RE: Petition of North Central Communications to Amend Its Eligible Telecommunications Carrier Designation in the Commonwealth of Kentucky (Case No. 2003-00397) to Include Additional Areas

Dear Director Bridwell:

North Central Communications (“NCC”) by counsel hereby submits its Application for Eligible Telecommunications Carrier (“ETC”) status. The company is requesting that its ETC designation awarded in Case No. 2003-00397 be amended to include census blocks allocated to NCC in the recently concluded FCC Auction 904 so that it may draw federal support to provide services in the additional areas.

Pursuant to Case No. 2020-00085, this petition is being filed electronically with a copy also emailed to PSCED@KY.gov. None of the material being filed here is confidential.

Please call or email me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Eileen M Bodamer".
