

**COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION**

In the Matter of:

APPLICATION OF KENERGY CORP.)	
FOR AN ADJUSTMENT OF RATES)	CASE NO. 2021-00066
PURSUANT TO STREAMLINED PROCEDURE)	
PILOT PROGRAM ESTABLISHED IN CASE)	
NO. 2018-0407)	

MOTION TO MODIFY ORDER OF MARCH 25, 2021

Comes now **KENERGY CORP.** (“Kenergy”) by and through counsel, and, moves the Commission to modify its Order of March 25, 2021.

The Commission has granted Kenergy the right to use the streamlined rate procedure outlined in case number 2018-00407. That streamlined rate case requires Commission action on the application within seventy-five (75) days which in this filing would be May 25, 2021. The Order of March 25, 2021, suspends Kenergy’s proposed rates for five months or until September 11, 2021.

Kenergy acknowledges the Commission’s staffs work load and the difficulty in obtaining a final order by May 25, 2021. However, Kenergy submits that it should be allowed to put its rates into effect, subject to refund, on May 25, 2021. This proposed procedure is consistent with past non-streamlined rate cases where the Commission was unable to generate a final order at the conclusion of the five month suspension period and the utility was then allowed to place its rates into effect subject to refund at the end of the five month suspension period.

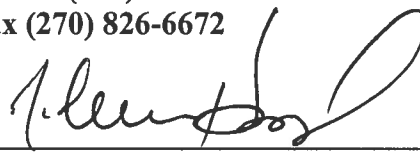

Kenergy's budgeting analysis supporting the proposed increase did not take into account the delay in implementing the rate increase from May 25, 2021, until September 11, 2021. The effect of this delayed implementation would require additional revenue over and above Kenergy's proposed rate request to meet the goals in the Application. Thus, Kenergy requests that its rates go into effect May 25, 2021, but subject to refund upon final order from the Commission.

WHEREFORE, Kenergy respectfully moves the Commission to modify its March 25, 2021, Order accordingly.

Respectfully submitted,
