NOTICE OF HEARING

Fleming Solar, LLC, is proposing to construct and operate an 80-megawatt AC solar energy project in Fleming County, Kentucky. The proposed project is to be located in unincorporated Fleming County, KY, northwest of the City of Flemingsburg, KY, north of Old Convict Road. The project will be situated on portions of approximately 830 acres which have historically been primarily used for agriculture and farming. The equipment onsite will consist of photo-voltaic solar panels, inverters, a substation transformer, and an associated wiring and balance of system. Learn more about the project at <https://www.coresolarllc.com/fleming-solar>.

The Kentucky State Siting Board on Electric Generation and Transmission Siting is hosting a public hearing in regards to the proposed Fleming Solar Project (Case no. 2020-00370) on Wednesday, September 29, 2021 at 9:00am EDT. The hearing will be streamed live and may be viewed on the PSC website, psc.ky.gov. Public comments may be made at the beginning of the hearing. Those wishing to make oral public comments may do so by following the instructions listed on the PSC website, psc.ky.gov.
