East Logan Water District

Dear Ms. Bridwell:

Enclosed for filing in the above-referenced matter is East Logan Water District's ("the District") Water Loss Report for the Second Quarter of Calendar Year 2025 (April 1 – June 30). Regarding its efforts to fund and construct the projects identified in its 2021 Capital Improvement Plan, the status of those efforts remains unchanged except as noted below:

System-wide Meter and Tubing Replacement. The District has completed the replacement of meters and service lines in Bucksville Zone I. A total of 191 meters and service lines were replaced.

System-wide SCADA Improvements Project. The project is expected to be completed with the next two months.

New Service Extension Project. The District has completed water main extensions on three of the five roads identified in the project plans.

Sincerely,

Stoll Keenon Ogden PLLC
