**HENDERSON COUNTY SOLAR LLC’S SUPPLEMENTAL RESPONSE TO  
SITING BOARD STAFF’S FIRST REQUEST FOR INFORMATION**

---

Comes Henderson County Solar LLC (“Henderson Solar”), by and through counsel, and herewith tenders its Supplemental Response to Siting Board Staff’s First Request for Information, Item No. 62, wherein Henderson Solar offered to provide the results of a Glare Study that it had commissioned, and which was only recently received from its consultant. Because only a copy of the Glare Study itself is being provided herein, Henderson Solar is not providing a formal verification from Chris Killenberg, who sponsored and verified the original response and is the individual responsible for furnishing this Supplemental Response.

This 15<sup>th</sup> day of November, 2021.

Respectfully Submitted,

---

62. Explain whether there will be any glare affecting drivers on roads surrounding the Project site, including the Henderson Bypass, Alt 41 A or other roads, as the panels rotate over the course of the day during different times of the year.

**Original Response:**

The Applicant does not anticipate any glare affecting drivers on roads surrounding the Project site. A Glare Study is underway. The results will be shared when available.

**Supplemental Response:**

The Applicant provides the attached Glare Analysis report, dated November 8, 2021, prepared by Copperhead Environmental Consulting Co.
