Re: Direct Testimony of Rachel Wilson on Behalf of Sierra Club in Case No. 2021-4, Electronic Application of Kentucky Power Company for Approval of a Certificate of Public Convenience and Necessity for Environmental Case Project Construction at the Mitchell Generation Station, an Amended Environmental Compliance Plan, and Revised Environmental Surcharge Tariff Sheets

Dear Ms. Bridwell:

Sierra Club submits this cover letter for the resubmitted electronic filing of the Direct Testimony of Rachel Wilson (Public, Redacted version) in Case No. 2021-4, Electronic Application of Kentucky Power Company for Approval of a Certificate of Public Convenience and Necessity for Environmental Case Project Construction at the Mitchell Generation Station, an Amended Environmental Compliance Plan, and Revised Environmental Surcharge Tariff Sheets.

Please note that Ms. Wilson's testimony, including one of her exhibits, contains information that Kentucky Power Company has designated as confidential. Accordingly, Sierra Club is publicly filing only a redacted version of Ms. Wilson's testimony. Sierra Club's redactions were performed exclusively in order to, and only to the extent necessary to, honor and maintain the Company's earlier confidential treatment, which the Commission allowed. In parallel today, Sierra Club will share the confidential, unredacted version of Ms. Wilson's testimony with the Company, Commission Staff, and the other parties who, like Sierra Club, have executed the Non-Disclosure Agreement in force in this proceeding.
