**Re: Case No. 2021-00063
East Logan Water District**

Dear Ms. Bridwell:

Enclosed for filing in the above-referenced matter is East Logan Water District's ("the District") Water Loss Report for the Fourth Quarter of Calendar Year 2023 (October 1 – December 31). Regarding its efforts to fund and construct the projects identified in its 2021 Capital Improvement Plan, the status of those efforts remains unchanged except as noted below:

Billing Computers and Software Upgrade. The upgrade of the District's billing software is near completion and is expected to be operational by March 31, 2024.

System-Wide SCADA Improvements Project. The District is currently upgrading cellular readers on all its master meters.

Main Line Upgrade & Replacement Project. The request for reallocation of Cleaner Water Grant funds for the replacement of the District's Cemetery Tank Water Line is still pending. Work on this project will begin upon approval of the reallocation request.

Sincerely,

Stoll Keenon Ogden PLLC
