Re: Renewed Notice of Intent to File Application of Fleming Solar, LLC for a Certificate of Construction for an approximately 80 Megawatt Merchant Solar Electric Generating Facility in Fleming County, Kentucky

To Whom It May Concern:

On November 16, 2020, pursuant to KRS 278.700, et seq., and 807 KAR 5:110, Section 2 Fleming Solar, LLC (Fleming Solar) submitted for filing its Notice of Intent to file an application and was assigned Case No. 2020-00370. Now, Fleming Solar submits this Renewed Notice of Intent to file an application for a Certificate of Construction for an approximately 80 MW solar facility ("Fleming Solar Project") in Fleming County, Kentucky.

a. The name, address and telephone number of the person who intends to file the application is:

Fleming Solar, LLC
1221 South MoPac Expressway, Suite 225
Austin, TX 78746
Phone: (713) 501-8515
Attention: Dominic Salinas
Email: dominic@coresolar.energy

b. The proposed construction that will be the subject of the application is described as follows:

The Fleming Solar Project will consist of approximately 830 acres and will include solar photovoltaic panels and associated racking (approximately 80 MW), approximately 22 inverters, and a project substation transformer which will connect to East Kentucky Power Cooperatives Flemingsburg-Spurlock 138kv transmission line near the City of Flemingsburg in Fleming County, Kentucky.

c. The street address of the proposed Fleming Solar Project is 1258 Old Convict Rd Flemingsburg, KY 41041 and the latitude and longitude are 38°26'33.8"N 83°45'54.6"W.

d. There is no planning or zoning commission with jurisdiction over the Fleming Solar Project site.

e. There are local setback requirements in the Fleming County building code applicable to the Fleming Solar Project site.

f. Pursuant to KRS 278.04(4), the applicant plans to seek a deviation from the setback requirements found in KRS 278.704(2).

Please do not hesitate to contact me if you have any questions or need anything further.

Respectfully submitted,
