The affiant, Charles G. Williamson III, VP-Finance and CFO of Blue Grass Energy Cooperative Corporation, P. O. Box 990, 1201 Lexington Road, Nicholasville, Kentucky 40340-0990, states that, for the period November 1, 2018, through October 31, 2020, Blue Grass Energy Cooperative Corporation has operated in compliance with each and every provision of the uniform fuel adjustment clause, as prescribed in 807 KAR 5:056, and that no inquiries or complaints regarding the fuel adjustment clause have been received during said period, with the exception listed in the following paragraph.

For the month of July 2020, the FAC factor was entered as (\$0.01019) instead of the correct factor of (\$0.01291.) Upon discovery, Blue Grass Energy notified the commission via a letter dated September 9, 2020 of the error. Blue Grass Energy believes the error is self-correcting through the over/under calculation and has implemented additional procedures to ensure this type of mistake does not happen again.
