KENTUCKY POWER COMPANY**

Pursuant to the Commission’s August 19, 2021, Order on Kentucky Power Company’s (“KPC” or the “Company”) Motion for Rehearing in the above-captioned proceeding, initial post-hearing requests for information to KPC shall be filed by today, September 20, 2021, and supplemental post-hearing requests for information shall be filed by October 18, 2021.

In light of Commission Staff’s requests for information to KPC dated September 17, 2021, which happen to be substantially similar to what Sierra Club otherwise would have filed as its initial post-hearing data requests, Sierra Club does not have any additional requests for KPC at this time. Sierra Club reserves its right, however, to submit supplemental requests for information next month in accordance with the procedural schedule.
