RE: Petition of Cellular Services, LLC to Amend Its Eligible Telecommunications Carrier Designation in the Commonwealth of Kentucky (Case No. 2019-00362) to Include Additional Areas

Dear Director Bridwell:

Cellular Services, LLC (“CSL”) by counsel hereby submits its Application for Eligible Telecommunications Carrier (“ETC”) status. The company is requesting that its ETC designation awarded in Case No. 2019-00362 be amended to include census blocks allocated to CSL in the recently concluded FCC Auction 904 so that it may draw federal support to provide services in the additional areas.

Pursuant to Case No. 2020-00085, this petition is being filed electronically and a hard copy version will be provided when the Commission has opened for receipt of paper submissions. None of the material being filed here is confidential.

Please call or email me with any questions.

Sincerely,
