The rate adjustment will apply to all B & H Gas Company customers. The increase will be effective on May 6, 2021, or sooner if approved by the Kentucky Public Service Commission.

If approved, the rates will increase as follows:

Present Rate			Proposed Rate			Change (\$)	Change (%)		
Base Rate	Gas Cost Rate	Total	Base Rate	Gas Cost Rate	Total				
Customer Charge	\$0	\$0	Customer Charge	\$17.9500	\$17.9500	\$17.9500	New
