RE: Case No. 2021-00050
Affidavit certifying completion of training program

Dear Ms. Bridwell:

The Kentucky Water Resources Research Institute conducted a 3-hour training workshop on February 23, 2021 at the offices of the Estill County Water District. No water commissioners of the District attended the workshop that focused on revisions to the AWWA Water Audit software. A copy of the attendance report is attached.

The accredited instruction was performed as requested and there were no changes in the presenters or curriculum. If you have any questions or require any further documentation, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Donna McNeil".
