Motion for Second Extension of Time

The Bronston Water Association, Inc. ("Bronston Water"), by Counsel, hereby files its Motion for a Second Extension of Time to respond to the Commission Staff's First Request for Information, dated January 14, 2021 (the "Request").

Pursuant to the Commission's Order dated January 25, 2021, the Commission granted a Motion to extend the date of filing Bronston Water's Response to January 29, 2021. Bronston Water's accountants had almost completed their responses to the Request when they lost electrical power at their office this morning and could not complete said responses. Kentucky Utilities is in the process of replacing poles at the accountant's office site and advised that power should be restored later this afternoon. As a precaution in case power is not restored, this Motion for a Second Extension of Time is being filed.

Bronston Water hereby requests a second extension to February 5, 2021 to file their responses to the Request. If said responses are completed prior to February 5, 2021, Bronston Water will file same as soon as available.

Respectfully Submitted:
