**MOTION FOR EXTENSION OF TIME TO RESPOND TO DATA REQUESTS**

---

East Logan Water District, Inc. (“East Logan District”), by counsel, respectfully requests an extension of time to respond to the Commission’s Initial Request for Information. In support of this motion, East Logan District states the following:

On March 10, 2021, the Commission issued an order establishing this matter and issued requests for information. The Commission set a deadline of March 24, 2021 for East Logan District to provide responses to those requests for information. East Logan District has been gathering information and preparing responses to those requests, but it has been unable to complete the responses by the requested due date. Accordingly, East Logan District respectfully requests a fourteen-day extension through April 7, 2021, by which to provide responses to the requests. East Logan District believes its requested extension is reasonable, will not result in undue delay, and is essential to ensure appropriate and adequate responses are thoroughly prepared and finalized.

Respectfully submitted,
