In the Matter of:

MOTION FOR EXTENSION OF TIME TO RESPOND TO DATA REQUESTS

East Logan Water District, Inc. ("East Logan District"), by counsel, respectfully requests a second extension of time to respond to the Commission's Initial Request for Information. In support of this motion, East Logan District states the following:

On March 10, 2021, the Commission issued an order establishing this matter and issued requests for information. The Commission set a deadline of March 24, 2021 for East Logan District to provide responses to those requests for information. The Commission granted an extension through April 7, 2021, at the request of East Logan District in order to compile the necessary information.

East Logan District respectfully requests a second extension through April 14, 2021. Counsel for East Logan District experienced technical issues with its document management system, which has disrupted Counsel's ability to prepare East Logan District's responses to the request for information. East Logan District believes its requested extension is reasonable, will not result in undue delay, and is essential to ensure appropriate and adequate responses are thoroughly prepared and finalized.
