**RE: Electronic Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity Authorizing KU to Bid on a Franchise Established by the City of Henderson, Case No. 2020-00395**

Dear Ms. Bridwell:

Enclosed please find an Electronic Application for a Certificate of Public Convenience and Necessity (“CCN”), to enable Kentucky Utilities Company (the “Company”) to apply for an electric franchise with the City of Henderson (the “City”) pursuant to KRS 278.020(4). Pursuant to Ordinance No. 30-20, the City Council of Henderson, Kentucky was directed to advertise for bids for the sale of an electric franchise in the City. The Company asks that the Commission enter an Order granting a Certificate of Public Convenience and Necessity to bid for and acquire a franchise from the City on or before December 18, 2020. For many years, the Company has been the owner of a franchise granted by the City to erect facilities for providing electric service to the City and the inhabitants thereof. The franchise to be obtained will replace the previous franchise.

In accordance with 807 KAR 5:001, Section 8, I certify that the electronically filed documents are a true and accurate copy of the same documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on December 8, 2020; that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means; and that the original, will be filed with the Commission within 30 days of the lifting of the state of emergency. If you have any questions, please do not hesitate to contact me.

Very truly yours,
