

## SOLAR LEASE AND EASEMENT AGREEMENT

1. **Parties.** This Solar Lease and Easement Agreement ("**Agreement**") is made and entered as of the 23 day of March, 2021 ("**Effective Date**"), by and between Delnoe Brock and Fay Brock, husband and wife ("**Owner**") and Boulevard Associates, LLC, a Delaware limited liability company ("**Operator**"), which are sometimes individually referred to as a "**Party**" and collectively as the "**Parties**".

2. **Project.** This Agreement relates to the solar-powered electrical power generation and transmission project known as the "Sebree Solar Energy Center" to be located in Henderson County, Kentucky ("**Project**"), which may be wholly or partially located on that portion of the Owner's property legally described on the attached **Exhibit A** and depicted on **Exhibit A-1 as the "Lease Area"** to this Agreement ("**Owner's Property**"). Upon Operator's exercise of the Option (as defined below), the Project shall include (i) the Lease of Owner's Property described in Section 4, (ii) the Easements referenced in Section 5 that are located on the Owner's Property, and (iii) the Improvements referenced in Section 8 to be constructed on Owner's Property. The Lease, Easements and Improvements are sometimes collectively referred to as the "**Operator Property**".

3. **Option.** Owner grants to Operator an exclusive option ("**Option**") to acquire the Lease and Easements referenced in Sections 4 and 5 in accordance with the following terms and conditions. Operator shall be entitled to acquire the Lease and the Easements in their entirety or in part, as Operator deems appropriate.

3.1 **Option Term.** The period during which Operator may exercise the Option shall be for a term of four (4) years, commencing on the Effective Date ("**Option Term**").

3.2 **Option Payment.** As consideration for the granting of the Option, Operator agrees to pay Owner the Option Payment set forth in **Exhibit D**.

3.3 **Use of Owner's Property.** During the Option Term, Operator and its employees, agents and contractors shall have a right to enter upon the Owner's Property and the right of ingress and egress over and across the Owner's Property for the purposes of (i) surveying the Owner's Property; (ii) performing such other tests and studies as Operator may desire in connection with the Option, including, without limitation, environmental, avian and cultural resource assessments, and geotechnical, foundation and soil tests, provided that such activities do not unreasonably interfere with Owner's use of the Owner's Property; and (iii) installing, maintaining, operating, inspecting and removing one or more weather related instruments ("**Weather Instrument**") and fencing of said Weather Instrument and including the performance of all tests and studies associated therewith. Owner shall not permit any other individual or entity except Operator or its affiliates to install a Weather Instrument on Owner's Property.

3.4 **Right to Grant Option.** Owner warrants and represents to Operator that (i) the statements in Section 9 concerning Owner's title to the Owner's Property are true and correct; (ii) Owner has the authority to grant this Option to Operator without the consent or approval of any other party; and (iii) there are no other existing options, rights of first refusal, contracts to

purchase, leases or mortgages that would prevent Operator from exercising its rights with respect to the Option.

3.5 **Exercise of Option.** Operator may exercise the Option by giving written notice to Owner ("**Option Notice**") at any time during the Option Term. Operator shall specify in the Option Notice the Commencement Date referenced in Section 6.1.1. On the Commencement Date, the Lease and Easements referenced in Sections 4 and 5 shall automatically become effective, and the Parties shall be subject to all of the terms and conditions of this Agreement with respect to such Lease and Easements and all rights and obligations relating thereto.

3.6 **Termination of Option.** If Operator fails to exercise the Option within the Option Term, the Option and the rights of Operator as the optionee shall automatically terminate.

4. **Lease.** Upon exercise of the Option by Operator, Owner leases to Operator, and Operator leases from Owner, Owner's Property for the Lease and Easement Term (defined in Section 6.1) in accordance with the terms and conditions of this Agreement ("**Lease**"), which Lease grants Operator and its agents, contractors, and employees the right to use the Owner's Property for the following permitted uses:

4.1 **Construction Right.** Operator leases Owner's Property for the purpose of constructing, operating, maintaining, repairing, replacing, and removing all or any part or component of the Improvements whether located on Owner's Property. Operator may exercise its right to use all or any part of the Owner's Property as and when Operator deems it necessary or advisable to do so to perform the activities for which this right is granted, including, without limitation, staging areas and parking for Operator's employees.

4.2 **Access Right.** Operator leases Owner's Property for unobstructed vehicular and pedestrian access and ingress to and egress from the Improvements, Owner's Property and any public roadways, and to construct, maintain, and utilize Roadway Improvements on the Owner's Property, provided that any such roads are constructed to come from the North or West sides of the Owner's Property. Owner shall not permit others to obstruct or damage the roads or Roadway Improvements located on the Owner's Property or in any other way interfere with Operator's rights under this right. Operator shall repair any damage done to Roadway Improvements which result from use by Operator, its agents, servants or employees. Such roads shall be maintained in the condition necessary for use by Operator's equipment, and with regard to existing roads, shall be maintained in at least the condition that existed prior to Operator's use.

4.3 **Solar Panels Right.** Operator leases Owner's Property for Operator to construct, operate, replace, relocate, remove, and maintain Solar Panels and the appurtenant Collection Facilities, together with associated roads and parking areas on Owner's Property.

4.4 **Collection Facilities Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Collection Facilities on and under the Owner's Property.

4.5 **Substation Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove one or more Substations on Owner's Property.

4.6 **Telecommunication Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Telecommunication Facilities on and under the Owner's Property.

4.7 **Weather Instrument Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain a Weather Instrument and the appurtenant Collection Facilities on Owner's Property.

4.8 **Battery Facilities Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain one or more Battery Facilities on Owner's Property.

5. **Grant of Easements.** Upon the exercise of the Option by Operator, Owner grants to Operator, and Operator accepts from Owner, for the Lease and Easement Term referenced in Section 6.1, the following easements over and across the Owner's Property in accordance with the terms and conditions of this Agreement. The following easements are for the benefit of Operator and Operator's agents, contractors and employees and located on the Owner's Property and are collectively referred to as the "**Easements**".

5.1 **Sun Non-Obstruction Easement.** Owner grants Operator an irrevocable, exclusive easement for the right and privilege to use, maintain and capture the free and unobstructed sunlight over and across the Owner's Property. Owner shall not engage in any activity on Owner's Property or any other neighboring property owned by Owner that might interfere with the sunlight direction over any portion of Owner's Property; cause a decrease in the output or efficiency of any Solar Panel or Weather Instrument; or otherwise interfere with Operator's operation of the Project or exercise of any rights granted in this Agreement (collectively "**Interference**"). This grant of the easement expressly includes the right of Operator to enforce Operator's rights, including the physical removal of trees or structures (except existing trees and structures) causing Interference to the Project contemplated by Operator. Operator shall notify Owner before making any such removals.

5.2 **Effects Easement.** Owner grants to Operator an easement over Owner's Property for visual, view, light, flicker, noise, shadow, vibration, electromagnetic, electrical and radio frequency interference, and any other effects attributable to the Project located on the Owner's Property.

6. **Term.** The term of this Agreement ("**Term**") includes the Option Term referenced in Section 3.1, the Initial Lease and Easement Term as described in Section 6.1.1 and the Extended Lease and Easement Term as described in Section 6.1.2 (together, the Initial Lease and Easement Term and the Extended Lease and Easement Term, if applicable, is defined as the "**Lease and Easement Term**").

6.1 **Lease and Easement Term.**

6.1.1 **Initial Lease and Easement Term.** The initial term of the Lease and Easements shall commence on the date specified by Operator in the Option Notice ("**Commencement Date**"). The initial term of the Lease and Easements shall end thirty (30)

years after the Commencement Date (the "**Initial Lease and Easement Term**"), subject to the rights of renewal and termination as provided in this Agreement.

6.1.2 **Extended Lease and Easement Term.** Operator shall have the right to extend the Term of this Agreement for two (2) consecutive terms of five (5) years each in accordance with the terms and provisions of this Agreement (collectively "**Extended Lease and Easement Term**") by providing written notice to Owner of Operator's intent to extend the Term within one hundred eighty (180) days of the end of the existing Term. Each Extended Lease and Easement Term shall begin on the expiration date of the Initial Lease and Easement Term or previous Extended Lease and Easement Term, as the case may be. During the Extended Lease and Easement Term, Operator shall pay Owner the amounts set forth in **Exhibit D** as the consideration for the Lease and Easements.

6.1.3 **Delays During Lease and Easement Term.** At Operator's option, the Term may be extended for a period of time equal to the period of time during which operation of the Project is delayed or suspended because of the occurrence of a Regulatory Suspension or Force Majeure, which are defined as follows:

(i) "**Regulatory Suspension**" shall mean the enactment or application of any law, order, rule, or regulation of the Kentucky Public Service Commission, Federal Energy Regulatory Commission, or other local, state, or federal government authority having jurisdiction over the Project or Operator, or the failure of any such governmental authority to issue an approval or permit pursuant to any such law, order, rule, or regulation, which results in the delay, interruption, or suspension of the production, sale or transmission of electricity from the Solar Panels; and

(ii) "**Force Majeure**" shall mean causes beyond the reasonable control of and without the fault or negligence of the Party claiming Force Majeure, including but not limited to acts of God, labor unrest (including, but not limited to, slowdowns, picketing, boycotts or strikes), flood, earthquake, storm, fire, lightning, explosion, power failure or power surge, vandalism, theft, the cutting of power, transmission or other lines, wires or cables to the Project by persons other than Operator's employees or contractors, epidemic, war, revolution, riot, civil disturbance, sabotage, change in law or applicable regulation subsequent to the Commencement Date and action or inaction by any federal, state or local legislative, executive, administrative judicial agency or body which in any of the foregoing cases, by exercise of due foresight such Party could not reasonably have expected to avoid, and which, by the exercise of due diligence, it is unable to overcome.

The Parties shall be excused from performing their respective obligations under this Agreement and shall not be liable in damages or otherwise if and to the extent that they are unable to so perform or are prevented from performing by a Force Majeure, provided that: (i) the non-performing Party, as promptly as practicable after the occurrence of the Force Majeure, but in no event later than thirty (30) days thereafter, gives the other Party written notice describing the particulars of the occurrence; (ii) the suspension of performance is of no greater scope and of no longer duration than is reasonably required by the Force Majeure; (iii) the non-performing Party uses good faith and commercially reasonable efforts to remedy its inability to perform; and (iv) as soon as the non-performing Party is able to resume performance of its obligations excused as a

result of the occurrence, each Party shall give prompt written notification thereof to the other Party.

6.2 **Termination by Operator.** Provided Operator is not in default under any term of this Agreement, Operator, at its option, shall have the right to terminate this Agreement at any time during the Term of the Agreement, as to all or any part of the Operator Property. Termination shall be effective thirty (30) days after written notice of such termination to Owner. If Operator's notice is a full termination of the Operator Property, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination; (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Upon any such partial termination by Operator, the Parties shall be relieved of all further duties and obligations under this Agreement with respect to the portion thereof terminated by Operator, subject to the obligations and liabilities referenced in items (i) through (iii) above that shall continue to be applicable to the terminated portion of this Agreement. The Parties agree to execute an amendment to this Agreement evidencing such partial termination.

7. **Payments.** If Operator exercises the Option referenced in Section 3, Operator agrees to pay Owner the amounts set forth in **Exhibit D** as consideration for the Lease, Easements and Operator's other rights and interests in the Owner's Property.

8. **Improvements.** Operator shall have the right, at its sole cost and expense, to construct, install, maintain, use, operate, repair, replace, relocate and remove all facilities, structures, equipment, machinery, wires, conduit, cables, poles, materials and property of every kind and character required for the construction and operation of portions of the Project on the Owner's Property, including, but not limited to, the Solar Panels, Collection Facilities, Substations, Telecommunication Facilities, Weather Instruments, Roadway Improvements and Battery Facilities referenced in Sections 8.1 through 8.7 (collectively, the "**Improvements**").

8.1 "**Solar Panels**" shall mean any photovoltaic energy system designed for the generation of electrical power from the collection of sunlight, including without limitation, the photovoltaic panels, foundations, support structures, braces and related equipment.

8.2 "**Collection Facilities**" shall mean all Improvements whose purpose is to deliver electrical power generated by the Solar Panels to an electrical power grid or other system, including without limitation transformers, overhead and underground electrical collection lines, telecommunication lines, splice boxes and interconnection facilities.

8.3 "**Substations**" shall mean electrical lines, meters, monitoring and control equipment, switches, transformers, all structures, equipment, enclosures, fencing, security devices, and other electrical and communications equipment necessary to condition and increase the voltage of electricity generated by the Project to make it suitable for transmission on, and to deliver it to, Collection Facilities connected to an electric power grid or other system.

8.4 "**Telecommunication Facilities**" shall mean all Improvements whose purpose is to provide telecommunication services solely relating to the Project or any of Operator's solar

powered projects, including telephone, closed-circuit television, microwave, internet, computer data and other telecommunication services.

8.5 **"Weather Instrument"** shall mean instruments used primarily to gather and transmit sunlight and meteorological data relating to the Project, and includes the instrument's foundations, guy wires, sunlight and meteorological data acquisition equipment, power source, and any required data and electrical transmission lines.

8.6 **"Roadway Improvements"** shall mean all improvements that may be necessary to construct, maintain and repair any new and existing roadways and other means of ingress and egress over, across and along the Owner's Property, including paving or surfacing of the roadways with asphalt, gravel or other roadway materials, installation of road signs and the construction and installation of culverts, bridges, drainage ditches, gates, cattle guards and similar structures and facilities.

8.7 **"Battery Facilities"** shall mean a type of equipment that can be given a new charge by passing an electric current through it designed for the storage of electrical power including without limitation, batteries and other devices for storage of electrical energy, foundations, support structures, braces and related equipment.

8.8 **Ownership of Improvements.** Except as otherwise provided in Section 11.7, all Improvements shall at all times remain the property of Operator, and Owner shall have no right, title or interest therein. All Improvements constructed or placed on the Owner's Property by Operator during the Term of this Agreement may be repaired, replaced, relocated, removed, added to or expanded upon by Operator at any time during the Term of this Agreement. Owner expressly waives any statutory lien or common law liens on the Improvements to which Owner might be entitled.

8.9 **Construction Liens.** Operator shall not permit any liens arising out of Operator's use of the Operator Property under this Agreement to be filed against the Owner's Property. Operator shall, within sixty (60) days after it receives notice of the lien, provide a bond or other security that Owner may reasonably request, or remove such lien from the Owner's Property in the manner provided by applicable law.

8.10 **Location of Improvements.** The acreage required from the Owner's Property for the Improvements for which the Lease and Easements are being granted cannot be determined until the completion of Operator's inspection, testing, study and surveying of the Owner's Property during the Option Term. Along with the Option Notice, Operator shall deliver to Owner a proposed plan of development showing the contemplated locations of the Improvements and a preliminary calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as the **Exhibit B** to this Agreement. During the final development and construction of the Project, such locations may need to be amended. Following construction of the Project, Operator shall provide Owner an "as-built" survey of all Improvements on Owner's Property and the final calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as **Exhibit C** to this Agreement. Further, following construction, the Improvements may need to be relocated or rerouted by Operator, which Operator may perform, at any time during the Term of this

Agreement, so long as the nature and extent of any such relocated or rerouted Improvements are not materially different and impose no materially greater burden on the Owner's Property than the original locations or routes, and so long as Operator takes commercially reasonable efforts to minimize disruption or inconvenience to Owner.

8.11 **Removal of Improvements.** Upon full or partial termination of any of the Lease Rights or Easements, Operator shall remove all Improvements and restore the area formerly occupied by the Improvements to substantially the same physical condition that existed immediately before the construction of the Improvements (the "**Removal Obligations**"). At Owner's request, all or any part of the Roadway Improvements may be left for use by Owner. If a governmental authority does not require a performance bond or security for removal of the Improvements, then upon the earlier to occur of: (i) the termination of this Agreement; or (ii) on the twentieth (20<sup>th</sup>) anniversary of the commercial operations date of the Project, Operator shall obtain and deliver to Owner a bond in form and substance reasonably satisfactory to Owner securing Operator's Removal Obligations (the "**Removal Bond**"). The Removal Bond shall be equal to the estimated amount, if any (the "**Net Removal Costs**"), by which the cost of removing the Improvements on Owner's Property exceeds the salvage value less any outstanding debt on such Improvements, which Net Removal Costs shall be determined as set forth below. Operator shall not be required to deliver such Removal Bond to Owner if Operator has delivered such a bond in connection with the permitting of Owner's Property or any other portion of the Improvements for the Project. Once in place, Operator shall keep such bond, or a like replacement, in force throughout the remainder of the Term. The Net Removal Costs shall be determined by the Parties hereto acting in good faith. If the Parties cannot agree upon the Net Removal Costs within sixty (60) days of their first attempt to do so, then the Net Removal Costs shall be determined by an independent engineer mutually selected by the Parties. If the Parties cannot agree upon such independent engineer within the next thirty (30) days, then by an independent engineer appointed by a Circuit Judge of Henderson County, Kentucky; and the decision of such an independent engineer (however selected) as to the Net Removal Costs shall be conclusive as between and binding upon, the Parties. If an independent engineer is selected, then the Parties hereto shall equally share all of the costs associated with the independent engineer's determination of the Net Removal Cost. If the Removal Bond is unavailable or an alternate form of security is more economical or desirable, then Operator may substitute an alternate form of security, such as a letter of credit, other form of bond, or guarantee that provides substantially equivalent security as the Removal Bond

9. **Ownership and Title Matters.** Owner warrants and represents to Operator, both as of the Effective Date, and as of the Commencement Date as follows:

9.1 **Authority.** Owner represents and warrants that it is the holder of fee simple title and is the sole owner of the Owner's Property and has the unrestricted right and authority to sign this Agreement and to grant Operator the Lease and Easements and other rights granted in this Agreement. When signed by both Parties, this Agreement constitutes a valid and binding agreement enforceable against Owner in accordance with its terms.

9.2 **Other Agreements.** Subject to matters of record and those which are apparent by visual inspection, the Owner's Property is not subject to any other agreements, options, rights of first refusal or other prior right of any party to purchase, lease or acquire easements in the

Owner's Property, or create any prior claim or right that would preclude or interfere with Operator's rights and interests under this Agreement and the Lease and Easements.

9.3 **Minerals**. To the best of Owner's knowledge and belief, and except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, Owner owns one-third (1/3<sup>rd</sup>) of the oil, gas and other minerals, and all rights thereto as on the Owner's Property.

9.4 **Owner Mortgage**. Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, there are no mortgages encumbering the Owner's Property ("**Owner Mortgage**").

9.5 **Notice and Opportunity to Cure**. If there is an Owner Mortgage encumbering Owner's Property and Owner receives from the holder thereof any notice that payments are overdue, Owner shall notify Operator and each Operator Mortgagee (as defined at Section 13.1) by sending a copy of such overdue payment notice to Operator by the earlier of (i) five (5) days after receipt, or (ii) three (3) business days prior to the date by which a default under or in respect of such Owner Mortgage could occur. If Operator or any Operator Mortgagee determines that it would be in Operator's interest to make such payments to Owner Mortgagee on Owner's behalf, whether as a result of receiving such notice or otherwise, Operator shall have the right to make such payments and to credit the payments so made against the Annual Installment Payment next due under the Agreement.

9.6 **Subordination, Non-Disturbance & Attornment Agreement**. If there is an Owner Mortgage encumbering Owner's Property, Owner shall cooperate with Operator to obtain a Subordination, Non-Disturbance and Attornment Agreement ("**SNDA**") in the form prepared and provided by Operator, from each Owner Mortgagee, pursuant to which such Owner Mortgagee agrees, among other things, not to disturb Operator's possession and use of the Owner's Property. Owner shall not incur any loss in income, expense, obligation or liability with regard to the SNDA. Operator shall, at its sole cost and expense, record each such SNDA in the Office of the County Clerk in which Owner's Property is located. If Owner fails to deliver a SNDA from each Owner Mortgagee, Operator may, at its sole option, either (i) terminate this Agreement immediately upon written notice to Owner, or (ii) take such action as Operator deems reasonably necessary to effect the rights granted to Operator hereunder, and off-set all amounts expended in such efforts against the Annual Installment Payments and any other amounts due hereunder or in respect hereof.

10. **Representations and Warranties of Owner**. Owner hereby makes the following further representations and warranties both as of the Effective Date, and as of the Commencement Date:

10.1 **Physical Condition**. Owner has no knowledge of any existing physical conditions of the Owner's Property which would prevent, significantly restrict or make more expensive Operator's development of the Owner's Property for the purposes specified in this Agreement, or which could, with the passage of time, or the giving of notice, constitute a violation of any currently applicable governmental law, ordinance, order, rule or regulation.

10.2 **Legal Restrictions.** Owner has no knowledge of any law, regulation, ordinance or order of any local, state or federal governmental authority which would prohibit or significantly restrict Operator's development of the Owner's Property pursuant to this Agreement. This Agreement does not violate any contract, agreement, instrument, judgment or order to which Owner is a party or which affects the Owner's Property. To the best of Owner's knowledge, the Owner's Property is currently in full and complete compliance with all governmental laws, ordinances, orders, rules and regulations applicable to the Owner's Property.

10.3 **No Litigation.** No litigation is pending and, to the best of Owner's knowledge, no litigation or administrative actions are proposed, threatened or anticipated with respect to any matter affecting the Owner's Property. If Owner learns of any litigation or administrative action proposed, threatened or instituted with respect to the Owner's Property, Owner shall give Operator notice within thirty (30) days thereof.

10.4 **Survival.** The representations and warranties set forth in this Section 10 shall survive the execution and delivery hereof.

## 11. **Use, Operation and Maintenance.**

11.1 **Exclusive Use by Operator.** Operator shall have the exclusive right (i) to use and possess the Owner Property in connection with the Project and other similar solar-powered electrical power generation projects; (ii) to investigate, inspect, survey, and conduct tests of the Owner's Property, including, but not limited to, meteorological, environmental, archeological and geotechnical tests and studies; (iii) to use and convert all of the sunlight resources on the Owner's Property; and (iv) to undertake such other activities on the Owner's Property that may be related to the Project, including, without limitation, the storage of Solar Panels, materials and equipment during the installation and construction of the Improvements; development and operation of communications systems; and site tours of the Project for visitors and other interested parties.

11.2 **No Required Installation or Operation.** Nothing in this Agreement shall be interpreted as imposing on Operator any obligation to install Solar Panels or other Improvements on the Owner's Property, or to operate the Project on the Owner's Property. Operator shall have the sole discretion to determine if and when any Solar Panels and other Improvements may be constructed on Owner's Property, and if and when to commence the operation of the Project on the Owner's Property.

11.3 **Permits and Approvals.** Operator shall be responsible, at its sole cost and expense, for obtaining any governmental permits and approvals necessary for the construction and operation of the Project and the construction and operation of the Improvements. Owner shall cooperate with Operator as necessary to obtain any governmental or utility approvals or permits, including, without limitation, signing any applications for such approvals, provided that Owner shall not incur any loss in income, expense, obligation or liability with respect to Operator obtaining such permits or approvals.

11.4 **Compliance with Laws.** Operator shall comply in all material respects with valid laws applicable to the Owner's Property and the Operator Property. Operator shall have

the right, in its sole discretion and at its sole expense, in Operator's name to contest the validity or applicability to the Owner's Property and the Operator Property of any law, ordinance, statute, order, regulation, property assessment or the like made by any governmental agency or entity. Operator shall control any such contest and Owner shall cooperate with Operator in every reasonable way in such contest, provided that Owner shall incur no expense, obligation or liability with regard to such contest.

11.5 **Care and Appearance.** Operator, in its exercise of the lease, easement and other rights granted hereunder shall, at all times, maintain the Owner's Property and the Improvements in a reasonably neat, clean and presentable condition. Operator shall not willfully or negligently damage or destroy the Owner's Property and shall keep the Owner's Property clean and free of debris created by Operator, its contractors, or others brought on to the Owner's Property by Operator. Operator shall not use the Owner's Property for storage, except for materials, construction equipment and vehicles directly associated with construction or maintenance of the Improvements on the Owner's Property or adjacent properties that are part of the Project.

11.6 **Fences and Gates.** At Owner's request, Operator shall repair or replace any fences, gates or cattle guards damaged or removed in connection with Operator's activities on the Owner's Property. Fences removed from the Owner's Property, if replaced, shall be re-built by Operator at its expense in mutually agreeable locations. All fence repair and construction shall be substantially similar to the construction of existing fences and cattle guards on Owner's Property. Any gates opened for access to Owner's Property by either Party shall be closed immediately after passing through so that livestock may not pass through. Once completed, all replacement fences, gates and cattle guards shall be owned and maintained by Owner. Upon abandonment or termination of the rights granted to Operator in this Agreement, any fences, gates and cattle guards installed by Operator shall remain and become the property of Owner. To minimize the need for temporary fencing, Owner will cooperate with Operator to avoid pasturing animals on or near the Improvements during periods of construction, maintenance or removal activity by Operator. Owner will discuss with Operator what temporary fencing is necessary during the periods of construction, maintenance or removal activity by Operator.

11.7 **Roadway Maintenance and Repairs.** Operator agrees to maintain and repair all Roadway Improvements located on the Operator Property; provided, however, Owner shall reimburse Operator for any costs and expenses incurred by Operator to repair any damage or perform any special maintenance of the Roadway Improvements caused by Owner or any person using the Roadway Improvements with Owner's permission, other than Operator.

## 12. **Taxes.**

12.1 **Owner's Taxes.** Owner covenants and agrees to pay prior to delinquency all real and personal property and other taxes, general and special assessments, and other charges of every description ("**Taxes**") levied or assessed against the Owner's Property and all improvements thereon by governmental authorities, other than Operator's Taxes referenced in Section 12.2 (Taxes, excepting Operator's Taxes, are hereinafter referred to as "**Owner's Taxes**").

12.3 **Failure to Pay.** In the event either Party fails to pay their share of Taxes prior to delinquency, the other Party shall have the right to pay such Taxes and any accrued penalties or interest, which payments shall increase or be offset against other Payments due under this Agreement.

12.4 **Operator's Right to Contest.** Operator may contest the legal validity or amount of any Operator's Taxes for which it is responsible under this Agreement, and may institute such proceedings as it considers necessary, provided that Operator shall bear all expenses in pursuing such contest or proceeding. With respect to any Taxes which may constitute a lien on the Owner's Property, Operator shall promptly pay such Taxes unless the proceeding in which it contests such Taxes shall operate to prevent or stay the collection of the Taxes so contested or unless Operator removes any such lien by bonding or otherwise. Owner agrees to render to Operator all reasonable assistance in contesting the validity or amount of any such Taxes, with the exception of Taxes levied by Owner, including joining in the signing of any reasonable protests or pleading which Operator may deem advisable to file; provided, however, that Operator shall reimburse Owner for its reasonable out-of-pocket expenses, including reasonable attorneys' fees incurred in connection with providing such assistance.

13. **Mortgage of Operator Property.**

13.1 **Right to Mortgage.** Operator may, upon written notice to Owner, but without requiring Owner's consent or approval, mortgage, collaterally assign, or otherwise encumber and grant security interests in all or any part of its interest in this Agreement and the Operator Property. These various security interests in all or a part of this Agreement and the Operator Property are collectively referred to as an "**Operator Mortgage**" and holder of such security interest, an "**Operator Mortgagee**". Any Operator Mortgagee shall use the Operator Property only for the uses permitted under this Agreement. Whenever Operator has granted a security interest under this Section 13, it will give Owner notice of the Operator Mortgage (including the name and address of the Operator Mortgagee for notice purposes) to Owner within thirty (30) days; provided that failure to give this notice shall not constitute a default under this Agreement,

but rather shall only have the effect of not binding Owner to provide such Operator Mortgage notice until the Operator and its address is given to Owner.

13.2 **Notice of Default and Opportunity to Cure.** As a precondition to exercising any rights or remedies related to any alleged default by Operator under this Agreement, Owner shall give written notice of the default to each Operator Mortgagee at the same time it delivers notice of default to Operator, specifying in detail the alleged event of default and the required remedy. Each Operator Mortgagee or its designee shall have the right, but not the obligation, to cure any default as Operator, and/or the right, but not the obligation, to remove any Improvements or other property owned by Operator or such Operator Mortgagee located on the Owner's Property to the same extent as Operator. The cure period for any Operator Mortgagee shall be the later of (i) the end of the Operator cure period under Section 18; (ii) thirty (30) days after such Operator Mortgagee's receipt of the default notice; or (iii) if applicable, the extended cure period provided for in Section 13.3. Failure by Owner to give an Operator Mortgagee notice of default shall not diminish Owner's rights against Operator, but shall preserve all rights of the Operator Mortgagee or its designee to cure any default and to remove any Improvements or other property of Operator or the Operator Mortgagee located on the Owner's Property.

13.3 **Extended Cure Period.** If any default by Operator under this Agreement cannot be cured without the Operator Mortgagee obtaining possession of all or part of the Operator Property, then any such default shall be deemed remedied if an Operator Mortgagee: (i) within sixty (60) days after receiving notice from Owner as set forth in Section 13.2, acquires possession of all or part of the Operator Property, or begins appropriate judicial or nonjudicial proceedings to obtain the same; (ii) diligently prosecutes any such proceedings to completion; and (iii) after gaining possession of all or part of the Operator Property performs all other obligations as and when the same are due in accordance with the terms of this Agreement. If an Operator Mortgagee is prohibited by any court or by operation of any bankruptcy or insolvency laws from commencing or prosecuting the proceedings described above, the sixty (60) day period specified above for commencing proceedings shall be extended for the period of such prohibition.

13.4 **Operator Mortgagee Liability.** Any Operator Mortgagee whose interest in the Operator Property is held solely for security purposes, shall have no obligation or liability under this Agreement unless and until the Operator Mortgagee succeeds to absolute title to the Operator Property and the rights of Operator under this Agreement. An Operator Mortgagee shall be liable to perform obligations under this Agreement only for and during the period it directly holds such absolute title.

13.5 **Certificates.** Owner shall execute any estoppel certificates (certifying as to truthful matters, including without limitation that no default then exists under this Agreement, if such be the case), consents to assignment and non-disturbance agreements as Operator or any Mortgagee may reasonably request from time to time. The Parties shall negotiate in good faith any amendment to this Agreement from time to time to include any provision that may be reasonably requested by Operator or any Operator Mortgagee to implement the provisions contained in this Agreement or to preserve an Operator Mortgagee's security interest.

13.6 **Operator Mortgagee's Right to Enforce Mortgage and Assign.** Each Operator Mortgagee shall have the right, in its sole discretion: (i) to assign its Operator Mortgage; (ii) to enforce its lien and acquire title to all or any portion of the Operator Property by any lawful means; (iii) to take possession of and operate all or any portion of the Operator Property and to perform all obligations to be performed by Operator under this Agreement, or to cause a receiver to be appointed to do so; and (iv) to acquire all or any portion of the Operator Property by foreclosure or by an assignment in lieu of foreclosure and thereafter to assign or transfer all or any portion of the Operator rights under this Agreement to a third party in accordance with Section 14. Any Operator Mortgagee or other party who acquires Operator's interest in all or a portion of the Operator Property pursuant to foreclosure or assignment in lieu of foreclosure shall not be liable to perform the obligations imposed on Operator by this Agreement, which are incurred or accruing after such Operator Mortgagee or other party no longer has ownership or possession of the Operator Property.

13.7 **New Agreement.**

13.7.1 If the Operator Property is foreclosed upon or there is an assignment in lieu of foreclosure, or if this Agreement is rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditor's rights and, within ninety (90) days after such event, Operator or any Operator Mortgagee or other purchaser at a foreclosure sale shall have arranged to the reasonable satisfaction of Owner to cure any material defaults under this Agreement, and for the payment of all Annual Installment Payments or other charges due and payable by Operator as of the date of such event, then Owner shall execute and deliver to Operator or such Operator Mortgagee or other purchaser at a foreclosure sale, or to a designee of one of these parties, as the case may be, a new agreement ("**New Agreement**") which (i) shall be for a term equal to the remainder of the Term of this Agreement before giving effect to such rejection or termination; (ii) shall contain the same covenants, agreements, terms, provisions and limitations as this Agreement (except for any requirements that have been fulfilled by Operator or any Operator Mortgagee or other purchaser at a foreclosure sale prior to rejection or termination of this Agreement); and (iii) shall include that portion of the Operator Property in which Operator or such other Operator Mortgagee or other purchaser at a foreclosure sale had an interest on the date of rejection or termination.

13.7.2 If more than one Operator Mortgagee makes a written request for a New Agreement pursuant to this provision, the New Agreement shall be delivered to the Operator Mortgagee requesting such New Agreement whose Operator Mortgage is prior in time, and the written request of any other Operator Mortgagee whose lien is subordinate shall be void and of no further force or effect. The provisions of this Section 13 shall survive the termination, rejection or disaffirmation of this Agreement and shall continue in full force and effect thereafter to the same extent as if this Section 13 were a separate and independent contract made by Owner, Operator and each Operator Mortgagee, and, from the effective date of such termination, rejection or disaffirmation of this Agreement to the date of execution and delivery of such New Agreement, such Operator Mortgagee or other purchaser at a foreclosure sale may use and enjoy the Operator Property without hindrance by Owner or any person claiming by, through or under Owner; provided that all of the conditions for the New Agreement as set forth above are complied with.

13.8 **Operator Mortgagee's Consent to Amendment, Termination or Surrender.**

Notwithstanding any provision of this Agreement to the contrary, the Parties agree that so long as any Operator Mortgage remains outstanding, this Agreement shall not be modified or amended, and Owner shall not accept a surrender, cancellation or release of all or any part of the Operator Property from Operator, prior to expiration of the Term of this Agreement, without the prior written consent of the Operator Mortgagee holding such Operator Mortgage. This provision is for the express benefit of and shall be enforceable by each Operator Mortgagee as if it were a party named in this Agreement.

14. **Assignment and Sublease.** Operator shall have the right, without Owner's consent, to sell, convey, lease, or assign all or any portion of this Agreement or the Operator Property, on either an exclusive or a non-exclusive basis, or to grant subeasements, co-easements, easements, licenses or similar rights with respect to the Operator Property (collectively, "**Assignment**"), to one or more persons or entities (collectively "**Assignee**"). Each Assignee shall use the Operator Property only for the uses permitted under this Agreement. When Operator makes any Assignment under this Section 14, Operator shall give written notice to Owner of such Assignment (including the interest conveyed by the Assignment and address of the Assignee for notice purposes) to Owner; provided Operator's failure to give such notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner with respect to such assignment or conveyance until such notice is given. Any Assignment by Operator shall release Operator from obligations subject thereof accruing after the date that liability for such obligations is assumed by the Assignee.

15. **Hazardous Materials.**

15.1 **Owner's Covenants Regarding Hazardous Materials.** Owner represents and warrants that, to the best of Owner's knowledge, the Owner's Property is not and has not been in violation of any federal, state or local environmental health or safety laws, statute, ordinance, rule, regulation or requirement ("**Environmental Laws**"), and Owner has not received any notice or other communication from any governmental authorities alleging that the Owner's Property is in violation of any Environmental Laws. "**Hazardous Materials**" shall mean any asbestos containing materials, petroleum, explosives, toxic materials, or substances regulated as hazardous wastes, hazardous materials, hazardous substances, or toxic substances under any federal, state, or local law or regulation. Owner warrants that Owner has done nothing to contaminate the Operator Property with Hazardous Materials or wastes.

15.2 **Operator's Covenants Regarding Hazardous Materials.** Operator shall, at Operator's sole cost and expense, promptly take removal or remedial action required by Environmental Law with regard to any material violation of any Environmental Law with regard to any Hazardous Materials brought onto the Owner's Property by Operator or its employees, agents, or contractors. Owner shall cooperate with Operator with regard to any scheduling or access to the Owner's Property in connection with any action required hereunder.

15.3 **Operator's Indemnity Regarding Hazardous Materials.** Operator shall indemnify, defend, protect and hold Owner harmless from any liability based on: (i) the release of Hazardous Materials in, on, under or about the Owner's Property caused by Operator or its

employees, agents, or contractors, or (ii) the violation by Operator or its employees, agents, or contractors of any Environmental Law. The indemnity obligations set forth herein shall survive termination of this Agreement.

16. **Insurance and Indemnity.**

16.1 **Insurance.** At all times during which Operator is conducting any activities on the Property and at all times during the Term of this Agreement, Operator shall maintain in effect (1) commercial General Liability Insurance, including bodily injury and property damage coverage with minimum limits of \$1 Million Dollars per occurrence and \$2 Million Dollars aggregate and (2) Umbrella Liability Insurance with minimum limits of \$5 Million Dollars per occurrence and \$5 Million Dollars aggregate. Upon a written request by Owner, Operator shall name Owner as additional insured on such insurance policy and provide Owner with a certificate of such insurance.

16.2 **Indemnity by Operator.** Operator shall defend, indemnify, protect and hold Owner harmless from and against all liabilities, costs, expenses, obligations, losses, damages, claims, (collectively "**Claims**") resulting from the negligence, willful misconduct, or breach of this Agreement by Operator, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Owner, its agents, contractors or employees, invitees, licensees or permittees.

16.3 **Indemnity by Owner.** Owner shall defend, indemnify, protect, and hold Operator harmless from and against all Claims resulting from the negligence, willful misconduct, or breach of this Agreement by Owner, its agents, contractors or employees, invitees, licensees and permittees, other than operator and its contractors; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Operator, its agents, contractors, employees, invitees, licensees, or permittees.

16.4 **Survival.** The obligations of the Parties under this Section 16 shall survive expiration or other termination of this Agreement.

17. **Confidentiality.** This Agreement includes confidential and proprietary information relating to Operator and the Project. Owner agrees not to provide copies of the Agreement or disclose the terms of the Agreement to any unauthorized person or entity. Operator authorizes Owner to provide copies of the Agreement and disclose the terms thereof to Owner's family ("family" shall be deemed to include all devisees or descendants of owner by will or intestacy), attorney, accountant, financial advisor and any existing or prospective mortgagee, lessee, or purchaser for the sole purpose of evaluating and advising Owner and for no other purpose, so long as such authorized parties agree in writing to become subject to the confidentiality provisions hereto and not to provide copies of the Agreement or disclose the terms thereof to any unauthorized person or entity. Any Owner and party shall return all material containing any confidential information to Operator immediately upon its request. Any party agrees to destroy immediately upon request by Operator such analyses, compilation, studies or other documents, and any oral information will continue to be subject to the terms of this Agreement. Owner agrees that Operator will have no adequate remedy at law if any party violates any of the terms of this

Agreement. In such event Operator will have the right, in addition to any other rights Operator may have, to obtain injunctive relief to restrain any breach or threatened breach by third party or specific enforcement of such terms plus reimbursement of attorneys' fees, court costs and all associated expenses. No party shall publish, file for public record, reproduce, or otherwise disseminate this document or any of the terms and provisions hereof to any party, other than the Parties set forth above without the prior written consent of Operator, which consent may be withheld for any reason and in Operator's sole discretion.

## 18. **Default and Remedies.**

18.1 **Operator Payment Default.** If Operator shall fail to pay any amounts set forth in **Exhibit D** which failure continues for more than thirty (30) days from receipt of written notice from Owner that such amount is due, then Operator shall be in default ("**Operator Payment Default**") and Owner shall have the following remedies:

18.1.1 **Collection of Payments.** With or without terminating this Agreement, Owner may file a lawsuit against Operator to collect any unpaid amounts subject to offset for actual mitigation set forth in **Exhibit D** together with interest thereon that accrues during the continuance of the Operator Payment Default, calculated at a rate ("**Default Rate**"), which is the lesser of (i) the prime interest rate at JP Morgan Chase & Co. (or its successor) plus two percent (2%) per annum, or (ii) the maximum lawful rate.

18.1.2 **Terminate Agreement.** Owner may not terminate this Agreement because of any Operator Payment Default without first giving Operator written notice of its intention to terminate the Agreement ("**Termination Notice**"), to be effective on a date to be specified by Owner that is at least thirty (30) days after the date of the Termination Notice. If, by the date specified in the Termination Notice, Operator fails to pay the amount required to cure the Operator Payment Default (including interest at the Default Rate that accrues during the continuance of the Operator Payment Default), Owner's termination of this Agreement shall become effective on the date specified in the Termination Notice. Upon such termination, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination (including the amount owed by Operator with respect to the Operator Payment Default and interest payable with respect thereto); (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Owner's right to terminate this Agreement pursuant to this Section 18.1.2 is subject to and conditioned upon Owner giving any Operator Mortgage written notice and opportunity to cure the Operator Payment Default as provided in Section 13.2.

18.2 **Other Operator Default.** Operator shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement other than an Operator Payment Default as set forth in Section 18.1 and shall not cure such default within thirty (30) days after receiving notice thereof from Owner (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Operator fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Other Operator Default**"). The breach by Operator of any

provision hereof may only result in a cause of action by Owner under applicable law and, other than as set forth in this Section 18.2, Owner hereby waives all other rights it may have, in law or in equity, to terminate this Agreement prior to the expiration of the Term. In the event of any such breach by Operator, Owner shall, at least thirty (30) days prior to commencing any cause of action, give written notice of the cause of breach to Operator, and any Operator Mortgagee (of which it has been notified in writing) concurrently, specifying in detail the alleged event of breach and the required remedy. If Operator does not cure or commence curing such breach within thirty (30) days of receipt of notice, the Operator Mortgagee or its designee shall have the absolute right, but not the obligation, to substitute itself for Operator and perform the duties of Operator hereunder for the purposes of curing such breach. Owner expressly consents to such substitution, agrees to accept such performance, and authorizes the Operator Mortgagee or its designee (or its employees, agents, representatives or contractors) to enter upon the Owner's Property to complete such performance with all the rights, privileges and obligations of Operator hereunder. Owner may cure any default by Operator after Operator's cure period has expired. If Owner at any time by reason of Operator's default, pays any sum or performs any act that requires the payment of any sum, the sum paid by Owner shall be due immediately from Operator to Owner, together with interest on such sum calculated at the Default Rate.

18.3 **Owner Default.** Owner shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement and shall not cure such default within thirty (30) days after receiving notice thereof from Operator (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Owner fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Owner Default**"). Upon the occurrence of an Owner Default, Operator shall have the option to pursue any one or more of the following remedies without any further notice or demand whatsoever: (i) terminate this Agreement without being liable for prosecution or any claim of damages therefor; and (ii) pursue any and all other action or remedies that may be available to Operator at law or in equity, including but not limited to all loss or damage which Operator may suffer by reason of a termination of this Agreement.

19. **Condemnation.**

19.1 **Complete Taking.** If, at any time, any authority having the power of eminent domain shall condemn all or substantially all of the Operator's Property, or all of the Improvements thereon, for any public use or otherwise, then the interests and obligations of Operator under this Agreement in or affecting the Operator's Property shall cease and terminate upon the earlier of (i) the date that the condemning authority takes physical possession of the Operator's Property or the Improvements thereon, (ii) the date that Operator is, in its sole judgment, no longer able or permitted to operate the Project on the Operator's Property in a commercially viable manner, or (iii) the date of the condemnation judgment. Operator shall continue to pay all amounts payable hereunder to Owner until the earlier of such dates, at which time the Parties shall be relieved of any and all further obligations and conditions to each other under this Agreement.

19.2 **Partial Taking.** If, at any time during the term of this Agreement, any authority having the power of eminent domain shall condemn one or more, but not all, of the Solar Panels, or any portion of the Improvements or the Operator's Property, then the interest and obligations

of Operator under this Agreement as to those Solar Panels or any portion of the Improvements or the Operator's Property so taken shall cease and terminate upon the earlier of (i) the date that the condemning authority takes possession of such Solar Panels or any portion of the Improvements or the Operator's Property, (ii) the date that Operator is, in its reasonable judgment, no longer able or permitted to operate the Project on the Operator's Property, or any portion thereof, in a commercially viable manner, or (iii) the date of the condemnation judgment; and, unless this Agreement is terminated as hereinafter provided, this Agreement shall continue in full force and effect as to the remainder of the Solar Panels, Improvements and the Operator's Property. If the remainder of the Solar Panels or any other portion of the Improvements or the Operator's Property is or becomes insufficient or unsuitable for Operator's purposes hereunder, as determined by Operator in its sole discretion, then, subject to the rights of any Operator Mortgagee under Section 13, Operator shall have the right to terminate this Agreement as to the portion of the Operator's Property to which Operator continues to hold the rights, at which time the Parties shall be relieved of any further obligations and duties to each other under this Agreement.

19.3 **Apportionment, Distribution of Award.** On any taking, all sums awarded, including damages and interest, shall be paid as follows:

(a) Any portion of the award by the court on account of any cost or loss that Operator may sustain in the removal and relocation of Operator's Improvements, to Operator;

(b) Any portion of the award by the court for Operator's anticipated or lost revenues or profits, to Operator;

(c) Any portion of the award by the court for Owner's lost revenues, to Owner;

(d) All remaining amounts of the award, to Owner or Operator consistent with applicable Kentucky law.

20. **Notice.**

20.1 **Writing.** All notices given or permitted to be given hereunder shall be in writing.

20.2 **Delivery.** Notice is considered given either (i) when delivered in person to the recipient named below, (ii) upon receipt after deposit in the United States mail in a sealed envelope or container, postage and postal charges prepaid, return receipt requested or certified mail, addressed by name and address to the party or person intended, or (iii) twenty-four (24) hours from proper and timely delivery to an overnight courier service addressed by name and address to the party or person intended as follows:

Notice to Owner:

Delnoe Brock  
Fay Brock

Notice to Operator: Boulevard Associates, LLC  
700 Universe Blvd  
Juno Beach, FL 33408  
Attn: Land Services Administration  
Telephone: (855) 552-9872

20.3 **Change of Recipient or Address.** Either Party may, by notice given at any time or from time to time, require subsequent notices to be given to another individual person, whether a party or an officer or representative, or to a different address, or both. Notices given before actual receipt or notice of change shall not be invalidated by the change.

21. **Miscellaneous Provisions.**

21.1 **Successors and Assigns.** The terms and provisions of this Agreement shall run with the land and be binding on and inure to the benefit of the heirs, successors, assigns and personal representatives of the Parties. In accordance with this Agreement, Operator in its discretion may authorize other persons or entities to use the Operator Property for the purposes stated in this Agreement

21.2 **Memorandum.** Simultaneously with the execution of this Agreement, the Parties agree to execute and acknowledge a memorandum of this Agreement. Operator may record the executed memorandum in the public records of Henderson County, Kentucky.

21.3 **Entire Agreement.** This Agreement and the attached Exhibits shall constitute the entire agreement between the Parties and supersedes all other prior writings and understandings.

21.4 **Amendments.** This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties and consented to by any Operator Mortgagee. The Parties hereto shall at all times hereafter execute any documents and do any further acts which may be necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof.

21.5 **Legal Matters.** This Agreement shall be governed by and interpreted in accordance with the then existing laws of the Commonwealth of Kentucky and the County where the Owner's Property is located shall be considered the proper forum or jurisdiction for any disputes arising in connection with this Agreement. The Parties agree to first attempt to settle any dispute arising out of or in connection with this Agreement by good-faith negotiation. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Agreement, each shall have all remedies available at law or in equity and as provided by this Agreement. **Each Party waives all right to trial by jury and specifically agrees that trial of suits or causes of action arising out of this Agreement shall be to the court of competent jurisdiction.**

21.6 **Severability.** If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, to any extent, be determined by judicial order or decision to be invalid or unenforceable, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held to be invalid, shall be enforced to the fullest extent permitted by law.

21.7 **Tax Credits.** If under applicable law Operator becomes ineligible for any currently existing tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal government, then, at Operator's option, the Parties shall negotiate in good faith to amend this Agreement or replace it with a different instrument so as to convert Operator's interest in the Operator Property to a substantially similar interest that makes Operator eligible for such tax credit, benefit or incentive. Such amendment or instrument shall not impair any of Owner's rights or increase the burdens or obligations of Owner under this Agreement.

21.8 **Approvals.** Whenever in this Agreement the approval or consent of either Party is required or contemplated, unless otherwise specified, such approval or consent shall not be unreasonably withheld or delayed.

21.9 **Authority.** The signatories hereto warrant that each has the authority to execute this Agreement on behalf of any entities which are Parties to this Agreement and that each such entity has executed this Agreement pursuant to its organizational documents or a resolution or consent of their Board of Directors or other governing body.

21.10 **Time of Essence.** Time is of the essence of each provision of this Agreement.

21.11 **Counterparts.** This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute a single instrument.

22. **Excluded Area.** Notwithstanding anything else contained herein and for greater clarity, the Operator's rights hereunder shall be limited to the crosshatched area marked "E<sub>ase</sub> Area" on Exhibit A-1 attached hereto. Operator shall have no right to use any other portion of the Owner's Property for any purpose whatsoever without further written consent from Owner.

## EXHIBIT A

### Legal Description of Owner's Property

Beginning on the South side of Robards and Cairo Road at corner post to C. B. Hester 27¼ links South of said post, N 82½ E 25 rods, 12 links with W.G. Duncan's line to H.J. Pooles's corner; thence N 8¾ N 12 rods, 22 links to H.J. Poole's corner; thence N 81½ E 9 rods, 4 links to Dr. A.S. Denton's corner; thence N 8¾ W 21 rods, 13 links to Dr. A.S. Denton's corner; thence N 85 E 14 rods; 5 links to J.P. Cosby's corner; thence N 20 W 18 rods, 5½ links to J.L. Cosby's corner; thence N 69 E 31 rods; 21 links to another corner of J.P. Cosby's; thence S 27 E 3 rods to another corner of J.P. Cosby's; thence N 73 E 17 rods, 23 links with George Royster's line to J. T. Triplett's corner; thence N 23 W 17 rods, 23 links to another corner of J.T. Triplett's; thence N 68½ W 17 rods, 2 links to L & N Railroad; thence with railroad N 23 W 107 rods, 18 links to Lee King's corner; thence with King's line N 83½ W 55 rods, 5 links to C. B. Hester's corner thence S ½ E 199 rods, 18 links to beginning, containing 77-49/100 acres, more or less.

LESS the following described property which was conveyed to the Board of Education of Henderson County, Kentucky, by deed of Shelby Scott and wife, Lillie M. Scott, dated the 5<sup>th</sup> day of August, 1953, of record in Deed Book 163, Page 105, Henderson County Court Clerk's Office, to-wit:

Beginning at an iron nail in Kentucky State Highway No. 416, corner with Frank Fraser (20 feet south of north fence line on said highway), runs with said highway S 84° 53' W 421.8 feet to a nail in highway, corner with M.T. Day; thence N 00° 30' E 653 feet to a stake and post, corner with Shelby Scott in M.T. Day's line; thence with (division line) N 88° 30' E 722.4 feet to a stake, corner with Shelby Scott in J.W. Duncan's line; thence S 20° 00' E 28 feet to a stake and post, corner with J.W. Duncan and Dr. A.S. Denton's estate; thence S 83° 15' W 234.3 feet to a stake and post, corner with the Dr. A.S. Denton Estate; thence S 6° 17' E 354.3 feet to a stake and post, corner with the Dr. A.S. Denton Estate and Frank Fraser; thence S 82° 50' W 50 feet to a stake and post, corner with Frank Fraser; thence S 6° 25' E 212.5 feet to the point of beginning, containing 7.217 acres.

ALSO LESS the following described property conveyed by John William Fulkerson and his wife, Lillie Elizabeth Fulkerson, to the County of Henderson by deed dated May 16, 1977, of record in Deed Book 294, Page 432, to-wit:

Beginning at an iron pin corner to the Robards School and Galloway; thence with the line of the Robards School, N 88° 52' E 722.87 feet to an iron pin corner to Chandler; thence with the line of Chandler, N 17° 12' W 269.25 feet to an iron pin corner to Fulkerson; thence with the line of Fulkerson, S 88° 17' W 637.26 feet to an iron pin corner to Galloway; thence with the line of Galloway, S 1° 24' W 252.41 feet to the point of beginning, containing 3.99 acres, more or less.

Being the same property conveyed to John William Fulkerson and his wife, Lillie Elizabeth Fulkerson, as joint tenants, with right of survivorship, by deed from Dorsul, Incorporated, a Kentucky corporation, dated April 23, 1970, of record in Deed Book 247, Page 317, in the Henderson County Clerk's Office. John William Fulkerson died intestate on October 21, 1978, thus vesting fee simple title in Lillie Elizabeth Fulkerson by virtue of the survivorship clause in said deed. See affidavit of death of record in Deed Book 359, Page 45, in the Henderson County

Clerk's Office, Lillie Elizabeth Fulkerson died intestate on May 3, 1984, and left the grantors, John W. Wilson and Richard Melvin Wilson as her only heirs at law. See affidavit of descent of record in Deed Book 358, Page 607, in the Henderson County Clerk's Office.

The above being the same property acquired by Delnoe Brock and Fay Brock, husband and wife, by Deed dated August 21, 1985, of record in Deed Book 359, Pages 84-86, in the Henderson County Clerk's office.

Containing 66 acres, more or less.

## SOLAR LEASE AND EASEMENT AGREEMENT

1. **Parties.** This Solar Lease and Easement Agreement ("**Agreement**") is made and entered as of the 20 day of December, 2019 ("**Effective Date**"), by and between Claudia Perkins f/k/a Claudia Clark ("**Owner**") and Boulevard Associates, LLC, a Delaware limited liability company ("**Operator**"), which are sometimes individually referred to as a "**Party**" and collectively as the "**Parties**".

2. **Project.** This Agreement relates to the solar-powered electrical power generation and transmission project known as the "Sebree Solar Energy Center" to be located in Henderson County, Kentucky ("**Project**"), which may be wholly or partially located on the Owner's property legally described on the attached **Exhibit A** to this Agreement ("**Owner's Property**"). Upon Operator's exercise of the Option (as defined below), the Project shall include (i) the Lease of Owner's Property described in Section 4, (ii) the Easements referenced in Section 5 that are located on the Owner's Property, and (iii) the Improvements referenced in Section 8 to be constructed on Owner's Property. The Lease, Easements and Improvements are sometimes collectively referred to as the "**Operator Property**".

3. **Option.** Owner grants to Operator an exclusive option ("**Option**") to acquire the Lease and Easements referenced in Sections 4 and 5 in accordance with the following terms and conditions. Operator shall be entitled to acquire the Lease and the Easements in their entirety or in part, as Operator deems appropriate.

3.1 **Option Term.** The period during which Operator may exercise the Option shall be for a term of four (4) years commencing on the Effective Date ("**Option Term**").

3.2 **Option Payment.** As consideration for the granting of the Option, Operator agrees to pay Owner the Option Payment set forth in **Exhibit D**.

3.3 **Use of Owner's Property.** During the Option Term, Operator and its employees, agents and contractors shall have a right to enter upon the Owner's Property and the right of ingress and egress over and across the Owner's Property for the purposes of (i) surveying the Owner's Property; (ii) performing such other tests and studies as Operator may desire in connection with the Option, including, without limitation, environmental, avian and cultural resource assessments, and geotechnical, foundation and soil tests, provided that such activities do not unreasonably interfere with Owner's use of the Owner's Property; and (iii) installing, maintaining, operating, inspecting and removing one or more weather related instruments ("**Weather Instrument**") and fencing of said Weather Instrument and including the performance of all tests and studies associated therewith. Owner shall not permit any other individual or entity except Operator or its affiliates to install a Weather Instrument on Owner's Property.

3.4 **Right to Grant Option.** Owner warrants and represents to Operator that (i) the statements in Section 9 concerning Owner's title to the Owner's Property are true and correct; (ii) Owner has the authority to grant this Option to Operator without the consent or approval of any other party; and (iii) there are no other existing options, rights of first refusal, contracts to

purchase, leases or mortgages that would prevent Operator from exercising its rights with respect to the Option.

3.5 **Exercise of Option.** Operator may exercise the Option by giving written notice to Owner ("**Option Notice**") at any time during the Option Term. Operator shall specify in the Option Notice the Commencement Date referenced in Section 6.1.1, which date shall be no later than the expiration of the Option Term. On the Commencement Date, the Lease and Easements referenced in Sections 4 and 5 shall automatically become effective, and the Parties shall be subject to all of the terms and conditions of this Agreement with respect to such Lease and Easements and all rights and obligations relating thereto.

3.6 **Termination of Option.** If Operator fails to exercise the Option within the Option Term, the Option and the rights of Operator as the optionee shall automatically terminate.

4. **Lease.** Upon exercise of the Option by Operator, Owner leases to Operator, and Operator leases from Owner, Owner's Property for the Lease and Easement Term (defined in Section 6.1) in accordance with the terms and conditions of this Agreement ("**Lease**"), which Lease grants Operator and its agents, contractors, and employees the right to use the Owner's Property for the following permitted uses:

4.1 **Construction Right.** Operator leases Owner's Property for the purpose of constructing, operating, maintaining, repairing, replacing, and removing all or any part or component of the Improvements whether located on Owner's Property. Operator may exercise its right to use all or any part of the Owner's Property as and when Operator deems it necessary or advisable to do so to perform the activities for which this right is granted, including, without limitation, staging areas and parking for Operator's employees.

4.2 **Access Right.** Operator leases Owner's Property for unobstructed vehicular and pedestrian access and ingress to and egress from the Improvements, Owner's Property and any public roadways, and to construct, maintain, and utilize Roadway Improvements on the Owner's Property. Owner shall not permit others to obstruct or damage the roads or Roadway Improvements located on the Owner's Property or in any other way interfere with Operator's rights under this right. Operator shall repair any damage done to Roadway Improvements which result from use by Operator, its agents, servants or employees. Such roads shall be maintained in the condition necessary for use by Operator's equipment, and with regard to existing roads, shall be maintained in at least the condition that existed prior to Operator's use.

4.3 **Solar Panels Right.** Operator leases Owner's Property for Operator to construct, operate, replace, relocate, remove, and maintain Solar Panels and the appurtenant Collection Facilities, together with associated roads and parking areas on Owner's Property.

4.4 **Collection Facilities Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Collection Facilities on and under the Owner's Property.

4.5 **Substation Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove one or more Substations on Owner's Property.

4.6 **Telecommunication Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Telecommunication Facilities on and under the Owner's Property.

4.7 **Weather Instrument Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain a Weather Instrument and the appurtenant Collection Facilities on Owner's Property.

4.8 **Battery Facilities Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain one or more Battery Facilities on Owner's Property.

5. **Grant of Easements.** Upon the exercise of the Option by Operator, Owner grants to Operator, and Operator accepts from Owner, for the Lease and Easement Term referenced in Section 6.1, the following easements over and across the Owner's Property in accordance with the terms and conditions of this Agreement. The following easements are for the benefit of Operator and Operator's agents, contractors and employees and located on the Owner's Property and are collectively referred to as the "**Easements**".

5.1 **Sun Non-Obstruction Easement.** Owner grants Operator an irrevocable, exclusive easement for the right and privilege to use, maintain and capture the free and unobstructed sunlight over and across the Owner's Property. Owner shall not engage in any activity on Owner's Property or any other neighboring property owned by Owner that might interfere with the sunlight direction over any portion of Owner's Property; cause a decrease in the output or efficiency of any Solar Panel or Weather Instrument; or otherwise interfere with Operator's operation of the Project or exercise of any rights granted in this Agreement (collectively "**Interference**"). This grant of the easement expressly includes the right of Operator to enforce Operator's rights, including the physical removal of trees or structures (except existing trees and structures) causing Interference to the Project contemplated by Operator. Operator shall notify Owner before making any such removals.

5.2 **Effects Easement.** Owner grants to Operator an easement over Owner's Property for visual, view, light, flicker, noise, shadow, vibration, electromagnetic, electrical and radio frequency interference, and any other effects attributable to the Project located on the Owner's Property.

6. **Term.** The term of this Agreement ("**Term**") includes the Option Term referenced in Section 3.1, the Initial Lease and Easement Term as described in Section 6.1.1 and the Extended Lease and Easement Term as described in Section 6.1.2 (together, the Initial Lease and Easement Term and the Extended Lease and Easement Term, if applicable, is defined as the "**Lease and Easement Term**").

6.1 **Lease and Easement Term.**

6.1.1 **Initial Lease and Easement Term.** The initial term of the Lease and Easements shall commence on the date specified by Operator in the Option Notice ("**Commencement Date**"). The initial term of the Lease and Easements shall end thirty (30)

years after the Commencement Date (the "**Initial Lease and Easement Term**"), subject to the rights of renewal and termination as provided in this Agreement.

6.1.2 **Extended Lease and Easement Term.** Operator shall have the right to extend the Term of this Agreement for two (2) consecutive terms of five (5) years each in accordance with the terms and provisions of this Agreement (collectively "**Extended Lease and Easement Term**") by providing written notice to Owner of Operator's intent to extend the Term within one hundred eighty (180) days of the end of the existing Term. Each Extended Lease and Easement Term shall begin on the expiration date of the Initial Lease and Easement Term or previous Extended Lease and Easement Term, as the case may be. During the Extended Lease and Easement Term, Operator shall pay Owner the amounts set forth in **Exhibit D** as the consideration for the Lease and Easements.

6.1.3 **Delays During Lease and Easement Term.** At Operator's option, the Term may be extended for a period of time equal to the period of time during which operation of the Project is delayed or suspended because of the occurrence of a Regulatory Suspension or Force Majeure, which are defined as follows:

(i) "**Regulatory Suspension**" shall mean the enactment or application of any law, order, rule, or regulation of the Kentucky Public Service Commission, Federal Energy Regulatory Commission, or other local, state, or federal government authority having jurisdiction over the Project or Operator, or the failure of any such governmental authority to issue an approval or permit pursuant to any such law, order, rule, or regulation, which results in the delay, interruption, or suspension of the production, sale or transmission of electricity from the Solar Panels; and

(ii) "**Force Majeure**" shall mean causes beyond the reasonable control of and without the fault or negligence of the Party claiming Force Majeure, including but not limited to acts of God, labor unrest (including, but not limited to, slowdowns, picketing, boycotts or strikes), flood, earthquake, storm, fire, lightning, explosion, power failure or power surge, vandalism, theft, the cutting of power, transmission or other lines, wires or cables to the Project by persons other than Operator's employees or contractors, epidemic, war, revolution, riot, civil disturbance, sabotage, change in law or applicable regulation subsequent to the Commencement Date and action or inaction by any federal, state or local legislative, executive, administrative judicial agency or body which in any of the foregoing cases, by exercise of due foresight such Party could not reasonably have expected to avoid, and which, by the exercise of due diligence, it is unable to overcome.

The Parties shall be excused from performing their respective obligations under this Agreement and shall not be liable in damages or otherwise if and to the extent that they are unable to so perform or are prevented from performing by a Force Majeure, provided that: (i) the non-performing Party, as promptly as practicable after the occurrence of the Force Majeure, but in no event later than thirty (30) days thereafter, gives the other Party written notice describing the particulars of the occurrence; (ii) the suspension of performance is of no greater scope and of no longer duration than is reasonably required by the Force Majeure; (iii) the non-performing Party uses good faith and commercially reasonable efforts to remedy its inability to perform; and (iv) as soon as the non-performing Party is able to resume performance of its obligations excused as a

result of the occurrence, each Party shall give prompt written notification thereof to the other Party.

6.2 **Termination by Operator**. Provided Operator is not in default under any term of this Agreement, Operator, at its option, shall have the right to terminate this Agreement at any time during the Term of the Agreement, as to all or any part of the Operator Property. Termination shall be effective thirty (30) days after written notice of such termination to Owner. If Operator's notice is a full termination of the Operator Property, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination; (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Upon any such partial termination by Operator, the Parties shall be relieved of all further duties and obligations under this Agreement with respect to the portion thereof terminated by Operator, subject to the obligations and liabilities referenced in items (i) through (iii) above that shall continue to be applicable to the terminated portion of this Agreement. The Parties agree to execute an amendment to this Agreement evidencing such partial termination.

7. **Payments**. If Operator exercises the Option referenced in Section 3, Operator agrees to pay Owner the amounts set forth in **Exhibit D** as consideration for the Lease, Easements and Operator's other rights and interests in the Owner's Property.

8. **Improvements**. Operator shall have the right, at its sole cost and expense, to construct, install, maintain, use, operate, repair, replace, relocate and remove all facilities, structures, equipment, machinery, wires, conduit, cables, poles, materials and property of every kind and character required for the construction and operation of portions of the Project on the Owner's Property, including, but not limited to, the Solar Panels, Collection Facilities, Substations, Telecommunication Facilities, Weather Instruments, Roadway Improvements and Battery Facilities referenced in Sections 8.1 through 8.7 (collectively, the "**Improvements**").

8.1 **"Solar Panels"** shall mean any photovoltaic energy system designed for the generation of electrical power from the collection of sunlight, including without limitation, the photovoltaic panels, foundations, support structures, braces and related equipment.

8.2 **"Collection Facilities"** shall mean all Improvements whose purpose is to deliver electrical power generated by the Solar Panels to an electrical power grid or other system, including without limitation transformers, overhead and underground electrical collection lines, telecommunication lines, splice boxes and interconnection facilities.

8.3 **"Substations"** shall mean electrical lines, meters, monitoring and control equipment, switches, transformers, all structures, equipment, enclosures, fencing, security devices, and other electrical and communications equipment necessary to condition and increase the voltage of electricity generated by the Project to make it suitable for transmission on, and to deliver it to, Collection Facilities connected to an electric power grid or other system.

8.4 **"Telecommunication Facilities"** shall mean all Improvements whose purpose is to provide telecommunication services solely relating to the Project or any of Operator's solar

powered projects, including telephone, closed-circuit television, microwave, internet, computer data and other telecommunication services.

8.5 **"Weather Instrument"** shall mean instruments used primarily to gather and transmit sunlight and meteorological data relating to the Project, and includes the instrument's foundations, guy wires, sunlight and meteorological data acquisition equipment, power source, and any required data and electrical transmission lines.

8.6 **"Roadway Improvements"** shall mean all improvements that may be necessary to construct, maintain and repair any new and existing roadways and other means of ingress and egress over, across and along the Owner's Property, including paving or surfacing of the roadways with asphalt, gravel or other roadway materials, installation of road signs and the construction and installation of culverts, bridges, drainage ditches, gates, cattle guards and similar structures and facilities.

8.7 **"Battery Facilities"** shall mean a type of equipment that can be given a new charge by passing an electric current through it designed for the storage of electrical power including without limitation, batteries and other devices for storage of electrical energy, foundations, support structures, braces and related equipment.

8.8 **Ownership of Improvements.** Except as otherwise provided in Section 11.7, all Improvements shall at all times remain the property of Operator, and Owner shall have no right, title or interest therein. All Improvements constructed or placed on the Owner's Property by Operator during the Term of this Agreement may be repaired, replaced, relocated, removed, added to or expanded upon by Operator at any time during the Term of this Agreement. Owner expressly waives any statutory lien or common law liens on the Improvements to which Owner might be entitled.

8.9 **Construction Liens.** Operator shall not permit any liens arising out of Operator's use of the Operator Property under this Agreement to be filed against the Owner's Property. Operator shall, within sixty (60) days after it receives notice of the lien, provide a bond or other security that Owner may reasonably request, or remove such lien from the Owner's Property in the manner provided by applicable law.

8.10 **Location of Improvements.** The acreage required from the Owner's Property for the Improvements for which the Lease and Easements are being granted cannot be determined until the completion of Operator's inspection, testing, study and surveying of the Owner's Property during the Option Term. Along with the Option Notice, Operator shall deliver to Owner a proposed plan of development showing the contemplated locations of the Improvements and a preliminary calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as the **Exhibit B** to this Agreement. During the final development and construction of the Project, such locations may need to be amended. Following construction of the Project, Operator shall provide Owner an "as-built" survey of all Improvements on Owner's Property and the final calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as **Exhibit C** to this Agreement. Further, following construction, the Improvements may need to be relocated or rerouted by Operator, which Operator may perform, at any time during the Term of this

Agreement, so long as the nature and extent of any such relocated or rerouted Improvements are not materially different and impose no materially greater burden on the Owner's Property than the original locations or routes, and so long as Operator takes commercially reasonable efforts to minimize disruption or inconvenience to Owner.

8.11 **Removal of Improvements.** Upon full or partial termination of any of the Lease Rights or Easements, Operator shall remove all Improvements and restore the area formerly occupied by the Improvements to substantially the same physical condition that existed immediately before the construction of the Improvements (the "**Removal Obligations**"). At Owner's request, all or any part of the Roadway Improvements may be left for use by Owner.

8.12 If a governmental authority does not require a performance bond or security for removal of the Improvements, then upon the earlier to occur of: (i) the termination of this Agreement; or (ii) on the twentieth (20th) anniversary of the commercial operations date of the Project, Operator shall obtain and deliver to Owner a bond in form and substance reasonably satisfactory to Owner securing Operator's Removal Obligations (the "Removal Bond"). The Removal Bond shall be equal to the estimated amount, if any (the "Net Removal Costs"), of removing the Improvements from Owner's Property. Operator shall not be required to deliver such Removal Bond to Owner if Operator has delivered such a bond in connection with the permitting of Owner's Property or any other portion of the Improvements for the Project. Once in place, Operator shall keep such bond, or a like replacement, in force throughout the remainder of the Term. The Net Removal Costs shall be determined by the Parties hereto acting in good faith. If the Parties cannot agree upon the Net Removal Costs within sixty (60) days of their first attempt to do so, then the Net Removal Costs shall be determined by an independent engineer mutually selected by the Parties. If the Parties cannot agree upon such independent engineer within the next thirty (30) days, then by an independent engineer appointed by a District Judge of Henderson County, Kentucky; and the decision of such an independent engineer (however selected) as to the Net Removal Costs shall be conclusive as between and binding upon, the Parties. If an independent engineer is selected, then the Parties hereto shall equally share all of the costs associated with the independent engineer's determination of the Net Removal Cost. If the Removal Bond is unavailable or an alternate form of security is more economical or desirable, then Operator may substitute an alternate form of security, such as a letter of credit, other form of bond, or guarantee reasonably acceptable to Owner that provides substantially equivalent security as the Removal Bond.

9. **Ownership and Title Matters.** Owner warrants and represents to Operator, both as of the Effective Date, and as of the Commencement Date as follows:

9.1 **Authority.** Owner represents and warrants that it is the holder of fee simple title and is the sole owner of the Owner's Property and has the unrestricted right and authority to sign this Agreement and to grant Operator the Lease and Easements and other rights granted in this Agreement. When signed by both Parties, this Agreement constitutes a valid and binding agreement enforceable against Owner in accordance with its terms.

9.2 **Other Agreements.** The Owner's Property is not subject to any other agreements, options, rights of first refusal or other prior right of any party to purchase, lease or acquire easements in the Owner's Property, or create any prior claim or right that would preclude

or interfere with Operator's rights and interests under this Agreement and the Lease and Easements.

9.3 **Minerals**. Intentionally omitted.

9.4 **Owner Mortgage**. Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, there are no mortgages encumbering the Owner's Property ("**Owner Mortgage**").

9.5 **Notice and Opportunity to Cure**. If there is an Owner Mortgage encumbering Owner's Property and Owner receives from the holder thereof any notice that payments are overdue, Owner shall notify Operator and each Operator Mortgagee (as defined at Section 13.1) by sending a copy of such overdue payment notice to Operator by the earlier of (i) five (5) days after receipt, or (ii) three (3) business days prior to the date by which a default under or in respect of such Owner Mortgage could occur. If Operator or any Operator Mortgagee determines that it would be in Operator's interest to make such payments to Owner Mortgagee on Owner's behalf, whether as a result of receiving such notice or otherwise, Operator shall have the right to make such payments and to credit the payments so made against the Annual Installment Payment next due under the Agreement.

9.6 **Subordination, Non-Disturbance & Attornment Agreement**. If there is an Owner Mortgage encumbering Owner's Property, Owner shall cooperate with Operator to obtain a Subordination, Non-Disturbance and Attornment Agreement ("**SNDA**") in the form prepared and provided by Operator, from each Owner Mortgagee, pursuant to which such Owner Mortgagee agrees, among other things, not to disturb Operator's possession and use of the Owner's Property. Owner shall not incur any loss in income, expense, obligation or liability with regard to the SNDA. Operator shall, at its sole cost and expense, record each such SNDA in the Office of the County Clerk in which Owner's Property is located. If Owner fails to deliver a SNDA from each Owner Mortgagee, Operator may, at its sole option, either (i) terminate this Agreement immediately upon written notice to Owner, or (ii) take such action as Operator deems reasonably necessary to effect the rights granted to Operator hereunder, and off-set all amounts expended in such efforts against the Annual Installment Payments and any other amounts due hereunder or in respect hereof.

10. **Representations and Warranties of Owner**. Owner hereby makes the following further representations and warranties both as of the Effective Date, and as of the Commencement Date:

10.1 **Physical Condition**. Owner has no knowledge of any existing physical conditions of the Owner's Property which would prevent, significantly restrict or make more expensive Operator's development of the Owner's Property for the purposes specified in this Agreement, or which could, with the passage of time, or the giving of notice, constitute a violation of any currently applicable governmental law, ordinance, order, rule or regulation.

10.2 **Legal Restrictions**. Owner has no knowledge of any law, regulation, ordinance or order of any local, state or federal governmental authority which would prohibit or significantly restrict Operator's development of the Owner's Property pursuant to this Agreement. This Agreement does not violate any contract, agreement, instrument, judgment or

order to which Owner is a party or which affects the Owner's Property. To the best of Owner's knowledge, the Owner's Property is currently in full and complete compliance with all governmental laws, ordinances, orders, rules and regulations applicable to the Owner's Property.

10.3 **No Litigation.** No litigation is pending and, to the best of Owner's knowledge, no litigation or administrative actions are proposed, threatened or anticipated with respect to any matter affecting the Owner's Property. If Owner learns of any litigation or administrative action proposed, threatened or instituted with respect to the Owner's Property, Owner shall give Operator notice within thirty (30) days thereof.

10.4 **Survival.** The representations and warranties set forth in this Section 10 shall survive the execution and delivery hereof.

## 11. **Use, Operation and Maintenance.**

11.1 **Exclusive Use by Operator.** Operator shall have the exclusive right (i) to use and possess the Owner Property in connection with the Project and other similar solar-powered electrical power generation projects; (ii) to investigate, inspect, survey, and conduct tests of the Owner's Property, including, but not limited to, meteorological, environmental, archeological and geotechnical tests and studies; (iii) to use and convert all of the sunlight resources on the Owner's Property; and (iv) to undertake such other activities on the Owner's Property that may be related to the Project, including, without limitation, the storage of Solar Panels, materials and equipment during the installation and construction of the Improvements; development and operation of communications systems; and site tours of the Project for visitors and other interested parties.

11.2 **No Required Installation or Operation.** Nothing in this Agreement shall be interpreted as imposing on Operator any obligation to install Solar Panels or other Improvements on the Owner's Property, or to operate the Project on the Owner's Property. Operator shall have the sole discretion to determine if and when any Solar Panels and other Improvements may be constructed on Owner's Property, and if and when to commence the operation of the Project on the Owner's Property.

11.3 **Permits and Approvals.** Operator shall be responsible, at its sole cost and expense, for obtaining any governmental permits and approvals necessary for the construction and operation of the Project and the construction and operation of the Improvements. Owner shall cooperate with Operator as necessary to obtain any governmental or utility approvals or permits, including, without limitation, signing any applications for such approvals, provided that Owner shall not incur any loss in income, expense, obligation or liability with respect to Operator obtaining such permits or approvals.

11.4 **Compliance with Laws.** Operator shall comply in all material respects with valid laws applicable to the Owner's Property and the Operator Property. Operator shall have the right, in its sole discretion and at its sole expense, in Operator's name to contest the validity or applicability to the Owner's Property and the Operator Property of any law, ordinance, statute, order, regulation, property assessment or the like made by any governmental agency or entity. Operator shall control any such contest and Owner shall cooperate with Operator in every

reasonable way in such contest, provided that Owner shall incur no expense, obligation or liability with regard to such contest.

11.5 **Care and Appearance.** Operator, in its exercise of the lease, easement and other rights granted hereunder shall, at all times, maintain the Owner's Property and the Improvements in a reasonably neat, clean and presentable condition. Operator shall not willfully or negligently damage or destroy the Owner's Property and shall keep the Owner's Property clean and free of debris created by Operator, its contractors, or others brought on to the Owner's Property by Operator. Operator shall not use the Owner's Property for storage, except for materials, construction equipment and vehicles directly associated with construction or maintenance of the Improvements on the Owner's Property or adjacent properties that are part of the Project.

11.6 **Fences and Gates.** At Owner's request, Operator shall repair or replace any fences, gates or cattle guards damaged or removed in connection with Operator's activities on the Owner's Property. Fences removed from the Owner's Property, if replaced, shall be re-built by Operator at its expense in mutually agreeable locations. All fence repair and construction shall be substantially similar to the construction of existing fences and cattle guards on Owner's Property. Any gates opened for access to Owner's Property by either Party shall be closed immediately after passing through so that livestock may not pass through. Once completed, all replacement fences, gates and cattle guards shall be owned and maintained by Owner. Upon abandonment or termination of the rights granted to Operator in this Agreement, any fences, gates and cattle guards installed by Operator shall remain and become the property of Owner. To minimize the need for temporary fencing, Owner will cooperate with Operator to avoid pasturing animals on or near the Improvements during periods of construction, maintenance or removal activity by Operator. Owner will discuss with Operator what temporary fencing is necessary during the periods of construction, maintenance or removal activity by Operator.

11.7 **Roadway Maintenance and Repairs.** Operator agrees to maintain and repair all Roadway Improvements located on the Operator Property; provided, however, Owner shall reimburse Operator for any costs and expenses incurred by Operator to repair any damage or perform any special maintenance of the Roadway Improvements caused by Owner or any person using the Roadway Improvements with Owner's permission, other than Operator.

12. **Taxes.**

12.1 **Owner's Taxes.** Owner covenants and agrees to pay prior to delinquency all real and personal property and other taxes, general and special assessments, and other charges of every description ("**Taxes**") levied or assessed against the Owner's Property and all improvements thereon by governmental authorities, other than Operator's Taxes referenced in Section 12.2 (Taxes, excepting Operator's Taxes, are hereinafter referred to as "**Owner's Taxes**").

[REDACTED]

[REDACTED]

12.3 **Failure to Pay.** In the event either Party fails to pay their share of Taxes prior to delinquency, the other Party shall have the right to pay such Taxes and any accrued penalties or interest, which payments shall increase or be offset against other Payments due under this Agreement.

12.4 **Operator's Right to Contest.** Operator may contest the legal validity or amount of any Operator's Taxes for which it is responsible under this Agreement, and may institute such proceedings as it considers necessary, provided that Operator shall bear all expenses in pursuing such contest or proceeding. With respect to any Taxes which may constitute a lien on the Owner's Property, Operator shall promptly pay such Taxes unless the proceeding in which it contests such Taxes shall operate to prevent or stay the collection of the Taxes so contested or unless Operator removes any such lien by bonding or otherwise. Owner agrees to render to Operator all reasonable assistance in contesting the validity or amount of any such Taxes, with the exception of Taxes levied by Owner, including joining in the signing of any reasonable protests or pleading which Operator may deem advisable to file; provided, however, that Operator shall reimburse Owner for its reasonable out-of-pocket expenses, including reasonable attorneys' fees incurred in connection with providing such assistance.

13. **Mortgage of Operator Property.**

13.1 **Right to Mortgage.** Operator may, upon written notice to Owner, but without requiring Owner's consent or approval, mortgage, collaterally assign, or otherwise encumber and grant security interests in all or any part of its interest in this Agreement and the Operator Property. These various security interests in all or a part of this Agreement and the Operator Property are collectively referred to as an "**Operator Mortgage**" and holder of such security interest, an "**Operator Mortgagee**". Any Operator Mortgagee shall use the Operator Property only for the uses permitted under this Agreement. Whenever Operator has granted a security interest under this Section 13, it will give Owner notice of the Operator Mortgage (including the name and address of the Operator Mortgagee for notice purposes) to Owner within thirty (30) days; provided that failure to give this notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner to provide such Operator Mortgage notice until the Operator and its address is given to Owner.

13.2 **Notice of Default and Opportunity to Cure.** As a precondition to exercising any rights or remedies related to any alleged default by Operator under this Agreement, Owner

shall give written notice of the default to each Operator Mortgagee at the same time it delivers notice of default to Operator, specifying in detail the alleged event of default and the required remedy. Each Operator Mortgagee or its designee shall have the right, but not the obligation, to cure any default as Operator, and/or the right, but not the obligation, to remove any Improvements or other property owned by Operator or such Operator Mortgagee located on the Owner's Property to the same extent as Operator. The cure period for any Operator Mortgagee shall be the later of (i) the end of the Operator cure period under Section 18; (ii) thirty (30) days after such Operator Mortgagee's receipt of the default notice; or (iii) if applicable, the extended cure period provided for in Section 13.3. Failure by Owner to give an Operator Mortgagee notice of default shall not diminish Owner's rights against Operator, but shall preserve all rights of the Operator Mortgagee or its designee to cure any default and to remove any Improvements or other property of Operator or the Operator Mortgagee located on the Owner's Property.

13.3 **Extended Cure Period.** If any default by Operator under this Agreement cannot be cured without the Operator Mortgagee obtaining possession of all or part of the Operator Property, then any such default shall be deemed remedied if an Operator Mortgagee: (i) within sixty (60) days after receiving notice from Owner as set forth in Section 13.2, acquires possession of all or part of the Operator Property, or begins appropriate judicial or nonjudicial proceedings to obtain the same; (ii) diligently prosecutes any such proceedings to completion; and (iii) after gaining possession of all or part of the Operator Property performs all other obligations as and when the same are due in accordance with the terms of this Agreement. If an Operator Mortgagee is prohibited by any court or by operation of any bankruptcy or insolvency laws from commencing or prosecuting the proceedings described above, the sixty (60) day period specified above for commencing proceedings shall be extended for the period of such prohibition.

13.4 **Operator Mortgagee Liability.** Any Operator Mortgagee whose interest in the Operator Property is held solely for security purposes, shall have no obligation or liability under this Agreement unless and until the Operator Mortgagee succeeds to absolute title to the Operator Property and the rights of Operator under this Agreement. An Operator Mortgagee shall be liable to perform obligations under this Agreement only for and during the period it directly holds such absolute title.

13.5 **Certificates.** Owner shall execute any estoppel certificates (certifying as to truthful matters, including without limitation that no default then exists under this Agreement, if such be the case), consents to assignment and non-disturbance agreements as Operator or any Mortgagee may reasonably request from time to time. The Parties shall negotiate in good faith any amendment to this Agreement from time to time to include any provision that may be reasonably requested by Operator or any Operator Mortgagee to implement the provisions contained in this Agreement or to preserve an Operator Mortgagee's security interest.

13.6 **Operator Mortgagee's Right to Enforce Mortgage and Assign.** Each Operator Mortgagee shall have the right, in its sole discretion: (i) to assign its Operator Mortgage; (ii) to enforce its lien and acquire title to all or any portion of the Operator Property by any lawful means; (iii) to take possession of and operate all or any portion of the Operator Property and to perform all obligations to be performed by Operator under this Agreement, or to cause a receiver to be appointed to do so; and (iv) to acquire all or any portion of the Operator Property by

foreclosure or by an assignment in lieu of foreclosure and thereafter to assign or transfer all or any portion of the Operator rights under this Agreement to a third party in accordance with Section 14. Any Operator Mortgagee or other party who acquires Operator's interest in all or a portion of the Operator Property pursuant to foreclosure or assignment in lieu of foreclosure shall not be liable to perform the obligations imposed on Operator by this Agreement, which are incurred or accruing after such Operator Mortgagee or other party no longer has ownership or possession of the Operator Property.

### 13.7 **New Agreement.**

13.7.1 If the Operator Property is foreclosed upon or there is an assignment in lieu of foreclosure, or if this Agreement is rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditor's rights and, within ninety (90) days after such event, Operator or any Operator Mortgagee or other purchaser at a foreclosure sale shall have arranged to the reasonable satisfaction of Owner to cure any material defaults under this Agreement, and for the payment of all Annual Installment Payments or other charges due and payable by Operator as of the date of such event, then Owner shall execute and deliver to Operator or such Operator Mortgagee or other purchaser at a foreclosure sale, or to a designee of one of these parties, as the case may be, a new agreement ("**New Agreement**") which (i) shall be for a term equal to the remainder of the Term of this Agreement before giving effect to such rejection or termination; (ii) shall contain the same covenants, agreements, terms, provisions and limitations as this Agreement (except for any requirements that have been fulfilled by Operator or any Operator Mortgagee or other purchaser at a foreclosure sale prior to rejection or termination of this Agreement); and (iii) shall include that portion of the Operator Property in which Operator or such other Operator Mortgagee or other purchaser at a foreclosure sale had an interest on the date of rejection or termination.

13.7.2 If more than one Operator Mortgagee makes a written request for a New Agreement pursuant to this provision, the New Agreement shall be delivered to the Operator Mortgagee requesting such New Agreement whose Operator Mortgage is prior in time, and the written request of any other Operator Mortgagee whose lien is subordinate shall be void and of no further force or effect. The provisions of this Section 13 shall survive the termination, rejection or disaffirmation of this Agreement and shall continue in full force and effect thereafter to the same extent as if this Section 13 were a separate and independent contract made by Owner, Operator and each Operator Mortgagee, and, from the effective date of such termination, rejection or disaffirmation of this Agreement to the date of execution and delivery of such New Agreement, such Operator Mortgagee or other purchaser at a foreclosure sale may use and enjoy the Operator Property without hindrance by Owner or any person claiming by, through or under Owner; provided that all of the conditions for the New Agreement as set forth above are complied with.

13.8 **Operator Mortgagee's Consent to Amendment, Termination or Surrender.** Notwithstanding any provision of this Agreement to the contrary, the Parties agree that so long as any Operator Mortgage remains outstanding, this Agreement shall not be modified or amended, and Owner shall not accept a surrender, cancellation or release of all or any part of the Operator Property from Operator, prior to expiration of the Term of this Agreement, without the prior written consent of the Operator Mortgagee holding such Operator Mortgage. This

provision is for the express benefit of and shall be enforceable by each Operator Mortgagee as if it were a party named in this Agreement.

14. **Assignment and Sublease.** Operator shall have the right, without Owner's consent, to sell, convey, lease, or assign all or any portion of this Agreement or the Operator Property, on either an exclusive or a non-exclusive basis, or to grant subeasements, co-easements, easements, licenses or similar rights with respect to the Operator Property (collectively, "**Assignment**"), to one or more persons or entities (collectively "**Assignee**"). Each Assignee shall use the Operator Property only for the uses permitted under this Agreement. When Operator makes any Assignment under this Section 14, Operator shall give written notice to Owner of such Assignment (including the interest conveyed by the Assignment and address of the Assignee for notice purposes) to Owner; provided Operator's failure to give such notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner with respect to such assignment or conveyance until such notice is given. Any Assignment by Operator shall release Operator from obligations subject thereof accruing after the date that liability for such obligations is assumed by the Assignee.

15. **Hazardous Materials.**

15.1 **Owner's Covenants Regarding Hazardous Materials.** Owner represents and warrants that, to the best of Owner's knowledge, the Owner's Property is not and has not been in violation of any federal, state or local environmental health or safety laws, statute, ordinance, rule, regulation or requirement ("**Environmental Laws**"), and Owner has not received any notice or other communication from any governmental authorities alleging that the Owner's Property is in violation of any Environmental Laws. "**Hazardous Materials**" shall mean any asbestos containing materials, petroleum, explosives, toxic materials, or substances regulated as hazardous wastes, hazardous materials, hazardous substances, or toxic substances under any federal, state, or local law or regulation. Owner warrants that Owner has done nothing to contaminate the Operator Property with Hazardous Materials or wastes.

15.2 **Operator's Covenants Regarding Hazardous Materials.** Operator shall, at Operator's sole cost and expense, promptly take removal or remedial action required by Environmental Law with regard to any material violation of any Environmental Law with regard to any Hazardous Materials brought onto the Owner's Property by Operator or its employees, agents, or contractors. Owner shall cooperate with Operator with regard to any scheduling or access to the Owner's Property in connection with any action required hereunder.

15.3 **Operator's Indemnity Regarding Hazardous Materials.** Operator shall indemnify, defend, protect and hold Owner harmless from any liability based on: (i) the release of Hazardous Materials in, on, under or about the Owner's Property caused by Operator or its employees, agents, or contractors, or (ii) the violation by Operator or its employees, agents, or contractors of any Environmental Law. The indemnity obligations set forth herein shall survive termination of this Agreement.

16. **Insurance and Indemnity.**

16.1 **Insurance.** At all times during which Operator is conducting any activities on the Property and at all times during the Term of this Agreement, Operator shall maintain in effect (1) commercial General Liability Insurance, including bodily injury and property damage coverage with minimum limits of \$1 Million Dollars per occurrence and \$2 Million Dollars aggregate and (2) Umbrella Liability Insurance with minimum limits of \$5 Million Dollars per occurrence and \$5 Million Dollars aggregate. Operator shall name Owner as additional insured on such insurance policy and provide Owner with a certificate of such insurance.

16.2 **Indemnity by Operator.** Operator shall defend, indemnify, protect and hold Owner harmless from and against all liabilities, costs, expenses, obligations, losses, damages, claims, (collectively "**Claims**") resulting from the negligence, willful misconduct, or breach of this Agreement by Operator, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Owner, its agents, contractors or employees, invitees, licensees or permittees.

16.3 **Indemnity by Owner.** Owner shall defend, indemnify, protect, and hold Operator harmless from and against all Claims resulting from the negligence, willful misconduct, or breach of this Agreement by Owner, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Operator, its agents, contractors, employees, invitees, licensees, or permittees.

16.4 **Survival.** The obligations of the Parties under this Section 16 shall survive expiration or other termination of this Agreement.

17. **Confidentiality.** This Agreement includes confidential and proprietary information relating to Operator and the Project. Owner agrees not to provide copies of the Agreement or disclose the terms of the Agreement to any unauthorized person or entity. Operator authorizes Owner to provide copies of the Agreement and disclose the terms thereof to Owner's family ("family" shall be deemed to include all devisees or descendants of owner by will or intestacy), attorney, accountant, financial advisor and any existing or prospective mortgagee, lessee, or purchaser for the sole purpose of evaluating and advising Owner and for no other purpose, so long as such authorized parties agree in writing to become subject to the confidentiality provisions hereto and not to provide copies of the Agreement or disclose the terms thereof to any unauthorized person or entity. Any Owner and party shall return all material containing any confidential information to Operator immediately upon its request. Any party agrees to destroy immediately upon request by Operator such analyses, compilation, studies or other documents, and any oral information will continue to be subject to the terms of this Agreement. Owner agrees that Operator will have no adequate remedy at law if any party violates any of the terms of this Agreement. In such event Operator will have the right, in addition to any other rights Operator may have, to obtain injunctive relief to restrain any breach or threatened breach by third party or specific enforcement of such terms plus reimbursement of attorneys' fees, court costs and all associated expenses. No party shall publish, file for public record, reproduce, or otherwise disseminate this document or any of the terms and provisions hereof to any party, other than the Parties set forth above without the prior written consent of Operator, which consent may be withheld for any reason and in Operator's sole discretion.

18. **Default and Remedies.**

18.1 **Operator Payment Default.** If Operator shall fail to pay any amounts set forth in **Exhibit D** which failure continues for more than thirty (30) days from receipt of written notice from Owner that such amount is due, then Operator shall be in default ("**Operator Payment Default**") and Owner shall have the following remedies:

18.1.1 **Collection of Payments.** With or without terminating this Agreement, Owner may file a lawsuit against Operator to collect any unpaid amounts set forth in **Exhibit D** together with interest thereon that accrues during the continuance of the Operator Payment Default, calculated at a rate ("**Default Rate**"), which is the lesser of (i) the prime interest rate at JP Morgan Chase & Co. (or its successor) plus two percent (2%) per annum, or (ii) the maximum lawful rate.

18.1.2 **Terminate Agreement.** Owner may not terminate this Agreement because of any Operator Payment Default without first giving Operator written notice of its intention to terminate the Agreement ("**Termination Notice**"), to be effective on a date to be specified by Owner that is at least thirty (30) days after the date of the Termination Notice. If, by the date specified in the Termination Notice, Operator fails to pay the amount required to cure the Operator Payment Default (including interest at the Default Rate that accrues during the continuance of the Operator Payment Default), Owner's termination of this Agreement shall become effective on the date specified in the Termination Notice. Upon such termination, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination (including the amount owed by Operator with respect to the Operator Payment Default and interest payable with respect thereto); (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Owner's right to terminate this Agreement pursuant to this Section 18.1.2 is subject to and conditioned upon Owner giving any Operator Mortgagee written notice and opportunity to cure the Operator Payment Default as provided in Section 13.2.

18.2 **Other Operator Default.** Operator shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement other than an Operator Payment Default as set forth in Section 18.1 and shall not cure such default within thirty (30) days after receiving notice thereof from Owner (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Operator fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Other Operator Default**"). The breach by Operator of any provision hereof may only result in a cause of action by Owner under applicable law and, other than as set forth in this Section 18.2, Owner hereby waives all other rights it may have, in law or in equity, to terminate this Agreement prior to the expiration of the Term. In the event of any such breach by Operator, Owner shall, at least thirty (30) days prior to commencing any cause of action, give written notice of the cause of breach to Operator, and any Operator Mortgagee (of which it has been notified in writing) concurrently, specifying in detail the alleged event of breach and the required remedy. If Operator does not cure or commence curing such breach within thirty (30) days of receipt of notice, the Operator Mortgagee or its designee shall have the

absolute right, but not the obligation, to substitute itself for Operator and perform the duties of Operator hereunder for the purposes of curing such breach. Owner expressly consents to such substitution, agrees to accept such performance, and authorizes the Operator Mortgagee or its designee (or its employees, agents, representatives or contractors) to enter upon the Owner's Property to complete such performance with all the rights, privileges and obligations of Operator hereunder. Owner may cure any default by Operator after Operator's cure period has expired. If Owner at any time by reason of Operator's default, pays any sum or performs any act that requires the payment of any sum, the sum paid by Owner shall be due immediately from Operator to Owner, together with interest on such sum calculated at the Default Rate.

18.3 **Owner Default.** Owner shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement and shall not cure such default within thirty (30) days after receiving notice thereof from Operator (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Owner fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Owner Default**"). Upon the occurrence of an Owner Default, Operator shall have the option to pursue any one or more of the following remedies without any further notice or demand whatsoever: (i) terminate this Agreement without being liable for prosecution or any claim of damages therefor; and (ii) pursue any and all other action or remedies that may be available to Operator at law or in equity, including but not limited to all loss or damage which Operator may suffer by reason of a termination of this Agreement.

19. **Condemnation.**

19.1 **Complete Taking.** If, at any time, any authority having the power of eminent domain shall condemn all or substantially all of the Operator's Property, or all of the Improvements thereon, for any public use or otherwise, then the interests and obligations of Operator under this Agreement in or affecting the Operator's Property shall cease and terminate upon the earlier of (i) the date that the condemning authority takes physical possession of the Operator's Property or the Improvements thereon, (ii) the date that Operator is, in its sole judgment, no longer able or permitted to operate the Project on the Operator's Property in a commercially viable manner, or (iii) the date of the condemnation judgment. Operator shall continue to pay all amounts payable hereunder to Owner until the earlier of such dates, at which time the Parties shall be relieved of any and all further obligations and conditions to each other under this Agreement.

19.2 **Partial Taking.** If, at any time during the term of this Agreement, any authority having the power of eminent domain shall condemn one or more, but not all, of the Solar Panels, or any portion of the Improvements or the Operator's Property, then the interest and obligations of Operator under this Agreement as to those Solar Panels or any portion of the Improvements or the Operator's Property so taken shall cease and terminate upon the earlier of (i) the date that the condemning authority takes possession of such Solar Panels or any portion of the Improvements or the Operator's Property, (ii) the date that Operator is, in its reasonable judgment, no longer able or permitted to operate the Project on the Operator's Property, or any portion thereof, in a commercially viable manner, or (iii) the date of the condemnation judgment; and, unless this Agreement is terminated as hereinafter provided, this Agreement shall continue in full force and effect as to the remainder of the Solar Panels, Improvements and the Operator's Property. If the

remainder of the Solar Panels or any other portion of the Improvements or the Operator's Property is or becomes insufficient or unsuitable for Operator's purposes hereunder, as determined by Operator in its sole discretion, then, subject to the rights of any Operator Mortgagee under Section 13, Operator shall have the right to terminate this Agreement as to the portion of the Operator's Property to which Operator continues to hold the rights, at which time the Parties shall be relieved of any further obligations and duties to each other under this Agreement.

19.3 **Apportionment, Distribution of Award.** On any taking, all sums awarded, including damages and interest, shall be paid as follows:

(a) Any portion of the award by the court on account of any cost or loss that Operator may sustain in the removal and relocation of Operator's Improvements, to Operator;

(b) Any portion of the award by the court for Operator's anticipated or lost revenues or profits, to Operator;

(c) Any portion of the award by the court for Owner's lost revenues, to Owner;

(d) All remaining amounts of the award, to Owner or Operator consistent with applicable Kentucky law.

20. **Notice.**

20.1 **Writing.** All notices given or permitted to be given hereunder shall be in writing.

20.2 **Delivery.** Notice is considered given either (i) when delivered in person to the recipient named below, (ii) upon receipt after deposit in the United States mail in a sealed envelope or container, postage and postal charges prepaid, return receipt requested or certified mail, addressed by name and address to the party or person intended, or (iii) twenty-four (24) hours from proper and timely delivery to an overnight courier service addressed by name and address to the party or person intended as follows:

Notice to Owner: Claudia Perkins f/k/a Claudia Clark

Notice to Operator: Boulevard Associates, LLC  
700 Universe Blvd  
Juno Beach, FL 33408  
Attn: Land Services Administration  
Telephone: (855) 552-9872

20.3 **Change of Recipient or Address.** Either Party may, by notice given at any time or from time to time, require subsequent notices to be given to another individual person,

whether a party or an officer or representative, or to a different address, or both. Notices given before actual receipt or notice of change shall not be invalidated by the change.

21. **Miscellaneous Provisions.**

21.1 **Successors and Assigns.** The terms and provisions of this Agreement shall run with the land and be binding on and inure to the benefit of the heirs, successors, assigns and personal representatives of the Parties. In accordance with this Agreement, Operator in its discretion may authorize other persons or entities to use the Operator Property for the purposes stated in this Agreement

21.2 **Memorandum.** Simultaneously with the execution of this Agreement, the Parties agree to execute and acknowledge a memorandum of this Agreement. Operator may record the executed memorandum in the public records of Henderson County, Kentucky.

21.3 **Entire Agreement.** This Agreement and the attached Exhibits shall constitute the entire agreement between the Parties and supersedes all other prior writings and understandings.

21.4 **Amendments.** This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties and consented to by any Operator Mortgagee. The Parties hereto shall at all times hereafter execute any documents and do any further acts which may be necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof.

21.5 **Legal Matters.** This Agreement shall be governed by and interpreted in accordance with the then existing laws of the Commonwealth of Kentucky and the County where the Owner's Property is located shall be considered the proper forum or jurisdiction for any disputes arising in connection with this Agreement. The Parties agree to first attempt to settle any dispute arising out of or in connection with this Agreement by good-faith negotiation. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Agreement, each shall have all remedies available at law or in equity and as provided by this Agreement. **Each Party waives all right to trial by jury and specifically agrees that trial of suits or causes of action arising out of this Agreement shall be to the court of competent jurisdiction.**

21.6 **Severability.** If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, to any extent, be determined by judicial order or decision to be invalid or unenforceable, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held to be invalid, shall be enforced to the fullest extent permitted by law.

21.7 **Tax Credits.** If under applicable law Operator becomes ineligible for any currently existing tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal government, then, at Operator's option, the Parties shall negotiate in good faith to amend this Agreement or replace it with a different instrument so as to convert Operator's interest in the Operator Property to a substantially similar interest that makes Operator eligible for such tax credit, benefit or incentive. Such amendment or instrument shall

not impair any of Owner's rights or increase the burdens or obligations of Owner under this Agreement.

21.8 **Approvals**. Whenever in this Agreement the approval or consent of either Party is required or contemplated, unless otherwise specified, such approval or consent shall not be unreasonably withheld or delayed.

21.9 **Authority**. The signatories hereto warrant that each has the authority to execute this Agreement on behalf of any entities which are Parties to this Agreement and that each such entity has executed this Agreement pursuant to its organizational documents or a resolution or consent of their Board of Directors or other governing body.

21.10 **Time of Essence**. Time is of the essence of each provision of this Agreement.

21.11 **Counterparts**. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute a single instrument.

## SOLAR LEASE AND EASEMENT AGREEMENT

1. **Parties.** This Solar Lease and Easement Agreement ("**Agreement**") is made and entered as of the 17 day of December 2019 ("**Effective Date**"), by and between Milton E. Crowder joined by consenting spouse, Diane G. Crowder, whose; and Virginia S. Gaddis, joined by consenting spouse, William L. Gaddis, Jr. (collectively the "**Owner**") and Boulevard Associates, LLC, a Delaware limited liability company ("**Operator**"), which are sometimes individually referred to as a "**Party**" and collectively as the "**Parties**".
2. **Project.** This Agreement relates to the solar-powered electrical power generation and transmission project known as the "Sebree Solar Energy Center" to be located in Henderson County, Kentucky ("**Project**"), which may be wholly or partially located on the Owner's property legally described on the attached **Exhibit A** to this Agreement ("**Owner's Property**"). Upon Operator's exercise of the Option (as defined below), the Project shall include (i) the Lease of Owner's Property described in Section 4, (ii) the Easements referenced in Section 5 that are located on the Owner's Property, and (iii) the Improvements referenced in Section 8 to be constructed on Owner's Property. The Lease, Easements and Improvements are sometimes collectively referred to as the "**Operator Property**".
3. **Option.** Owner grants to Operator an exclusive option ("**Option**") to acquire the Lease and Easements referenced in Sections 4 and 5 in accordance with the following terms and conditions. Operator shall be entitled to acquire the Lease and the Easements in their entirety or in part, as Operator deems appropriate.
  - 3.1 **Option Term.** The period during which Operator may exercise the Option shall be for a term of four (4) years, commencing on the Effective Date ("**Option Term**").
  - 3.2 **Option Payment.** As consideration for the granting of the Option, Operator agrees to pay Owner the Option Payment set forth in **Exhibit D**.
  - 3.3 **Use of Owner's Property.** During the Option Term, Operator and its employees, agents and contractors shall have a right to enter upon the Owner's Property and the right of ingress and egress over and across the Owner's Property for the purposes of (i) surveying the Owner's Property; (ii) performing such other tests and studies as Operator may desire in connection with the Option, including, without limitation, environmental, avian and cultural resource assessments, and geotechnical, foundation and soil tests, provided that such activities do not unreasonably interfere with Owner's use of the Owner's Property; and (iii) installing, maintaining, operating, inspecting and removing one or more weather related instruments ("**Weather Instrument**") and fencing of said Weather Instrument and including the performance of all tests and studies associated therewith. Owner shall not permit any other individual or entity except Operator or its affiliates to install a Weather Instrument on Owner's Property.
  - 3.4 **Right to Grant Option.** Owner warrants and represents to Operator that (i) the statements in Section 9 concerning Owner's title to the Owner's Property are true and correct; (ii) Owner has the authority to grant this Option to Operator without the consent or approval of any other party; and (iii) there are no other existing options, rights of first refusal, contracts to

purchase, leases or mortgages that would prevent Operator from exercising its rights with respect to the Option.

3.5 **Exercise of Option.** Operator may exercise the Option by giving written notice to Owner ("**Option Notice**") at any time during the Option Term. Operator shall specify in the Option Notice the Commencement Date referenced in Section 6.1.1. On the Commencement Date, the Lease and Easements referenced in Sections 4 and 5 shall automatically become effective, and the Parties shall be subject to all of the terms and conditions of this Agreement with respect to such Lease and Easements and all rights and obligations relating thereto.

3.6 **Termination of Option.** If Operator fails to exercise the Option within the Option Term, the Option and the rights of Operator as the optionee shall automatically terminate.

4. **Lease.** Upon exercise of the Option by Operator, Owner leases to Operator, and Operator leases from Owner, Owner's Property for the Lease and Easement Term (defined in Section 6.1) in accordance with the terms and conditions of this Agreement ("**Lease**"), which Lease grants Operator and its agents, contractors, and employees the right to use the Owner's Property for the following permitted uses:

4.1 **Construction Right.** Operator leases Owner's Property for the purpose of constructing, operating, maintaining, repairing, replacing, and removing all or any part or component of the Improvements whether located on Owner's Property. Operator may exercise its right to use all or any part of the Owner's Property as and when Operator deems it necessary or advisable to do so to perform the activities for which this right is granted, including, without limitation, staging areas and parking for Operator's employees. Any such areas being used temporarily by Operator shall be located immediately adjacent to the portion of the Property leased by Operator hereunder.

4.2 **Access Right.** Operator leases Owner's Property for unobstructed vehicular and pedestrian access and ingress to and egress from the Improvements, Owner's Property and any public roadways, and to construct, maintain, and utilize Roadway Improvements on the Owner's Property. Owner shall not permit others to obstruct or damage the roads or Roadway Improvements located on the Owner's Property or in any other way interfere with Operator's rights under this right. Operator shall repair any damage done to Roadway Improvements which result from use by Operator, its agents, servants or employees. Such roads shall be maintained in the condition necessary for use by Operator's equipment, and with regard to existing roads, shall be maintained in at least the condition that existed prior to Operator's use. Any roads inside of the fenced area of the project will be maintained by Operator at Operator's sole cost and expense.

4.3 **Solar Panels Right.** Operator leases Owner's Property for Operator to construct, operate, replace, relocate, remove, and maintain Solar Panels and the appurtenant Collection Facilities, together with associated roads and parking areas on Owner's Property.

4.4 **Collection Facilities Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Collection Facilities on and under the Owner's Property.

4.5 **Substation Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove one or more Substations on Owner's Property.

4.6 **Telecommunication Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Telecommunication Facilities on and under the Owner's Property.

4.7 **Weather Instrument Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain a Weather Instrument and the appurtenant Collection Facilities on Owner's Property.

4.8 **Battery Facilities Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain one or more Battery Facilities on Owner's Property.

5. **Grant of Easements.** Upon the exercise of the Option by Operator, Owner grants to Operator, and Operator accepts from Owner, for the Lease and Easement Term referenced in Section 6.1, the following easements over and across the Owner's Property in accordance with the terms and conditions of this Agreement. The following easements are for the benefit of Operator and Operator's agents, contractors and employees and located on the Owner's Property and are collectively referred to as the "Easements".

5.1 **Sun Non-Obstruction Easement.** Owner grants Operator an irrevocable, exclusive easement for the right and privilege to use, maintain and capture the free and unobstructed sunlight over and across the Owner's Property. Owner shall not engage in any activity on Owner's Property or any other neighboring property owned by Owner that might interfere with the sunlight direction over any portion of Owner's Property; cause a decrease in the output or efficiency of any Solar Panel or Weather Instrument; or otherwise interfere with Operator's operation of the Project or exercise of any rights granted in this Agreement (collectively "**Interference**"). This grant of the easement expressly includes the right of Operator to enforce Operator's rights, including the physical removal of trees or structures (except existing trees and structures) causing Interference to the Project contemplated by Operator. Operator shall notify Owner before making any such removals.

5.2 **Effects Easement.** Owner grants to Operator an easement over Owner's Property for visual, view, light, flicker, noise, shadow, vibration, electromagnetic, electrical and radio frequency interference, and any other effects attributable to the Project located on the Owner's Property.

6. **Term.** The term of this Agreement ("**Term**") includes the Option Term referenced in Section 3.1, the Initial Lease and Easement Term as described in Section 6.1.1 and the Extended Lease and Easement Term as described in Section 6.1.2 (together, the Initial Lease and Easement Term and the Extended Lease and Easement Term, if applicable, is defined as the "**Lease and Easement Term**").

6.1 **Lease and Easement Term.**

6.1.1 **Initial Lease and Easement Term.** The initial term of the Lease and Easements shall commence on the date specified by Operator in the Option Notice ("**Commencement Date**"). The initial term of the Lease and Easements shall end thirty (30) years after the Commencement Date (the "**Initial Lease and Easement Term**"), subject to the rights of renewal and termination as provided in this Agreement.

6.1.2 **Extended Lease and Easement Term.** Operator shall have the right to extend the Term of this Agreement for two (2) consecutive terms of five (5) years each in accordance with the terms and provisions of this Agreement (collectively "**Extended Lease and Easement Term**") by providing written notice to Owner of Operator's intent to extend the Term within one hundred eighty (180) days of the end of the existing Term. Each Extended Lease and Easement Term shall begin on the expiration date of the Initial Lease and Easement Term or previous Extended Lease and Easement Term, as the case may be. During the Extended Lease and Easement Term, Operator shall pay Owner the amounts set forth in **Exhibit D** as the consideration for the Lease and Easements.

6.1.3 **Delays During Lease and Easement Term.** At Operator's option, the Term may be extended for a period of time equal to the period of time during which operation of the Project is delayed or suspended because of the occurrence of a Regulatory Suspension or Force Majeure, which are defined as follows:

(i) "**Regulatory Suspension**" shall mean the enactment or application of any law, order, rule, or regulation of the Kentucky Public Service Commission, Federal Energy Regulatory Commission, or other local, state, or federal government authority having jurisdiction over the Project or Operator, or the failure of any such governmental authority to issue an approval or permit pursuant to any such law, order, rule, or regulation, which results in the delay, interruption, or suspension of the production, sale or transmission of electricity from the Solar Panels; and

(ii) "**Force Majeure**" shall mean causes beyond the reasonable control of and without the fault or negligence of the Party claiming Force Majeure, including but not limited to acts of God, labor unrest (including, but not limited to, slowdowns, picketing, boycotts or strikes), flood, earthquake, storm, fire, lightning, explosion, power failure or power surge, vandalism, theft, the cutting of power, transmission or other lines, wires or cables to the Project by persons other than Operator's employees or contractors, epidemic, war, revolution, riot, civil disturbance, sabotage, change in law or applicable regulation subsequent to the Commencement Date and action or inaction by any federal, state or local legislative, executive, administrative judicial agency or body which in any of the foregoing cases, by exercise of due foresight such Party could not reasonably have expected to avoid, and which, by the exercise of due diligence, it is unable to overcome.

The Parties shall be excused from performing their respective obligations under this Agreement and shall not be liable in damages or otherwise if and to the extent that they are unable to so perform or are prevented from performing by a Force Majeure, provided that: (i) the non-performing Party, as promptly as practicable after the occurrence of the Force Majeure, but in no event later than thirty (30) days thereafter, gives the other Party written notice describing the particulars of the occurrence; (ii) the suspension of performance is of no greater scope and of no

longer duration than is reasonably required by the Force Majeure; (iii) the non-performing Party uses good faith and commercially reasonable efforts to remedy its inability to perform; and (iv) as soon as the non-performing Party is able to resume performance of its obligations excused as a result of the occurrence, each Party shall give prompt written notification thereof to the other Party. Notwithstanding the foregoing, Operator shall pay Owner 50% of the Annual Installment Payments during any period of Force Majeure.

6.2 **Termination by Operator.** Provided Operator is not in default under any term of this Agreement, Operator, at its option, shall have the right to terminate this Agreement at any time during the Term of the Agreement, as to all or any part of the Operator Property. Termination shall be effective thirty (30) days after written notice of such termination to Owner. If Operator's notice is a full termination of the Operator Property, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination; (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Upon any such partial termination by Operator, the Parties shall be relieved of all further duties and obligations under this Agreement with respect to the portion thereof terminated by Operator, subject to the obligations and liabilities referenced in items (i) through (iii) above that shall continue to be applicable to the terminated portion of this Agreement. The Parties agree to execute an amendment to this Agreement evidencing such partial termination.

7. **Payments.** If Operator exercises the Option referenced in Section 3, Operator agrees to pay Owner the amounts set forth in **Exhibit D** as consideration for the Lease, Easements and Operator's other rights and interests in the Owner's Property.

8. **Improvements.** Operator shall have the right, at its sole cost and expense, to construct, install, maintain, use, operate, repair, replace, relocate and remove all facilities, structures, equipment, machinery, wires, conduit, cables, poles, materials and property of every kind and character required for the construction and operation of portions of the Project on the Owner's Property, including, but not limited to, the Solar Panels, Collection Facilities, Substations, Telecommunication Facilities, Weather Instruments, Roadway Improvements and Battery Facilities referenced in Sections 8.1 through 8.7 (collectively, the "**Improvements**").

8.1 **"Solar Panels"** shall mean any photovoltaic energy system designed for the generation of electrical power from the collection of sunlight, including without limitation, the photovoltaic panels, foundations, support structures, braces and related equipment.

8.2 **"Collection Facilities"** shall mean all Improvements whose purpose is to deliver electrical power generated by the Solar Panels to an electrical power grid or other system, including without limitation transformers, overhead and underground electrical collection lines, telecommunication lines, splice boxes and interconnection facilities.

8.3 **"Substations"** shall mean electrical lines, meters, monitoring and control equipment, switches, transformers, all structures, equipment, enclosures, fencing, security devices, and other electrical and communications equipment necessary to condition and increase

the voltage of electricity generated by the Project to make it suitable for transmission on, and to deliver it to, Collection Facilities connected to an electric power grid or other system.

8.4 **"Telecommunication Facilities"** shall mean all Improvements whose purpose is to provide telecommunication services solely relating to the Project or any of Operator's solar powered projects, including telephone, closed-circuit television, microwave, internet, computer data and other telecommunication services.

8.5 **"Weather Instrument"** shall mean instruments used primarily to gather and transmit sunlight and meteorological data relating to the Project, and includes the instrument's foundations, guy wires, sunlight and meteorological data acquisition equipment, power source, and any required data and electrical transmission lines.

8.6 **"Roadway Improvements"** shall mean all improvements that may be necessary to construct, maintain and repair any new and existing roadways and other means of ingress and egress over, across and along the Owner's Property, including paving or surfacing of the roadways with asphalt, gravel or other roadway materials, installation of road signs and the construction and installation of culverts, bridges, drainage ditches, gates, cattle guards and similar structures and facilities.

8.7 **"Battery Facilities"** shall mean a type of equipment that can be given a new charge by passing an electric current through it designed for the storage of electrical power including without limitation, batteries and other devices for storage of electrical energy, foundations, support structures, braces and related equipment.

8.8 **Ownership of Improvements.** Except as otherwise provided in Section 11.7, all Improvements shall at all times remain the property of Operator, and Owner shall have no right, title or interest therein. All Improvements constructed or placed on the Owner's Property by Operator during the Term of this Agreement may be repaired, replaced, relocated, removed, added to or expanded upon by Operator at any time during the Term of this Agreement. Owner expressly waives any statutory lien or common law liens on the Improvements to which Owner might be entitled.

8.9 **Construction Liens.** Operator shall not permit any liens arising out of Operator's use of the Operator Property under this Agreement to be filed against the Owner's Property. Operator shall, within sixty (60) days after it receives notice of the lien, provide a bond or other security that Owner may reasonably request, or remove such lien from the Owner's Property in the manner provided by applicable law.

8.10 **Location of Improvements.** The acreage required from the Owner's Property for the Improvements for which the Lease and Easements are being granted cannot be determined until the completion of Operator's inspection, testing, study and surveying of the Owner's Property during the Option Term. Along with the Option Notice, Operator shall deliver to Owner a proposed plan of development showing the contemplated locations of the Improvements and a preliminary calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as the **Exhibit B** to this Agreement. During the final development and construction of the Project, such locations may need to be amended.

Following construction of the Project, Operator shall provide Owner an "as-built" survey of all Improvements on Owner's Property and the final calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as **Exhibit C** to this Agreement. Further, following construction, the Improvements may need to be relocated or rerouted by Operator, which Operator may perform, at any time during the Term of this Agreement, so long as the nature and extent of any such relocated or rerouted Improvements are not materially different and impose no materially greater burden on the Owner's Property than the original locations or routes, and so long as Operator takes commercially reasonable efforts to minimize disruption or inconvenience to Owner.

**8.11 Removal of Improvements.** Upon full or partial termination of any of the Lease Rights or Easements, Operator shall, within one (1) year of such full or partial termination, remove all Improvements and restore the area formerly occupied by the Improvements to substantially the same physical condition that existed immediately before the construction of the Improvements (the "**Removal Obligations**"). At Owner's request, all or any part of the Roadway Improvements may be left for use by Owner. Annual Installments Payments shall continue to be made, on a prorated basis, until the Removal Obligations are substantially completed.

**8.12** If a governmental authority does not require a performance bond or security for removal of the Improvements, then, Operator shall obtain and deliver to Owner a bond in form and substance reasonably satisfactory to Owner securing Operator's Removal Obligations (the "Removal Bond") prior to the date that the Project first delivers energy in commercial quantities onto the grid. The Removal Bond shall be equal to the estimated amount, if any (the "Net Removal Costs"), of removing the Improvements from Owner's Property less the salvage value of the Improvements. Operator shall not be required to deliver such Removal Bond to Owner if Operator has delivered such a bond in connection with the permitting of Owner's Property or any other portion of the Improvements for the Project. Once in place, Operator shall keep such bond, or a like replacement, in force throughout the remainder of the Term. The Net Removal Costs shall be determined by the Parties hereto acting in good faith. If the Parties cannot agree upon the Net Removal Costs within sixty (60) days of their first attempt to do so, then the Net Removal Costs shall be determined by an independent engineer mutually selected by the Parties. If the Parties cannot agree upon such independent engineer within the next thirty (30) days, then by an independent engineer appointed by a District Judge of Henderson County, Kentucky; and the decision of such an independent engineer (however selected) as to the Net Removal Costs shall be conclusive as between and binding upon, the Parties. If an independent engineer is selected, then the Parties hereto shall equally share all of the costs associated with the independent engineer's determination of the Net Removal Cost. If the Removal Bond is unavailable or an alternate form of security is more economical or desirable, then Operator may substitute an alternate form of security, such as a letter of credit, other form of bond, or guarantee reasonably acceptable to Owner that provides substantially equivalent security as the Removal Bond. Operator shall redetermine the amount of the Removal Security beginning immediately prior to the tenth (10th) year of the Lease and Easement Term and every five (5) years after the initial posting of the Removal Bond.

9. **Ownership and Title Matters.** Except as otherwise set forth herein, Owner warrants and represents to Operator, both as of the Effective Date, and as of the Commencement Date as follows:

9.1 **Authority.** Owner represents and warrants that it is the holder of fee simple title and is the sole owner of the Owner's Property and has the unrestricted right and authority to sign this Agreement and to grant Operator the Lease and Easements and other rights granted in this Agreement. When signed by both Parties, this Agreement constitutes a valid and binding agreement enforceable against Owner in accordance with its terms.

9.2 **Other Agreements.** The Owner's Property is not subject to any other agreements, options, rights of first refusal or other prior right of any party to purchase, lease or acquire easements in the Owner's Property, or create any prior claim or right that would preclude or interfere with Operator's rights and interests under this Agreement and the Lease and Easements.

9.3 **Minerals.** Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, Owner owns all of the oil, gas and other minerals, and all rights thereto as on or under the Owner's Property.

9.4 **Owner Mortgage.** Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, there are no mortgages encumbering the Owner's Property ("**Owner Mortgage**").

9.5 **Notice and Opportunity to Cure.** If there is an Owner Mortgage encumbering Owner's Property and Owner receives from the holder thereof any notice that payments are overdue, Owner shall notify Operator and each Operator Mortgagee (as defined at Section 13.1) by sending a copy of such overdue payment notice to Operator by the earlier of (i) five (5) days after receipt, or (ii) three (3) business days prior to the date by which a default under or in respect of such Owner Mortgage could occur. If Operator or any Operator Mortgagee determines that it would be in Operator's interest to make such payments to Owner Mortgagee on Owner's behalf, whether as a result of receiving such notice or otherwise, Operator shall have the right to make such payments and to credit the payments so made against the Annual Installment Payment next due under the Agreement.

9.6 **Subordination, Non-Disturbance & Attornment Agreement.** If there is an Owner Mortgage encumbering Owner's Property, Owner shall cooperate with Operator to obtain a Subordination, Non-Disturbance and Attornment Agreement ("**SNDA**") in the form prepared and provided by Operator, from each Owner Mortgagee, pursuant to which such Owner Mortgagee agrees, among other things, not to disturb Operator's possession and use of the Owner's Property. Owner shall not incur any loss in income, expense, obligation or liability with regard to the SNDA. Operator shall, at its sole cost and expense, record each such SNDA in the Office of the County Clerk in which Owner's Property is located. If Owner fails to deliver a SNDA from each Owner Mortgagee, Operator may, at its sole option, either (i) terminate this Agreement immediately upon written notice to Owner, or (ii) take such action as Operator deems reasonably necessary to effect the rights granted to Operator hereunder, and off-set all amounts

expended in such efforts against the Annual Installment Payments and any other amounts due hereunder or in respect hereof.

10. **Representations and Warranties of Owner.** Owner hereby makes the following further representations and warranties both as of the Effective Date, and as of the Commencement Date:

10.1 **Physical Condition.** Owner has no knowledge of any existing physical conditions of the Owner's Property which would prevent, significantly restrict or make more expensive Operator's development of the Owner's Property for the purposes specified in this Agreement, or which could, with the passage of time, or the giving of notice, constitute a violation of any currently applicable governmental law, ordinance, order, rule or regulation.

10.2 **Legal Restrictions.** Owner has no knowledge of any law, regulation, ordinance or order, except for Henderson County Zoning and land use ordinances and restrictions, of any local, state or federal governmental authority which would prohibit or significantly restrict Operator's development of the Owner's Property pursuant to this Agreement. This Agreement does not violate any contract, agreement, instrument, judgment or order to which Owner is a party or which affects the Owner's Property. To the best of Owner's knowledge, the Owner's Property is currently in full and complete compliance with all governmental laws, ordinances, orders, rules and regulations applicable to the Owner's Property.

10.3 **No Litigation.** No litigation is pending and, to the best of Owner's knowledge, no litigation or administrative actions are proposed, threatened or anticipated with respect to any matter affecting the Owner's Property. If Owner learns of any litigation or administrative action proposed, threatened or instituted with respect to the Owner's Property, Owner shall give Operator notice within thirty (30) days thereof.

10.4 **Survival.** The representations and warranties set forth in this Section 10 shall survive the execution and delivery hereof.

11. **Use, Operation and Maintenance.**

11.1 **Exclusive Use by Operator.** Operator shall have the exclusive right (i) to use and possess the Owner Property in connection with the Project and other similar solar-powered electrical power generation projects; (ii) to investigate, inspect, survey, and conduct tests of the Owner's Property, including, but not limited to, meteorological, environmental, archeological and geotechnical tests and studies; (iii) to use and convert all of the sunlight resources on the Owner's Property; and (iv) to undertake such other activities on the Owner's Property that may be related to the Project, including, without limitation, the storage of Solar Panels, materials and equipment during the installation and construction of the Improvements; development and operation of communications systems; and site tours of the Project for visitors and other interested parties.

11.2 **No Required Installation or Operation.** Nothing in this Agreement shall be interpreted as imposing on Operator any obligation to install Solar Panels or other Improvements on the Owner's Property, or to operate the Project on the Owner's Property. Operator shall have the sole discretion to determine if and when any Solar Panels and other Improvements may be

constructed on Owner's Property, and if and when to commence the operation of the Project on the Owner's Property.

11.3 **Permits and Approvals.** Operator shall be responsible, at its sole cost and expense, for obtaining any governmental permits and approvals necessary for the construction and operation of the Project and the construction and operation of the Improvements. Owner shall cooperate with Operator as necessary to obtain any governmental or utility approvals or permits, including, without limitation, signing any applications for such approvals, provided that Owner shall not incur any loss in income, expense, obligation or liability with respect to Operator obtaining such permits or approvals.

11.4 **Compliance with Laws.** Operator shall comply in all material respects with valid laws applicable to the Owner's Property and the Operator Property. Operator shall have the right, in its sole discretion and at its sole expense, in Operator's name to contest the validity or applicability to the Owner's Property and the Operator Property of any law, ordinance, statute, order, regulation, property assessment or the like made by any governmental agency or entity. Operator shall control any such contest and Owner shall cooperate with Operator in every reasonable way in such contest, provided that Owner shall incur no expense, obligation or liability with regard to such contest.

11.5 **Care and Appearance.** Operator, in its exercise of the lease, easement and other rights granted hereunder shall, at all times, maintain the Owner's Property and the Improvements in a reasonably neat, clean and presentable condition. Operator shall not willfully or negligently damage or destroy the Owner's Property and shall keep the Owner's Property clean and free of debris created by Operator, its contractors, or others brought on to the Owner's Property by Operator. Operator shall not use the Owner's Property for storage, except for materials, construction equipment and vehicles directly associated with construction or maintenance of the Improvements on the Owner's Property or adjacent properties that are part of the Project.

11.6 **Fences and Gates.** At Owner's request, Operator shall repair or replace any fences, gates or cattle guards damaged or removed in connection with Operator's activities on the Owner's Property. Fences removed from the Owner's Property, if replaced, shall be re-built by Operator at its expense in mutually agreeable locations. All fence repair and construction shall be substantially similar to the construction of existing fences and cattle guards on Owner's Property. Any gates opened for access to Owner's Property by either Party shall be closed immediately after passing through so that livestock may not pass through. Once completed, all replacement fences, gates and cattle guards shall be owned and maintained by Owner. Upon abandonment or termination of the rights granted to Operator in this Agreement, any fences, gates and cattle guards installed by Operator shall remain and become the property of Owner. To minimize the need for temporary fencing, Owner will cooperate with Operator to avoid pasturing animals on or near the Improvements during periods of construction, maintenance or removal activity by Operator. Owner will discuss with Operator what temporary fencing is necessary during the periods of construction, maintenance or removal activity by Operator.

11.7 **Roadway Maintenance and Repairs.** Operator agrees to maintain and repair all Roadway Improvements located on the Operator Property; provided, however, Owner shall reimburse Operator for any costs and expenses incurred by Operator to repair any damage or

perform any special maintenance of the Roadway Improvements caused by Owner or any person using the Roadway Improvements with Owner's permission, other than Operator.

12. **Taxes.**

12.1 **Owner's Taxes.** Owner covenants and agrees to pay prior to delinquency all real and personal property and other taxes, general and special assessments, and other charges of every description ("**Taxes**") levied or assessed against the Owner's Property and all improvements thereon by governmental authorities, other than Operator's Taxes referenced in Section 12.2 (Taxes, excepting Operator's Taxes, are hereinafter referred to as "**Owner's Taxes**").

12.3 **Failure to Pay.** In the event either Party fails to pay their share of Taxes prior to delinquency, the other Party shall have the right to pay such Taxes and any accrued penalties or interest, which payments shall increase or be offset against other Payments due under this Agreement.

12.4 **Operator's Right to Contest.** Operator may contest the legal validity or amount of any Operator's Taxes for which it is responsible under this Agreement, and may institute such proceedings as it considers necessary, provided that Operator shall bear all expenses in pursuing such contest or proceeding. With respect to any Taxes which may constitute a lien on the Owner's Property, Operator shall promptly pay such Taxes unless the proceeding in which it contests such Taxes shall operate to prevent or stay the collection of the Taxes so contested or unless Operator removes any such lien by bonding or otherwise. Owner agrees to render to Operator all reasonable assistance in contesting the validity or amount of any such Taxes, with the exception of Taxes levied by Owner, including joining in the signing of any reasonable protests or pleading which Operator may deem advisable to file; provided, however, that Operator shall reimburse Owner for its reasonable out-of-pocket expenses, including reasonable attorneys' fees incurred in connection with providing such assistance.

13. **Mortgage of Operator Property.**

13.1 **Right to Mortgage.** Operator may, upon written notice to Owner, but without requiring Owner's consent or approval, mortgage, collaterally assign, or otherwise encumber and grant security interests in all or any part of its interest in this Agreement and the Operator Property, but not in Owner's interest therein. These various security interests in all or a part of this Agreement and the Operator Property are collectively referred to as an "**Operator Mortgage**" and holder of such security interest, an "**Operator Mortgagee**". Any Operator Mortgagee shall use the Operator Property only for the uses permitted under this Agreement. Whenever Operator has granted a security interest under this Section 13, it will give Owner notice of the Operator Mortgage (including the name and address of the Operator Mortgagee for notice purposes) to Owner within thirty (30) days; provided that failure to give this notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner to provide such Operator Mortgage notice until the Operator and its address is given to Owner.

13.2 **Notice of Default and Opportunity to Cure.** As a precondition to exercising any rights or remedies related to any alleged default by Operator under this Agreement, Owner shall give written notice of the default to each Operator Mortgagee at the same time it delivers notice of default to Operator, specifying in detail the alleged event of default and the required remedy. Each Operator Mortgagee or its designee shall have the right, but not the obligation, to cure any default as Operator, and/or the right, but not the obligation, to remove any Improvements or other property owned by Operator or such Operator Mortgagee located on the Owner's Property to the same extent as Operator. The cure period for any Operator Mortgagee shall be the later of (i) the end of the Operator cure period under Section 18; (ii) thirty (30) days after such Operator Mortgagee's receipt of the default notice; or (iii) if applicable, the extended cure period provided for in Section 13.3. Failure by Owner to give an Operator Mortgagee notice of default shall not diminish Owner's rights against Operator, but shall preserve all rights of the Operator Mortgagee or its designee to cure any default and to remove any Improvements or other property of Operator or the Operator Mortgagee located on the Owner's Property.

13.3 **Extended Cure Period.** If any default by Operator under this Agreement cannot be cured without the Operator Mortgagee obtaining possession of all or part of the Operator Property, then any such default shall be deemed remedied if an Operator Mortgagee: (i) within sixty (60) days after receiving notice from Owner as set forth in Section 13.2, acquires possession of all or part of the Operator Property, or begins appropriate judicial or nonjudicial proceedings to obtain the same; (ii) diligently prosecutes any such proceedings to completion; and (iii) after gaining possession of all or part of the Operator Property performs all other obligations as and when the same are due in accordance with the terms of this Agreement. If an Operator Mortgagee is prohibited by any court or by operation of any bankruptcy or insolvency laws from commencing or prosecuting the proceedings described above, the sixty (60) day period specified above for commencing proceedings shall be extended for the period of such prohibition.

13.4 **Operator Mortgagee Liability.** Any Operator Mortgagee whose interest in the Operator Property is held solely for security purposes, shall have no obligation or liability under this Agreement unless and until the Operator Mortgagee succeeds to absolute title to the

Operator Property and the rights of Operator under this Agreement. An Operator Mortgagee shall be liable to perform obligations under this Agreement only for and during the period it directly holds such absolute title.

13.5 **Certificates.** Owner shall execute any estoppel certificates (certifying as to truthful matters, including without limitation that no default then exists under this Agreement, if such be the case), consents to assignment and non-disturbance agreements as Operator or any Mortgagee may reasonably request from time to time. The Parties shall negotiate in good faith any amendment to this Agreement from time to time to include any provision that may be reasonably requested by Operator or any Operator Mortgagee to implement the provisions contained in this Agreement or to preserve an Operator Mortgagee's security interest.

13.6 **Operator Mortgagee's Right to Enforce Mortgage and Assign.** Each Operator Mortgagee shall have the right, in its sole discretion: (i) to assign its Operator Mortgage; (ii) to enforce its lien and acquire title to all or any portion of the Operator Property by any lawful means; (iii) to take possession of and operate all or any portion of the Operator Property and to perform all obligations to be performed by Operator under this Agreement, or to cause a receiver to be appointed to do so; and (iv) to acquire all or any portion of the Operator Property by foreclosure or by an assignment in lieu of foreclosure and thereafter to assign or transfer all or any portion of the Operator rights under this Agreement to a third party in accordance with Section 14. Any Operator Mortgagee or other party who acquires Operator's interest in all or a portion of the Operator Property pursuant to foreclosure or assignment in lieu of foreclosure shall not be liable to perform the obligations imposed on Operator by this Agreement, which are incurred or accruing after such Operator Mortgagee or other party no longer has ownership or possession of the Operator Property.

13.7 **New Agreement.**

13.7.1 If the Operator Property is foreclosed upon or there is an assignment in lieu of foreclosure, or if this Agreement is rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditor's rights and, within ninety (90) days after such event, Operator or any Operator Mortgagee or other purchaser at a foreclosure sale shall have arranged to the reasonable satisfaction of Owner to cure any material defaults under this Agreement, and for the payment of all Annual Installment Payments or other charges due and payable by Operator as of the date of such event, then Owner shall execute and deliver to Operator or such Operator Mortgagee or other purchaser at a foreclosure sale, or to a designee of one of these parties, as the case may be, a new agreement ("**New Agreement**") which (i) shall be for a term equal to the remainder of the Term of this Agreement before giving effect to such rejection or termination; (ii) shall contain the same covenants, agreements, terms, provisions and limitations as this Agreement (except for any requirements that have been fulfilled by Operator or any Operator Mortgagee or other purchaser at a foreclosure sale prior to rejection or termination of this Agreement); and (iii) shall include that portion of the Operator Property in which Operator or such other Operator Mortgagee or other purchaser at a foreclosure sale had an interest on the date of rejection or termination.

13.7.2 If more than one Operator Mortgagee makes a written request for a New Agreement pursuant to this provision, the New Agreement shall be delivered to the Operator

Mortgagee requesting such New Agreement whose Operator Mortgage is prior in time, and the written request of any other Operator Mortgagee whose lien is subordinate shall be void and of no further force or effect. The provisions of this Section 13 shall survive the termination, rejection or disaffirmation of this Agreement and shall continue in full force and effect thereafter to the same extent as if this Section 13 were a separate and independent contract made by Owner, Operator and each Operator Mortgagee, and, from the effective date of such termination, rejection or disaffirmation of this Agreement to the date of execution and delivery of such New Agreement, such Operator Mortgagee or other purchaser at a foreclosure sale may use and enjoy the Operator Property without hindrance by Owner or any person claiming by, through or under Owner; provided that all of the conditions for the New Agreement as set forth above are complied with.

**13.8 Operator Mortgagee's Consent to Amendment, Termination or Surrender.** Notwithstanding any provision of this Agreement to the contrary, the Parties agree that so long as any Operator Mortgage remains outstanding, this Agreement shall not be modified or amended, and Owner shall not accept a surrender, cancellation or release of all or any part of the Operator Property from Operator, prior to expiration of the Term of this Agreement, without the prior written consent of the Operator Mortgagee holding such Operator Mortgage. This provision is for the express benefit of and shall be enforceable by each Operator Mortgagee as if it were a party named in this Agreement.

**14. Assignment and Sublease.** Operator shall have the right, without Owner's consent, to sell, convey, lease, or assign all or any portion of this Agreement or the Operator Property, on either an exclusive or a non-exclusive basis, or to grant subleases, co-leases, easements, licenses or similar rights with respect to the Operator Property (collectively, "**Assignment**"), to one or more persons or entities (collectively "**Assignee**"). Each Assignee shall use the Operator Property only for the uses permitted under this Agreement. When Operator makes any Assignment under this Section 14, Operator shall give written notice to Owner of such Assignment (including the interest conveyed by the Assignment and address of the Assignee for notice purposes) to Owner; provided Operator's failure to give such notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner with respect to such assignment or conveyance until such notice is given. Any Assignment by Operator shall release Operator from obligations subject thereof accruing after the date that liability for such obligations is assumed by the Assignee.

**15. Hazardous Materials.**

**15.1 Owner's Covenants Regarding Hazardous Materials.** Owner represents and warrants that, to the best of Owner's knowledge, the Owner's Property is not and has not been in violation of any federal, state or local environmental health or safety laws, statute, ordinance, rule, regulation or requirement ("**Environmental Laws**"), and Owner has not received any notice or other communication from any governmental authorities alleging that the Owner's Property is in violation of any Environmental Laws. "**Hazardous Materials**" shall mean any asbestos containing materials, petroleum, explosives, toxic materials, or substances regulated as hazardous wastes, hazardous materials, hazardous substances, or toxic substances under any federal, state, or local law or regulation. Owner warrants that Owner has done nothing to contaminate the Operator Property with Hazardous Materials or wastes.

15.2 **Operator's Covenants Regarding Hazardous Materials.** Operator shall, at Operator's sole cost and expense, promptly take removal or remedial action required by Environmental Law with regard to any material violation of any Environmental Law with regard to any Hazardous Materials brought onto the Owner's Property by Operator or its employees, agents, or contractors. Owner shall cooperate with Operator with regard to any scheduling or access to the Owner's Property in connection with any action required hereunder.

15.3 **Operator's Indemnity Regarding Hazardous Materials.** Operator shall indemnify, defend, protect and hold Owner harmless from any liability based on: (i) the release of Hazardous Materials in, on, under or about the Owner's Property caused by Operator or its employees, agents, or contractors, or (ii) the violation by Operator or its employees, agents, or contractors of any Environmental Law. The indemnity obligations set forth herein shall survive termination of this Agreement.

16. **Insurance and Indemnity.**

16.1 **Insurance.** At all times during which Operator is conducting any activities on the Property and at all times during the Term of this Agreement, Operator shall maintain in effect (1) commercial General Liability Insurance, including bodily injury and property damage coverage with minimum limits of \$1 Million Dollars per occurrence and \$2 Million Dollars aggregate and (2) Umbrella Liability Insurance with minimum limits of \$5 Million Dollars per occurrence and \$5 Million Dollars aggregate. Operator shall name Owner as additional insured on such insurance policy and provide Owner with a certificate of such insurance.

16.2 **Indemnity by Operator.** Operator shall defend, indemnify, protect and hold Owner harmless from and against all liabilities, costs, expenses, obligations, losses, damages, claims, (collectively "Claims") resulting from the negligence, willful misconduct, or breach of this Agreement by Operator, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Owner, its agents, contractors or employees, invitees, licensees or permittees.

16.3 **Indemnity by Owner.** Owner shall defend, indemnify, protect, and hold Operator harmless from and against all Claims resulting from the negligence, willful misconduct, or breach of this Agreement by Owner, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the sole negligence, willful misconduct, or breach by Operator, its agents, contractors, employees, invitees, licensees, or permittees.

16.4 **Survival.** The obligations of the Parties under this Section 16 shall survive expiration or other termination of this Agreement.

17. **Confidentiality.** This Agreement includes confidential and proprietary information relating to Operator and the Project. Owner agrees not to provide copies of the Agreement or disclose the terms of the Agreement to any unauthorized person or entity. Operator authorizes Owner to provide copies of the Agreement and disclose the terms thereof to Owner's family

("family" shall be deemed to include all devisees or descendants of owner by will or intestacy), attorney, accountant, financial advisor and any existing or prospective mortgagee, lessee, or purchaser for the sole purpose of evaluating and advising Owner and for no other purpose, so long as such authorized parties agree in writing to become subject to the confidentiality provisions hereto and not to provide copies of the Agreement or disclose the terms thereof to any unauthorized person or entity. Any Owner and party shall return all material containing any confidential information to Operator immediately upon its request. Any party agrees to destroy immediately upon request by Operator such analyses, compilation, studies or other documents, and any oral information will continue to be subject to the terms of this Agreement. Owner agrees that Operator will have no adequate remedy at law if any party violates any of the terms of this Agreement. In such event Operator will have the right, in addition to any other rights Operator may have, to obtain injunctive relief to restrain any breach or threatened breach by third party or specific enforcement of such terms plus reimbursement of attorneys' fees, court costs and all associated expenses. No party shall publish, file for public record, reproduce, or otherwise disseminate this document or any of the terms and provisions hereof to any party, other than the Parties set forth above without the prior written consent of Operator, which consent may be withheld for any reason and in Operator's sole discretion.

18. **Default and Remedies.**

18.1 **Operator Payment Default.** If Operator shall fail to pay any amounts set forth in **Exhibit D** which failure continues for more than thirty (30) days from receipt of written notice from Owner that such amount is due, then Operator shall be in default ("**Operator Payment Default**") and Owner shall have the following remedies:

18.1.1 **Collection of Payments.** With or without terminating this Agreement, Owner may file a lawsuit against Operator to collect any unpaid amounts set forth in **Exhibit D** together with interest thereon that accrues during the continuance of the Operator Payment Default, calculated at a rate ("**Default Rate**"), which is the lesser of (i) the prime interest rate at JP Morgan Chase & Co. (or its successor) plus two percent (2%) per annum, or (ii) the maximum lawful rate.

18.1.2 **Terminate Agreement.** Owner may not terminate this Agreement because of any Operator Payment Default without first giving Operator written notice of its intention to terminate the Agreement ("**Termination Notice**"), to be effective on a date to be specified by Owner that is at least thirty (30) days after the date of the Termination Notice. If, by the date specified in the Termination Notice, Operator fails to pay the amount required to cure the Operator Payment Default (including interest at the Default Rate that accrues during the continuance of the Operator Payment Default), Owner's termination of this Agreement shall become effective on the date specified in the Termination Notice. Upon such termination, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination (including the amount owed by Operator with respect to the Operator Payment Default and interest payable with respect thereto) and continuing on a prorated basis until the Removal Obligations are completed; (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Owner's right to terminate this Agreement pursuant to

this Section 18.1.2 is subject to and conditioned upon Owner giving any Operator Mortgagee written notice and opportunity to cure the Operator Payment Default as provided in Section 13.2.

18.2 **Other Operator Default.** Operator shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement other than an Operator Payment Default as set forth in Section 18.1 and shall not cure such default within thirty (30) days after receiving notice thereof from Owner (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Operator fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Other Operator Default**"). The breach by Operator of any provision hereof may only result in a cause of action by Owner under applicable law and, other than as set forth in this Section 18.2, Owner hereby waives all other rights it may have, in law or in equity, to terminate this Agreement prior to the expiration of the Term. In the event of any such breach by Operator, Owner shall, at least thirty (30) days prior to commencing any cause of action, give written notice of the cause of breach to Operator, and any Operator Mortgagee (of which it has been notified in writing) concurrently, specifying in detail the alleged event of breach and the required remedy. If Operator does not cure or commence curing such breach within thirty (30) days of receipt of notice, the Operator Mortgagee or its designee shall have the absolute right, but not the obligation, to substitute itself for Operator and perform the duties of Operator hereunder for the purposes of curing such breach. Owner expressly consents to such substitution, agrees to accept such performance, and authorizes the Operator Mortgagee or its designee (or its employees, agents, representatives or contractors) to enter upon the Owner's Property to complete such performance with all the rights, privileges and obligations of Operator hereunder. Owner may cure any default by Operator after Operator's cure period has expired. If Owner at any time by reason of Operator's default, pays any sum or performs any act that requires the payment of any sum, the sum paid by Owner shall be due immediately from Operator to Owner, together with interest on such sum calculated at the Default Rate.

18.3 **Owner Default.** Owner shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement and shall not cure such default within thirty (30) days after receiving notice thereof from Operator (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Owner fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Owner Default**"). Upon the occurrence of an Owner Default, Operator shall have the option to pursue any one or more of the following remedies without any further notice or demand whatsoever: (i) terminate this Agreement without being liable for prosecution or any claim of damages therefor; and (ii) pursue any and all other action or remedies that may be available to Operator at law or in equity, including but not limited to all loss or damage which Operator may suffer by reason of a termination of this Agreement.

19. **Condemnation.**

19.1 **Complete Taking.** If, at any time, any authority having the power of eminent domain shall condemn all or substantially all of the Operator's Property, or all of the Improvements thereon, for any public use or otherwise, then the interests and obligations of Operator under this Agreement in or affecting the Operator's Property shall cease and terminate upon the earlier of (i) the date that the condemning authority takes physical possession of the

Operator's Property or the Improvements thereon, (ii) the date that Operator is, in its sole judgment, no longer able or permitted to operate the Project on the Operator's Property in a commercially viable manner, or (iii) the date of the condemnation judgment. Operator shall continue to pay all amounts payable hereunder to Owner until the earlier of such dates, at which time the Parties shall be relieved of any and all further obligations and conditions to each other under this Agreement.

19.2 **Partial Taking.** If, at any time during the term of this Agreement, any authority having the power of eminent domain shall condemn one or more, but not all, of the Solar Panels, or any portion of the Improvements or the Operator's Property, then the interest and obligations of Operator under this Agreement as to those Solar Panels or any portion of the Improvements or the Operator's Property so taken shall cease and terminate upon the earlier of (i) the date that the condemning authority takes possession of such Solar Panels or any portion of the Improvements or the Operator's Property, (ii) the date that Operator is, in its reasonable judgment, no longer able or permitted to operate the Project on the Operator's Property, or any portion thereof, in a commercially viable manner, or (iii) the date of the condemnation judgment; and, unless this Agreement is terminated as hereinafter provided, this Agreement shall continue in full force and effect as to the remainder of the Solar Panels, Improvements and the Operator's Property. If the remainder of the Solar Panels or any other portion of the Improvements or the Operator's Property is or becomes insufficient or unsuitable for Operator's purposes hereunder, as determined by Operator in its sole discretion, then, subject to the rights of any Operator Mortgagee under Section 13, Operator shall have the right to terminate this Agreement as to the portion of the Operator's Property to which Operator continues to hold the rights, at which time the Parties shall be relieved of any further obligations and duties to each other under this Agreement.

19.3 **Apportionment, Distribution of Award.** On any taking, all sums awarded, including damages and interest, shall be paid as follows:

- (a) Any portion of the award by the court on account of any cost or loss that Operator may sustain in the removal and relocation of Operator's Improvements, to Operator;
- (b) Any portion of the award by the court for Operator's anticipated or lost revenues or profits, to Operator;
- (c) Any portion of the award by the court for Owner's lost revenues, to Owner;
- (d) All remaining amounts of the award, to Owner or Operator consistent with applicable Kentucky law.

20. **Notice.**

20.1 **Writing.** All notices given or permitted to be given hereunder shall be in writing.

20.2 **Delivery.** Notice is considered given either (i) when delivered in person to the recipient named below, (ii) upon receipt after deposit in the United States mail in a sealed envelope or container, postage and postal charges prepaid, return receipt requested or certified

mail, addressed by name and address to the party or person intended, or (iii) twenty-four (24) hours from proper and timely delivery to an overnight courier service addressed by name and address to the party or person intended as follows:

Notice to Owner: Milton E. Crowder and Diane G. Crowder  
Virginia S. Gaddis and William L. Gaddis, Jr.

Notice to Operator: Boulevard Associates, LLC  
700 Universe Blvd  
Juno Beach, FL 33408  
Attn: Land Services Administration  
Telephone: (855) 552-9872

20.3 **Change of Recipient or Address.** Either Party may, by notice given at any time or from time to time, require subsequent notices to be given to another individual person, whether a party or an officer or representative, or to a different address, or both. Notices given before actual receipt or notice of change shall not be invalidated by the change.

21. **Miscellaneous Provisions.**

21.1 **Successors and Assigns.** The terms and provisions of this Agreement shall run with the land and be binding on and inure to the benefit of the heirs, successors, assigns and personal representatives of the Parties. In accordance with this Agreement, Operator in its discretion may authorize other persons or entities to use the Operator Property for the purposes stated in this Agreement

21.2 **Memorandum.** Simultaneously with the execution of this Agreement, the Parties agree to execute and acknowledge a memorandum of this Agreement. Operator may record the executed memorandum in the public records of Henderson County, Kentucky.

21.3 **Entire Agreement.** This Agreement and the attached Exhibits shall constitute the entire agreement between the Parties and supersedes all other prior writings and understandings.

21.4 **Amendments.** This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties and consented to by any Operator Mortgagee. The Parties hereto shall at all times hereafter execute any documents and do any further acts which may be necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof.

21.5 **Legal Matters.** This Agreement shall be governed by and interpreted in accordance with the then existing laws of the Commonwealth of Kentucky and the County where the Owner's Property is located shall be considered the proper forum or jurisdiction for any disputes arising in connection with this Agreement. The Parties agree to first attempt to settle

any dispute arising out of or in connection with this Agreement by good-faith negotiation. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Agreement, each shall have all remedies available at law or in equity and as provided by this Agreement. **Each Party waives all right to trial by jury and specifically agrees that trial of suits or causes of action arising out of this Agreement shall be to the court of competent jurisdiction.**

21.6 **Severability**. If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, to any extent, be determined by judicial order or decision to be invalid or unenforceable, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held to be invalid, shall be enforced to the fullest extent permitted by law.

21.7 **Tax Credits**. If under applicable law Operator becomes ineligible for any currently existing tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal government, then, at Operator's option, the Parties shall negotiate in good faith to amend this Agreement or replace it with a different instrument so as to convert Operator's interest in the Operator Property to a substantially similar interest that makes Operator eligible for such tax credit, benefit or incentive. Such amendment or instrument shall not impair any of Owner's rights or increase the burdens or obligations of Owner under this Agreement.

21.8 **Approvals**. Whenever in this Agreement the approval or consent of either Party is required or contemplated, unless otherwise specified, such approval or consent shall not be unreasonably withheld or delayed.

21.9 **Authority**. The signatories hereto warrant that each has the authority to execute this Agreement on behalf of any entities which are Parties to this Agreement and that each such entity has executed this Agreement pursuant to its organizational documents or a resolution or consent of their Board of Directors or other governing body.

21.10 **Time of Essence**. Time is of the essence of each provision of this Agreement.

21.11 **Counterparts**. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute a single instrument.

## EXHIBIT A

### Legal Description of Owner's Property

The following described real property located in Henderson County, Kentucky, to- wit:

#### Tract 1:

Beginning at a point in the line of Lot No. 2, 1 pole from the line of the dower; thence S. 60 3/4 E. 9.68 chains to a point 1 pole from the Southeast corner of the dower; thence N. 30 3/4 E. 1 pole to a stake, Southeast corner to the dower and Lot No. 5 (Double dogwood pointer); thence S. 60 3/4 E. 14.88 chains to a stake corner to Lots 5 and 6; thence S. 30 3/4 W. 16.77 chains to a stake, 3 elm pointers, in Henry Funston's line, corner to Lot No. 7; thence N. 14 W. 7.51 chains to a double sweet gum (1 prong down) corner to Henry Funston's land; thence S. 75 1/2 W. 28.65 chains to a stake in Henry Funston's line, corner to Lot No. 2; thence N. 30 3/4 E. 30.74 chains to the beginning, containing 50 acres.

Also the right of way for a passway over a strip of land, beginning at the corner of Lots Nos. 1 and 2 in the dower line and extending to the corner of the dower and Lot No. 5; thence with the line of the dower and Lot No. 5 to the corner of Lots Nos. 4 and 5; thence with the line of Lots Nos. 4 and 5 to another corner of Lots Nos. 4 and 5; thence with the line of Lot No. 4 and A.O. Edwards and F. Porter to Canoe Creek.

SAVINGS AND EXCEPTING the following tract conveyed to C.A. Compton by deed dated April 1, 1889, from said George R. Smith, and recorded in Deed Book 14, page 246, in the Henderson County Court Clerk's Office, to wit:

Beginning at a stake in the line between Geo. R. Smith and Ella Compton and 5 poles 14 links from the Southeast corner of the dower interest; thence S. 60 1/4 E. 58 poles and 22 links to a stake in Addie Smith's line; thence S. 31 W. 66 poles and 20 links to a stake in Henry Funston's line and double elm and single elm marked as pointers; thence with said Funston's line, N. 13 1/2 W. 30 poles and 5 links to a gum and corner to Henry Funston; thence with another line of said Funston, S. 84 W. 31 poles and 8 links to a stake in said line; thence N. 20 1/2 E. 67 poles and 14 links to the beginning, containing 16.63 acres.

FURTHER SAYING AND EXCEPTING the following parcel conveyed by Thomas A. Smith and wife, to Otho Alexander by deed dated August 14, 1946, and recorded in Deed Book 127, page 416, to wit:

Beginning at a stake in the boundary of the lands of Thomas A. Smith and Mrs. Eula Spencer and at a point 3 poles North 42° W. from a twin black oak and continuing two chains N 42 W to a stone in the line of Mrs. Eula Spencer at the point where the land of Otho Alexander and Thomas A. Smith meet; thence Northeast with the meanderings of an old creek to the middle of the present drainage ditch; thence N. 55 E. 3 poles to the mouth of a small drainage ditch; thence with the middle of said ditch to the beginning, containing .6 of an acre, more or less.

#### Tract 2:

Lot No. 2 in the Division of the lands of Thomas A. Smith, to wit:

Beginning at a stone 40 feet from the middle of the L&N R.R. on the East side of same in Henry Funston's line and 20 feet from the corner; thence N 30 3/4 E. 43.85 chains to a point in the line of Lot No. 1 and 1 pole from the line of the dower; thence S, 60 3/4 E 13.38 chains to a point in the line of Lot No. 3, 1 pole from the line of the dower; thence S. 30 3/4 W. 30.79 chains to a stake in Henry Funston's line, a corner to Lot No. 3; thence S. 75 1/2 W. 18.89 chains to the beginning, containing 50 acres.

Also, the right of way for a passway over a strip of land, beginning at the corner of Lots Nos. 1 and 2 in the dower line and extending to the corner of dower and Lot No. 5; thence with line of dower and Lot No. 5 to the corner of Lots Nos. 4 and 5; thence with the line of Lots 4 and 5 to another corner of Lots Nos 4 and 5; thence with the line of Lot No. 4 and A.O. Edwards and F. Porter to Canoe Creek.

SAVING AND EXCEPTING from the above tract, the following described tract conveyed by G.R. Smith to A.S. Denton by deed dated March 31, 1902, and recorded in Deed Book 32, page 299, in the office aforesaid.

Beginning at a stake in the East line of Robards and Busby Station Road, 16 feet from Henry Funston's line; thence N. 21 1/4 W. 30 links to a stake on east side of above mentioned road in Ed. Otey's line; thence with Ed. Otey's line N. 32 E. 126 poles to a fence post in said line; thence S. 74 E. 35 poles 8 6/10 links to a stake; thence S. 2 1 W. 88 poles and 16 links to a stake 16 feet at right angles from Henry Funston's line; thence S. 77 W. 69 poles and 21 links to the beginning, containing 30 acres.

Tract 3:

Lot No. 2 of the Division of the dower of Margaret Smith, deceased, bounded as follows:

Beginning at a point in middle of Creek, corner to Lot No. 4 of this Division; thence with line of Lot No. 4 and middle of ditch S. 55 E. 63 poles to a point in the middle of ditch corner to Lot No. 1 of this division, elm pointer; thence S. 31 1/2 W. 113 poles to a stake corner to Lot No. 1 in line of private passway; thence N. 59 W., 35 poles and 12 links to a stake, corner to Lot No. 3, a passway along this line from this corner to a point 16 feet S. 59 E. from Ed. Otey's corner is reserved for Lot No. 3; thence N. 31 1/2 E. 52 poles and 9 links to a stake in a ditch, corner to Lot No. 3; thence N 44 W. 15 poles to a fence post corner to Lot No. 4, hackberry pointer; thence N. 31 1/2 E. 21 poles to a stone, corner to Busby land; thence N. 59 W. 10 poles to a stake, corner to the Busby land; thence N. 31 1/2 E. 28 poles to middle of the creek; thence N. 31 1/2 E. 28 poles to middle of the creek; thence with creek to beginning, containing 32.61 acres.

Tract 4:

Lot No. 3 in the Division of the Dower of Margaret Smith, deceased, bounded as follows: A tract of land East of L&N R.R. containing 5 acres, to wit:

Beginning at a stake in a line between Ed. Otey and E.A. Royster; running N. with E.A. Royster and Mattie L. Ligon; East and South with Richard Smith's line.

SAVING AND EXCEPTING the following described property conveyed by George R. Smith to Edwin A. Royster by deed dated December 3, 1913, and recorded in Deed Book 50, page 433, in the office aforesaid. Beginning at a stake, two white oaks pointers corner to E.A. Royster; thence

N. 33 ½ E. 6.20 chains to a double black oak on the bank of a branch; thence N. 42 ¾ W. 2.74 chains to a stone, corner to E.A. Royster and J.M. Alexander; thence S. 33 ½ W. 6.84 chains to a stake corner to E.A. Royster; thence S. 57 ½ E. 2.50 chains to the Beginning, containing 1.63 acres.

CONTAINING, IN ALL 88. 75 acres, more or less, but subject to legal highways.

## SOLAR LEASE AND EASEMENT AGREEMENT

1. **Parties.** This Solar Lease and Easement Agreement ("**Agreement**") is made and entered as of the 11 day of August, 2020 ("**Effective Date**"), by and between Dawson Family Farms, LLC, a Kentucky limited liability company ("**Owner**") and Boulevard Associates, LLC, a Delaware limited liability company ("**Operator**"), which are sometimes individually referred to as a "**Party**" and collectively as the "**Parties**".

2. **Project.** This Agreement relates to the solar-powered electrical power generation and transmission project known as the "Sebree Solar Energy Center" to be located in Henderson County, Kentucky ("**Project**"), which may be wholly or partially located on the Owner's property legally described on the attached **Exhibit A** to this Agreement ("**Owner's Property**"). Upon Operator's exercise of the Option (as defined below), the Project shall include (i) the Lease of Owner's Property described in Section 4, (ii) the Easements referenced in Section 5 that are located on the Owner's Property, and (iii) the Improvements referenced in Section 8 to be constructed on Owner's Property. The Lease, Easements and Improvements are sometimes collectively referred to as the "**Operator Property**".

3. **Option.** Owner grants to Operator an exclusive option ("**Option**") to acquire the Lease and Easements referenced in Sections 4 and 5 in accordance with the following terms and conditions. Operator shall be entitled to acquire the Lease and the Easements in their entirety or in part, as Operator deems appropriate.

3.1 **Option Term.** The period during which Operator may exercise the Option shall be for a term of four (4) years, commencing on the Effective Date ("**Option Term**").

3.2 **Option Payment.** As consideration for the granting of the Option, Operator agrees to pay Owner the Option Payment set forth in **Exhibit D**.

3.3 **Use of Owner's Property.** During the Option Term, Operator and its employees, agents and contractors shall have a right to enter upon the Owner's Property and the right of ingress and egress over and across the Owner's Property for the purposes of (i) surveying the Owner's Property; (ii) performing such other tests and studies as Operator may desire in connection with the Option, including, without limitation, environmental, avian and cultural resource assessments, and geotechnical, foundation and soil tests, provided that such activities do not unreasonably interfere with Owner's use of the Owner's Property; and (iii) installing, maintaining, operating, inspecting and removing one or more weather related instruments ("**Weather Instrument**") and fencing of said Weather Instrument and including the performance of all tests and studies associated therewith. Owner shall not permit any other individual or entity except Operator or its affiliates to install a Weather Instrument on Owner's Property.

3.4 **Right to Grant Option.** Owner warrants and represents to Operator that (i) the statements in Section 9 concerning Owner's title to the Owner's Property are true and correct; (ii) Owner has the authority to grant this Option to Operator without the consent or approval of any other party; and (iii) there are no other existing options, rights of first refusal, contracts to purchase, leases or mortgages that would prevent Operator from exercising its rights with respect to the Option.

3.5 **Exercise of Option.** Operator may exercise the Option by giving written notice to Owner ("**Option Notice**") at any time during the Option Term. Operator shall specify in the Option Notice the Commencement Date referenced in Section 6.1.1. On the Commencement Date, the Lease and Easements referenced in Sections 4 and 5 shall automatically become effective, and the Parties shall be subject to all of the terms and conditions of this Agreement with respect to such Lease and Easements and all rights and obligations relating thereto.

3.6 **Termination of Option.** If Operator fails to exercise the Option within the Option Term, the Option and the rights of Operator as the optionee shall automatically terminate.

4. **Lease.** Upon exercise of the Option by Operator, Owner leases to Operator, and Operator leases from Owner, Owner's Property for the Lease and Easement Term (defined in Section 6.1) in accordance with the terms and conditions of this Agreement ("**Lease**"), which Lease grants Operator and its agents, contractors, and employees the right to use the Owner's Property for the following permitted uses:

4.1 **Construction Right.** Operator leases Owner's Property for the purpose of constructing, operating, maintaining, repairing, replacing, and removing all or any part or component of the Improvements whether located on Owner's Property. Operator may exercise its right to use all or any part of the Owner's Property as and when Operator deems it necessary or advisable to do so to perform the activities for which this right is granted, including, without limitation, staging areas and parking for Operator's employees.

4.2 **Access Right.** Operator leases Owner's Property for unobstructed vehicular and pedestrian access and ingress to and egress from the Improvements, Owner's Property and any public roadways, and to construct, maintain, and utilize Roadway Improvements on the Owner's Property. Owner shall not permit others to obstruct or damage the roads or Roadway Improvements located on the Owner's Property or in any other way interfere with Operator's rights under this right. Operator shall repair any damage done to Roadway Improvements which result from use by Operator, its agents, servants or employees. Such roads shall be maintained in the condition necessary for use by Operator's equipment, and with regard to existing roads, shall be maintained in at least the condition that existed prior to Operator's use.

4.3 **Solar Panels Right.** Operator leases Owner's Property for Operator to construct, operate, replace, relocate, remove, and maintain Solar Panels and the appurtenant Collection Facilities, together with associated roads and parking areas on Owner's Property.

4.4 **Collection Facilities Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Collection Facilities on and under the Owner's Property.

4.5 **Substation Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove one or more Substations on Owner's Property.

4.6 **Telecommunication Right.** Operator leases Owner's Property for Operator to construct, operate, maintain, replace, relocate or remove Telecommunication Facilities on and under the Owner's Property.

4.7 **Weather Instrument Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain a Weather Instrument and the appurtenant Collection Facilities on Owner's Property.

4.8 **Battery Facilities Right.** Operator leases Owner's Property in order to construct, operate, replace, relocate, remove, and maintain one or more Battery Facilities on Owner's Property.

5. **Grant of Easements.** Upon the exercise of the Option by Operator, Owner grants to Operator, and Operator accepts from Owner, for the Lease and Easement Term referenced in Section 6.1, the following easements over and across the Owner's Property in accordance with the terms and conditions of this Agreement. The following easements are for the benefit of Operator and Operator's agents, contractors and employees and located on the Owner's Property and are collectively referred to as the "**Easements**".

5.1 **Sun Non-Obstruction Easement.** Owner grants Operator an irrevocable, exclusive easement for the right and privilege to use, maintain and capture the free and unobstructed sunlight over and across the Owner's Property. Owner shall not engage in any activity on Owner's Property or any other neighboring property owned by Owner that might interfere with the sunlight direction over any portion of Owner's Property; cause a decrease in the output or efficiency of any Solar Panel or Weather Instrument; or otherwise interfere with Operator's operation of the Project or exercise of any rights granted in this Agreement (collectively "**Interference**"). This grant of the easement expressly includes the right of Operator to enforce Operator's rights, including the physical removal of trees or structures (except existing trees and structures) causing Interference to the Project contemplated by Operator. Operator shall notify Owner before making any such removals.

5.2 **Effects Easement.** Owner grants to Operator an easement over Owner's Property for visual, view, light, flicker, noise, shadow, vibration, electromagnetic, electrical and radio frequency interference, and any other effects attributable to the Project located on the Owner's Property.

6. **Term.** The term of this Agreement ("**Term**") includes the Option Term referenced in Section 3.1, the Initial Lease and Easement Term as described in Section 6.1.1 and the Extended Lease and Easement Term as described in Section 6.1.2 (together, the Initial Lease and Easement Term and the Extended Lease and Easement Term, if applicable, is defined as the "**Lease and Easement Term**").

6.1 **Lease and Easement Term.**

6.1.1 **Initial Lease and Easement Term.** The initial term of the Lease and Easements shall commence on the date specified by Operator in the Option Notice ("**Commencement Date**"). The initial term of the Lease and Easements shall end thirty (30) years after the Commencement Date (the "**Initial Lease and Easement Term**"), subject to the rights of renewal and termination as provided in this Agreement.

6.1.2 **Extended Lease and Easement Term.** Operator shall have the right to extend the Term of this Agreement for two (2) consecutive terms of five (5) years each in accordance with the terms and provisions of this Agreement (collectively "**Extended Lease and Easement Term**") by providing written notice to Owner of Operator's intent to extend the Term within one hundred eighty (180) days of the end of the existing Term. Each Extended Lease and Easement Term shall begin on the expiration date of the Initial Lease and Easement Term or previous Extended Lease and Easement Term, as the case may be. During the Extended Lease and Easement Term, Operator shall pay Owner the amounts set forth in **Exhibit D** as the consideration for the Lease and Easements.

6.1.3 **Delays During Lease and Easement Term.** At Operator's option, the Term may be extended for a period of time equal to the period of time during which operation of the Project is delayed or suspended because of the occurrence of a Regulatory Suspension or Force Majeure, which are defined as follows:

(i) "**Regulatory Suspension**" shall mean the enactment or application of any law, order, rule, or regulation of the Kentucky Public Service Commission, Federal Energy Regulatory Commission, or other local, state, or federal government authority having jurisdiction over the Project or Operator, or the failure of any such governmental authority to issue an approval or permit pursuant to any such law, order, rule, or regulation, which results in the delay, interruption, or suspension of the production, sale or transmission of electricity from the Solar Panels; and

(ii) "**Force Majeure**" shall mean causes beyond the reasonable control of and without the fault or negligence of the Party claiming Force Majeure, including but not limited to acts of God, labor unrest (including, but not limited to, slowdowns, picketing, boycotts or strikes), flood, earthquake, storm, fire, lightning, explosion, power failure or power surge, vandalism, theft, the cutting of power, transmission or other lines, wires or cables to the Project by persons other than Operator's employees or contractors, epidemic, war, revolution, riot, civil disturbance, sabotage, change in law or applicable regulation subsequent to the Commencement Date and action or inaction by any federal, state or local legislative, executive, administrative judicial agency or body which in any of the foregoing cases, by exercise of due foresight such Party could not reasonably have expected to avoid, and which, by the exercise of due diligence, it is unable to overcome.

The Parties shall be excused from performing their respective obligations under this Agreement, other than Operator's obligation to make Annual Installments Payments and payments of its share of Taxes as set forth below, and shall not be liable in damages or otherwise if and to the extent that they are unable to so perform or are prevented from performing by a Force Majeure, provided that: (i) the non-performing Party, as promptly as practicable after the occurrence of the Force Majeure, but in no event later than thirty (30) days thereafter, gives the other Party written notice describing the particulars of the occurrence; (ii) the suspension of performance is of no greater scope and of no longer duration than is reasonably required by the Force Majeure; (iii) the non-performing Party uses good faith and commercially reasonable efforts to remedy its inability to perform; and (iv) as soon as the non-performing Party is able to resume performance of its obligations excused as a result of the occurrence, each Party shall give prompt written notification thereof to the other Party.

6.2 **Termination by Operator.** Provided Operator is not in default under any term of this Agreement, Operator, at its option, shall have the right to terminate this Agreement at any time during the Term of the Agreement, as to all or any part of the Operator Property. Termination shall be effective thirty (30) days after written notice of such termination to Owner. In the event that the termination is effective prior to the end of the twentieth (20<sup>th</sup>) year of the Lease Term, Operator shall pay to Owner an early termination fee of one year of Annual Installment Payments then in effect. If the termination is a partial termination prior to such twentieth year, the early termination fee shall be prorated according to the acreage terminated. If Operator's notice is a full termination of the Operator Property, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination; (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Upon any such partial termination by Operator, the Parties shall be relieved of all further duties and obligations under this Agreement with respect to the portion thereof terminated by Operator, subject to the obligations and liabilities referenced in items (i) through (iii) above that shall continue to be applicable to the terminated portion of this Agreement. The Parties agree to execute an amendment to this Agreement evidencing such partial termination.

7. **Payments.** If Operator exercises the Option referenced in Section 3, Operator agrees to pay Owner the amounts set forth in **Exhibit D** as consideration for the Lease, Easements and Operator's other rights and interests in the Owner's Property.

8. **Improvements.** Operator shall have the right, at its sole cost and expense, to construct, install, maintain, use, operate, repair, replace, relocate and remove all facilities, structures, equipment, machinery, wires, conduit, cables, poles, materials and property of every kind and character required for the construction and operation of portions of the Project on the Owner's Property, including, but not limited to, the Solar Panels, Collection Facilities, Substations, Telecommunication Facilities, Weather Instruments, Roadway Improvements and Battery Facilities referenced in Sections 8.1 through 8.7 (collectively, the "**Improvements**").

8.1 "**Solar Panels**" shall mean any photovoltaic energy system designed for the generation of electrical power from the collection of sunlight, including without limitation, the photovoltaic panels, foundations, support structures, braces and related equipment.

8.2 "**Collection Facilities**" shall mean all Improvements whose purpose is to deliver electrical power generated by the Solar Panels to an electrical power grid or other system, including without limitation transformers, overhead and underground electrical collection lines, telecommunication lines, splice boxes and interconnection facilities.

8.3 "**Substations**" shall mean electrical lines, meters, monitoring and control equipment, switches, transformers, all structures, equipment, enclosures, fencing, security devices, and other electrical and communications equipment necessary to condition and increase the voltage of electricity generated by the Project to make it suitable for transmission on, and to deliver it to, Collection Facilities connected to an electric power grid or other system.

8.4 **"Telecommunication Facilities"** shall mean all Improvements whose purpose is to provide telecommunication services solely relating to the Project or any of Operator's solar powered projects, including telephone, closed-circuit television, microwave, internet, computer data and other telecommunication services.

8.5 **"Weather Instrument"** shall mean instruments used primarily to gather and transmit sunlight and meteorological data relating to the Project, and includes the instrument's foundations, guy wires, sunlight and meteorological data acquisition equipment, power source, and any required data and electrical transmission lines.

8.6 **"Roadway Improvements"** shall mean all improvements that may be necessary to construct, maintain and repair any new and existing roadways and other means of ingress and egress over, across and along the Owner's Property, including paving or surfacing of the roadways with asphalt, gravel or other roadway materials, installation of road signs and the construction and installation of culverts, bridges, drainage ditches, gates, cattle guards and similar structures and facilities.

8.7 **"Battery Facilities"** shall mean a type of equipment that can be given a new charge by passing an electric current through it designed for the storage of electrical power including without limitation, batteries and other devices for storage of electrical energy, foundations, support structures, braces and related equipment.

8.8 **Ownership of Improvements.** Except as otherwise provided in Section 11.7, all Improvements shall at all times remain the property of Operator, and Owner shall have no right, title or interest therein. All Improvements constructed or placed on the Owner's Property by Operator during the Term of this Agreement may be repaired, replaced, relocated, removed, added to or expanded upon by Operator at any time during the Term of this Agreement. Owner expressly waives any statutory lien or common law liens on the Improvements to which Owner might be entitled.

8.9 **Construction Liens.** Operator shall not permit any liens arising out of Operator's use of the Operator Property under this Agreement to be filed against the Owner's Property. Operator shall, within sixty (60) days after it receives notice of the lien, provide a bond or other security that Owner may reasonably request, or remove such lien from the Owner's Property in the manner provided by applicable law.

8.10 **Location of Improvements.** The acreage required from the Owner's Property for the Improvements for which the Lease and Easements are being granted cannot be determined until the completion of Operator's inspection, testing, study and surveying of the Owner's Property during the Option Term. Along with the Option Notice, Operator shall deliver to Owner a proposed plan of development showing the contemplated locations of the Improvements and a preliminary calculation of the acreage as determined by the area bounded by a perimeter fence required for the Project, which shall serve as the **Exhibit B** to this Agreement. During the final development and construction of the Project, such locations may need to be amended. Following construction of the Project, Operator shall provide Owner an "as-built" survey of all Improvements on Owner's Property and the final calculation of the acreage as determined by the

area bounded by a perimeter fence required for the Project, which shall serve as **Exhibit C** to this Agreement. Further, following construction, the Improvements may need to be relocated or rerouted by Operator, which Operator may perform, at any time during the Term of this Agreement, so long as the nature and extent of any such relocated or rerouted Improvements are not materially different and impose no materially greater burden on the Owner's Property than the original locations or routes, and so long as Operator takes commercially reasonable efforts to minimize disruption or inconvenience to Owner.

**8.11 Removal of Improvements.** Upon full or partial termination of any of the Lease Rights or Easements, Operator shall remove all Improvements and restore the area formerly occupied by the Improvements to substantially the same physical condition that existed immediately before the construction of the Improvements (the "**Removal Obligations**"). At Owner's request, all or any part of the Roadway Improvements may be left for use by Owner.

**8.12** If a governmental authority does not require a performance bond or security for removal of the Improvements, then upon the earlier to occur of: (i) the termination of this Agreement; or (ii) on the twentieth (20th) anniversary of the commercial operations date of the Project, Operator shall obtain and deliver to Owner a bond in form and substance reasonably satisfactory to Owner securing Operator's Removal Obligations (the "Removal Bond"). The Removal Bond shall be equal to the estimated amount, if any (the "Net Removal Costs"), of removing the Improvements from Owner's Property. Operator shall not be required to deliver such Removal Bond to Owner if Operator has delivered such a bond in connection with the permitting of Owner's Property or any other portion of the Improvements for the Project. Once in place, Operator shall keep such bond, or a like replacement, in force throughout the remainder of the Term. The Net Removal Costs shall be determined by the Parties hereto acting in good faith. If the Parties cannot agree upon the Net Removal Costs within sixty (60) days of their first attempt to do so, then the Net Removal Costs shall be determined by an independent engineer mutually selected by the Parties. If the Parties cannot agree upon such independent engineer within the next thirty (30) days, then by an independent engineer appointed by a District Judge of Henderson County, Kentucky; and the decision of such an independent engineer (however selected) as to the Net Removal Costs shall be conclusive as between and binding upon, the Parties. If an independent engineer is selected, then the Parties hereto shall equally share all of the costs associated with the independent engineer's determination of the Net Removal Cost. If the Removal Bond is unavailable or an alternate form of security is more economical or desirable, then Operator may substitute an alternate form of security, such as a letter of credit, other form of bond, or guarantee reasonably acceptable to Owner that provides substantially equivalent security as the Removal Bond. Operator shall continue to make Annual Installments Payments until the Removal Obligations are substantially completed, prorated to the date of substantial completion. Operator shall re-determine the Removal Cost every five (5) years after the initial posting of the Removal Bond.

**9. Ownership and Title Matters.** Owner warrants and represents to Operator, both as of the Effective Date, and as of the Commencement Date as follows:

**9.1 Authority.** Owner represents and warrants that it is the holder of fee simple title and is the sole owner of the Owner's Property and has the unrestricted right and authority to sign this Agreement and to grant Operator the Lease and Easements and other rights granted in this

Agreement. When signed by both Parties, this Agreement constitutes a valid and binding agreement enforceable against Owner in accordance with its terms.

9.2 **Other Agreements.** The Owner's Property is not subject to any other agreements, options, rights of first refusal or other prior right of any party to purchase, lease or acquire easements in the Owner's Property, or create any prior claim or right that would preclude or interfere with Operator's rights and interests under this Agreement and the Lease and Easements.

9.3 **Minerals.** Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, to the best of Owner's knowledge and belief, Owner owns all of the oil, gas and other minerals, and all rights thereto as on or under the Owner's Property.

9.4 **Owner Mortgage.** Except as disclosed by Owner to Operator at the time of the execution of this Agreement by Owner, there are no mortgages encumbering the Owner's Property ("**Owner Mortgage**").

9.5 **Notice and Opportunity to Cure.** If there is an Owner Mortgage encumbering Owner's Property and Owner receives from the holder thereof any notice that payments are overdue, Owner shall notify Operator and each Operator Mortgagee (as defined at Section 13.1) by sending a copy of such overdue payment notice to Operator by the earlier of (i) five (5) days after receipt, or (ii) three (3) business days prior to the date by which a default under or in respect of such Owner Mortgage could occur. If Operator or any Operator Mortgagee determines that it would be in Operator's interest to make such payments to Owner Mortgagee on Owner's behalf, whether as a result of receiving such notice or otherwise, Operator shall have the right to make such payments and to credit the payments so made against the Annual Installment Payment next due under the Agreement.

9.6 **Subordination, Non-Disturbance & Attornment Agreement.** If there is an Owner Mortgage encumbering Owner's Property, Owner shall cooperate with Operator to obtain a Subordination, Non-Disturbance and Attornment Agreement ("**SNDA**") in the form prepared and provided by Operator, from each Owner Mortgagee, pursuant to which such Owner Mortgagee agrees, among other things, not to disturb Operator's possession and use of the Owner's Property. Owner shall not incur any loss in income, expense, obligation or liability with regard to the SNDA. Operator shall, at its sole cost and expense, record each such SNDA in the Office of the County Clerk in which Owner's Property is located. If Owner fails to deliver a SNDA from each Owner Mortgagee, Operator may, at its sole option, either (i) terminate this Agreement immediately upon written notice to Owner, or (ii) take such action as Operator deems reasonably necessary to effect the rights granted to Operator hereunder, and off-set all amounts expended in such efforts against the Annual Installment Payments and any other amounts due hereunder or in respect hereof.

10. **Representations and Warranties of Owner.** Owner hereby makes the following further representations and warranties both as of the Effective Date, and as of the Commencement Date:

10.1 **Physical Condition.** Owner has no knowledge of any existing physical conditions of the Owner's Property which would prevent, significantly restrict or make more

expensive Operator's development of the Owner's Property for the purposes specified in this Agreement, or which could, with the passage of time, or the giving of notice, constitute a violation of any currently applicable governmental law, ordinance, order, rule or regulation.

10.2 **Legal Restrictions.** Owner has no knowledge of any law, regulation, ordinance or order of any local, state or federal governmental authority which would prohibit or significantly restrict Operator's development of the Owner's Property pursuant to this Agreement. This Agreement does not violate any contract, agreement, instrument, judgment or order to which Owner is a party or which affects the Owner's Property. To the best of Owner's knowledge, the Owner's Property is currently in full and complete compliance with all governmental laws, ordinances, orders, rules and regulations applicable to the Owner's Property.

10.3 **No Litigation.** No litigation is pending and, to the best of Owner's knowledge, no litigation or administrative actions are proposed, threatened or anticipated with respect to any matter affecting the Owner's Property. If Owner learns of any litigation or administrative action proposed, threatened or instituted with respect to the Owner's Property, Owner shall give Operator notice within thirty (30) days thereof.

10.4 **Survival.** The representations and warranties set forth in this Section 10 shall survive the execution and delivery hereof.

## 11. **Use, Operation and Maintenance.**

11.1 **Exclusive Use by Operator.** Operator shall have the exclusive, after the execution of the option and during the lease and easement term, right during the Lease and Easement Term (i) to use and possess the Owner Property in connection with the Project and other similar solar-powered electrical power generation projects; (ii) to investigate, inspect, survey, and conduct tests of the Owner's Property, including, but not limited to, meteorological, environmental, archeological and geotechnical tests and studies; (iii) to use and convert all of the sunlight resources on the Owner's Property; and (iv) to undertake such other activities on the Owner's Property that may be related to the Project, including, without limitation, the storage of Solar Panels, materials and equipment during the installation and construction of the Improvements; development and operation of communications systems; and site tours of the Project for visitors and other interested parties.

11.2 **No Required Installation or Operation.** Nothing in this Agreement shall be interpreted as imposing on Operator any obligation to install Solar Panels or other Improvements on the Owner's Property, or to operate the Project on the Owner's Property. Operator shall have the sole discretion to determine if and when any Solar Panels and other Improvements may be constructed on Owner's Property, and if and when to commence the operation of the Project on the Owner's Property.

11.3 **Permits and Approvals.** Operator shall be responsible, at its sole cost and expense, for obtaining any governmental permits and approvals necessary for the construction and operation of the Project and the construction and operation of the Improvements. Owner shall cooperate with Operator as necessary to obtain any governmental or utility approvals or permits, including, without limitation, signing any applications for such approvals, provided that

Owner shall not incur any loss in income, expense, obligation or liability with respect to Operator obtaining such permits or approvals.

11.4 **Compliance with Laws.** Operator shall comply in all material respects with valid laws applicable to the Owner's Property and the Operator Property. Operator shall have the right, in its sole discretion and at its sole expense, in Operator's name to contest the validity or applicability to the Owner's Property and the Operator Property of any law, ordinance, statute, order, regulation, property assessment or the like made by any governmental agency or entity. Operator shall control any such contest and Owner shall cooperate with Operator in every reasonable way in such contest, provided that Owner shall incur no expense, obligation or liability with regard to such contest.

11.5 **Care and Appearance.** Operator, in its exercise of the lease, easement and other rights granted hereunder shall, at all times, maintain the Owner's Property and the Improvements in a reasonably neat, clean and presentable condition. Operator shall not willfully or negligently damage or destroy the Owner's Property and shall keep the Owner's Property clean and free of debris created by Operator, its contractors, or others brought on to the Owner's Property by Operator. Operator shall not use the Owner's Property for storage, except for materials, construction equipment and vehicles directly associated with construction or maintenance of the Improvements on the Owner's Property or adjacent properties that are part of the Project. Operator will take actions to control erosion control as per the requirements of the USEPA Clean Water Act and KY National Pollutant Discharge Elimination System (NPDES) as administered by the KY Energy and Environment Cabinet (EEC)

11.6 **Fences and Gates.** At Owner's request, Operator shall repair or replace any fences, gates or cattle guards damaged or removed in connection with Operator's activities on the Owner's Property. Fences removed from the Owner's Property, if replaced, shall be re-built by Operator at its expense in mutually agreeable locations. All fence repair and construction shall be substantially similar to the construction of existing fences and cattle guards on Owner's Property. Any gates opened for access to Owner's Property by either Party shall be closed immediately after passing through so that livestock may not pass through. Once completed, all replacement fences, gates and cattle guards shall be owned and maintained by Owner. Upon abandonment or termination of the rights granted to Operator in this Agreement, any fences, gates and cattle guards installed by Operator shall remain and become the property of Owner. To minimize the need for temporary fencing, Owner will cooperate with Operator to avoid pasturing animals on or near the Improvements during periods of construction, maintenance or removal activity by Operator. Owner will discuss with Operator what temporary fencing is necessary during the periods of construction, maintenance or removal activity by Operator.

11.7 **Roadway Maintenance and Repairs.** Operator agrees to maintain and repair all Roadway Improvements located on the Operator Property;

12. **Taxes.**

12.1 **Owner's Taxes.** Owner covenants and agrees to pay prior to delinquency all real and personal property and other taxes, general and special assessments, and other charges of every description ("Taxes") levied or assessed against the Owner's Property and all

improvements thereon by governmental authorities, other than Operator's Taxes referenced in Section 12.2 (Taxes, excepting Operator's Taxes, are hereinafter referred to as "**Owner's Taxes**").

12.3 **Failure to Pay.** In the event either Party fails to pay their share of Taxes prior to delinquency, the other Party shall have the right to pay such Taxes and any accrued penalties or interest, which payments shall increase or be offset against other Payments due under this Agreement.

12.4 **Operator's Right to Contest.** Operator may contest the legal validity or amount of any Operator's Taxes for which it is responsible under this Agreement, and may institute such proceedings as it considers necessary, provided that Operator shall bear all expenses in pursuing such contest or proceeding. With respect to any Taxes which may constitute a lien on the Owner's Property, Operator shall promptly pay such Taxes unless the proceeding in which it contests such Taxes shall operate to prevent or stay the collection of the Taxes so contested or unless Operator removes any such lien by bonding or otherwise. Owner agrees to render to Operator all reasonable assistance in contesting the validity or amount of any such Taxes, with the exception of Taxes levied by Owner, including joining in the signing of any reasonable protests or pleading which Operator may deem advisable to file; provided, however, that Operator shall reimburse Owner for its reasonable out-of-pocket expenses, including reasonable attorneys' fees incurred in connection with providing such assistance.

13. **Mortgage of Operator Property.**

13.1 **Right to Mortgage.** Operator may, upon written notice to Owner, but without requiring Owner's consent or approval, mortgage, collaterally assign, or otherwise encumber and grant security interests in all or any part of its interest in this Agreement and the Operator Property. These various security interests in all or a part of this Agreement and the Operator Property are collectively referred to as an "**Operator Mortgage**" and holder of such security interest, an "**Operator Mortgagee**". Any Operator Mortgagee shall use the Operator Property

only for the uses permitted under this Agreement. Whenever Operator has granted a security interest under this Section 13, it will give Owner notice of the Operator Mortgage (including the name and address of the Operator Mortgagee for notice purposes) to Owner within thirty (30) days; provided that failure to give this notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner to provide such Operator Mortgage notice until the Operator and its address is given to Owner.

**13.2 Notice of Default and Opportunity to Cure.** As a precondition to exercising any rights or remedies related to any alleged default by Operator under this Agreement, Owner shall give written notice of the default to each Operator Mortgagee at the same time it delivers notice of default to Operator, specifying in detail the alleged event of default and the required remedy. Each Operator Mortgagee or its designee shall have the right, but not the obligation, to cure any default as Operator, and/or the right, but not the obligation, to remove any Improvements or other property owned by Operator or such Operator Mortgagee located on the Owner's Property to the same extent as Operator. The cure period for any Operator Mortgagee shall be the later of (i) the end of the Operator cure period under Section 18; (ii) thirty (30) days after such Operator Mortgagee's receipt of the default notice; or (iii) if applicable, the extended cure period provided for in Section 13.3. Failure by Owner to give an Operator Mortgagee notice of default shall not diminish Owner's rights against Operator, but shall preserve all rights of the Operator Mortgagee or its designee to cure any default and to remove any Improvements or other property of Operator or the Operator Mortgagee located on the Owner's Property.

**13.3 Extended Cure Period.** If any default by Operator under this Agreement cannot be cured without the Operator Mortgagee obtaining possession of all or part of the Operator Property, then any such default shall be deemed remedied if an Operator Mortgagee: (i) within sixty (60) days after receiving notice from Owner as set forth in Section 13.2, acquires possession of all or part of the Operator Property, or begins appropriate judicial or nonjudicial proceedings to obtain the same; (ii) diligently prosecutes any such proceedings to completion; and (iii) after gaining possession of all or part of the Operator Property performs all other obligations as and when the same are due in accordance with the terms of this Agreement. If an Operator Mortgagee is prohibited by any court or by operation of any bankruptcy or insolvency laws from commencing or prosecuting the proceedings described above, the sixty (60) day period specified above for commencing proceedings shall be extended for the period of such prohibition.

**13.4 Operator Mortgagee Liability.** Any Operator Mortgagee whose interest in the Operator Property is held solely for security purposes, shall have no obligation or liability under this Agreement unless and until the Operator Mortgagee succeeds to absolute title to the Operator Property and the rights of Operator under this Agreement. An Operator Mortgagee shall be liable to perform obligations under this Agreement only for and during the period it directly holds such absolute title.

**13.5 Certificates.** Owner shall execute any estoppel certificates (certifying as to truthful matters, including without limitation that no default then exists under this Agreement, if such be the case), consents to assignment and non-disturbance agreements as Operator or any Mortgagee may reasonably request from time to time. The Parties shall negotiate in good faith any amendment to this Agreement from time to time to include any provision that may be

reasonably requested by Operator or any Operator Mortgagee to implement the provisions contained in this Agreement or to preserve an Operator Mortgagee's security interest.

**13.6 Operator Mortgagee's Right to Enforce Mortgage and Assign.** Each Operator Mortgagee shall have the right, in its sole discretion: (i) to assign its Operator Mortgage; (ii) to enforce its lien and acquire title to all or any portion of the Operator Property by any lawful means; (iii) to take possession of and operate all or any portion of the Operator Property and to perform all obligations to be performed by Operator under this Agreement, or to cause a receiver to be appointed to do so; and (iv) to acquire all or any portion of the Operator Property by foreclosure or by an assignment in lieu of foreclosure and thereafter to assign or transfer all or any portion of the Operator rights under this Agreement to a third party in accordance with Section 14. Any Operator Mortgagee or other party who acquires Operator's interest in all or a portion of the Operator Property pursuant to foreclosure or assignment in lieu of foreclosure shall not be liable to perform the obligations imposed on Operator by this Agreement, which are incurred or accruing after such Operator Mortgagee or other party no longer has ownership or possession of the Operator Property.

**13.7 New Agreement.**

13.7.1 If the Operator Property is foreclosed upon or there is an assignment in lieu of foreclosure, or if this Agreement is rejected or disaffirmed pursuant to bankruptcy law or other law affecting creditor's rights and, within ninety (90) days after such event, Operator or any Operator Mortgagee or other purchaser at a foreclosure sale shall have arranged to the reasonable satisfaction of Owner to cure any material defaults under this Agreement, and for the payment of all Annual Installment Payments or other charges due and payable by Operator as of the date of such event, then Owner shall execute and deliver to Operator or such Operator Mortgagee or other purchaser at a foreclosure sale, or to a designee of one of these parties, as the case may be, a new agreement ("**New Agreement**") which (i) shall be for a term equal to the remainder of the Term of this Agreement before giving effect to such rejection or termination; (ii) shall contain the same covenants, agreements, terms, provisions and limitations as this Agreement (except for any requirements that have been fulfilled by Operator or any Operator Mortgagee or other purchaser at a foreclosure sale prior to rejection or termination of this Agreement); and (iii) shall include that portion of the Operator Property in which Operator or such other Operator Mortgagee or other purchaser at a foreclosure sale had an interest on the date of rejection or termination.

13.7.2 If more than one Operator Mortgagee makes a written request for a New Agreement pursuant to this provision, the New Agreement shall be delivered to the Operator Mortgagee requesting such New Agreement whose Operator Mortgage is prior in time, and the written request of any other Operator Mortgagee whose lien is subordinate shall be void and of no further force or effect. The provisions of this Section 13 shall survive the termination, rejection or disaffirmation of this Agreement and shall continue in full force and effect thereafter to the same extent as if this Section 13 were a separate and independent contract made by Owner, Operator and each Operator Mortgagee, and, from the effective date of such termination, rejection or disaffirmation of this Agreement to the date of execution and delivery of such New Agreement, such Operator Mortgagee or other purchaser at a foreclosure sale may use and enjoy the Operator Property without hindrance by Owner or any person claiming by, through or under

Owner; provided that all of the conditions for the New Agreement as set forth above are complied with.

**13.8 Operator Mortgagee's Consent to Amendment, Termination or Surrender.** Notwithstanding any provision of this Agreement to the contrary, the Parties agree that so long as any Operator Mortgage remains outstanding, this Agreement shall not be modified or amended, and Owner shall not accept a surrender, cancellation or release of all or any part of the Operator Property from Operator, prior to expiration of the Term of this Agreement, without the prior written consent of the Operator Mortgagee holding such Operator Mortgage. This provision is for the express benefit of and shall be enforceable by each Operator Mortgagee as if it were a party named in this Agreement.

**14. Assignment and Sublease.** Operator shall have the right, without Owner's consent, to sell, convey, lease, or assign all or any portion of this Agreement or the Operator Property, on either an exclusive or a non-exclusive basis, or to grant subleases, co-leases, easements, licenses or similar rights with respect to the Operator Property (collectively, "**Assignment**"), to one or more persons or entities (collectively "**Assignee**"). Each Assignee shall use the Operator Property only for the uses permitted under this Agreement. When Operator makes any Assignment under this Section 14, Operator shall give written notice to Owner of such Assignment (including the interest conveyed by the Assignment and address of the Assignee for notice purposes) to Owner; provided Operator's failure to give such notice shall not constitute a default under this Agreement, but rather shall only have the effect of not binding Owner with respect to such assignment or conveyance until such notice is given. Any Assignment by Operator shall release Operator from obligations subject thereof accruing after the date that liability for such obligations is assumed by the Assignee.

**15. Hazardous Materials.**

**15.1 Owner's Covenants Regarding Hazardous Materials.** Owner represents and warrants that, to the best of Owner's knowledge, the Owner's Property is not and has not been in violation of any federal, state or local environmental health or safety laws, statute, ordinance, rule, regulation or requirement ("**Environmental Laws**"), and Owner has not received any notice or other communication from any governmental authorities alleging that the Owner's Property is in violation of any Environmental Laws. "**Hazardous Materials**" shall mean any asbestos containing materials, petroleum, explosives, toxic materials, or substances regulated as hazardous wastes, hazardous materials, hazardous substances, or toxic substances under any federal, state, or local law or regulation. Owner warrants that Owner has done nothing to contaminate the Operator Property with Hazardous Materials or wastes.

**15.2 Operator's Covenants Regarding Hazardous Materials.** Operator shall comply with all applicable Environmental Law with respect to its use of the Owner's Property. Operator shall, at Operator's sole cost and expense, promptly take removal or remedial action required by Environmental Law with regard to any material violation of any Environmental Law with regard to any Hazardous Materials brought onto the Owner's Property by Operator or its employees, agents, or contractors. Owner shall cooperate with Operator with regard to any scheduling or access to the Owner's Property in connection with any action required hereunder.

15.3 **Operator's Indemnity Regarding Hazardous Materials.** Operator shall indemnify, defend, protect and hold Owner harmless from any liability based on: (i) the release of Hazardous Materials in, on, under or about the Owner's Property caused by Operator or its employees, agents, or contractors, or (ii) the violation by Operator or its employees, agents, or contractors of any Environmental Law. The indemnity obligations set forth herein shall survive termination of this Agreement.

16. **Insurance and Indemnity.**

16.1 **Insurance.** At all times during which Operator is conducting any activities on the Property and at all times during the Term of this Agreement, Operator shall maintain in effect (1) commercial General Liability Insurance, including bodily injury and property damage coverage with minimum limits of \$1 Million Dollars per occurrence and \$2 Million Dollars aggregate and (2) Umbrella Liability Insurance with minimum limits of \$5 Million Dollars per occurrence and \$5 Million Dollars aggregate. Upon a written request by Owner, Operator shall name Owner as additional insured on such insurance policy and provide Owner with a certificate of such insurance.

16.2 **Indemnity by Operator.** Operator shall defend, indemnify, protect and hold Owner harmless from and against all liabilities, costs, expenses, obligations, losses, damages, claims, (collectively "Claims") resulting from the negligence, willful misconduct, or breach of this Agreement by Operator, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the negligence, willful misconduct, or breach by Owner, its agents, contractors or employees, invitees, licensees or permittees.

16.3 **Indemnity by Owner.** Owner shall defend, indemnify, protect, and hold Operator harmless from and against all Claims resulting from the negligence, willful misconduct, or breach of this Agreement by Owner, its agents, contractors or employees, invitees, licensees and permittees; provided, however, that such Claims are not due to the negligence, willful misconduct, or breach by Operator, its agents, contractors, employees, invitees, licensees, or permittees.

16.4 **Survival.** The obligations of the Parties under this Section 16 shall survive expiration or other termination of this Agreement.

17. **Confidentiality.** This Agreement includes confidential and proprietary information relating to Operator and the Project. Owner agrees not to provide copies of the Agreement or disclose the terms of the Agreement to any unauthorized person or entity. Operator authorizes Owner to provide copies of the Agreement and disclose the terms thereof to Owner's family ("family" shall be deemed to include all devisees or descendants of owner by will or intestacy), attorney, accountant, financial advisor and any existing or prospective mortgagee, lessee, or purchaser for the sole purpose of evaluating and advising Owner and for no other purpose, so long as such authorized parties agree in writing to become subject to the confidentiality provisions hereto and not to provide copies of the Agreement or disclose the terms thereof to any unauthorized person or entity. Any Owner and party shall return all material containing any confidential information to Operator immediately upon its request. Any party agrees to destroy

immediately upon request by Operator such analyses, compilation, studies or other documents, and any oral information will continue to be subject to the terms of this Agreement. Owner agrees that Operator will have no adequate remedy at law if any party violates any of the terms of this Agreement. In such event Operator will have the right, in addition to any other rights Operator may have, to obtain injunctive relief to restrain any breach or threatened breach by third party or specific enforcement of such terms plus reimbursement of attorneys' fees, court costs and all associated expenses. No party shall publish, file for public record, reproduce, or otherwise disseminate this document or any of the terms and provisions hereof to any party, other than the Parties set forth above without the prior written consent of Operator, which consent may be withheld for any reason and in Operator's sole discretion.

## 18. **Default and Remedies.**

18.1 **Operator Payment Default.** If Operator shall fail to pay any amounts set forth in **Exhibit D** which failure continues for more than thirty (30) days from receipt of written notice from Owner that such amount is due, then Operator shall be in default ("**Operator Payment Default**") and Owner shall have the following remedies:

18.1.1 **Collection of Payments.** With or without terminating this Agreement, Owner may file a lawsuit against Operator to collect any unpaid amounts set forth in **Exhibit D** together with interest thereon that accrues during the continuance of the Operator Payment Default, calculated at a rate ("**Default Rate**"), which is the rate established by Kentucky law for recorded money judgments in the state of Kentucky.

18.1.2 **Terminate Agreement.** Owner may not terminate this Agreement because of any Operator Payment Default without first giving Operator written notice of its intention to terminate the Agreement ("**Termination Notice**"), to be effective on a date to be specified by Owner that is at least thirty (30) days after the date of the Termination Notice. If, by the date specified in the Termination Notice, Operator fails to pay the amount required to cure the Operator Payment Default (including interest at the Default Rate that accrues during the continuance of the Operator Payment Default), Owner's termination of this Agreement shall become effective on the date specified in the Termination Notice. Upon such termination, the Parties shall be relieved of all further duties and obligations under this Agreement, other than (i) the payment of any accrued and unpaid obligations owed by either Party as of the date of termination (including the amount owed by Operator with respect to the Operator Payment Default and interest payable with respect thereto); (ii) the removal of the Improvements by Operator pursuant to Section 8.11; and (iii) any other obligations and liabilities that are expressly stated in this Agreement to survive such termination. Owner's right to terminate this Agreement pursuant to this Section 18.1.2 is subject to and conditioned upon Owner giving any Operator Mortgagee written notice and opportunity to cure the Operator Payment Default as provided in Section 13.2. In the event of litigation under this Section 18.1, the prevailing party shall be entitled to collect its reasonable attorney's fees and costs from the non-prevailing party in any such action.

18.2 **Other Operator Default.** Operator shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement other than an Operator Payment Default as set forth in Section 18.1 and shall not cure such default within thirty (30)

days after receiving notice thereof from Owner (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Operator fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Other Operator Default**"). The breach by Operator of any provision hereof may only result in a cause of action by Owner under applicable law and, other than as set forth in this Section 18.2, Owner hereby waives all other rights it may have, in law or in equity, to terminate this Agreement prior to the expiration of the Term. In the event of any such breach by Operator, Owner shall, at least thirty (30) days prior to commencing any cause of action, give written notice of the cause of breach to Operator, and any Operator Mortgagee (of which it has been notified in writing) concurrently, specifying in detail the alleged event of breach and the required remedy. If Operator does not cure or commence curing such breach within thirty (30) days of receipt of notice, the Operator Mortgagee or its designee shall have the absolute right, but not the obligation, to substitute itself for Operator and perform the duties of Operator hereunder for the purposes of curing such breach. Owner expressly consents to such substitution, agrees to accept such performance, and authorizes the Operator Mortgagee or its designee (or its employees, agents, representatives or contractors) to enter upon the Owner's Property to complete such performance with all the rights, privileges and obligations of Operator hereunder. Owner may cure any default by Operator after Operator's cure period has expired. If Owner at any time by reason of Operator's default, pays any sum or performs any act that requires the payment of any sum, the sum paid by Owner shall be due immediately from Operator to Owner, together with interest on such sum calculated at the Default Rate. The prevailing party in any action for enforcement of an Other Operator Default shall be entitled to recover its reasonable attorneys' fees and costs from the opposing party.

18.3 **Owner Default.** Owner shall be in default of this Agreement if it shall fail to meet any of its obligations under the terms of this Agreement and shall not cure such default within thirty (30) days after receiving notice thereof from Operator (or if such default cannot be cured through the exercise of reasonable diligence within such thirty (30) day period, if Owner fails to commence corrective action within such thirty (30) day period and thereafter diligently prosecutes same to completion) ("**Owner Default**"). Upon the occurrence of an Owner Default, Operator shall have the option to pursue any one or more of the following remedies without any further notice or demand whatsoever: (i) terminate this Agreement without being liable for prosecution or any claim of damages therefor; and (ii) pursue any and all other action or remedies that may be available to Operator at law or in equity, including but not limited to all loss or damage which Operator may suffer by reason of a termination of this Agreement.

## 19. **Condemnation.**

19.1 **Complete Taking.** If, at any time, any authority having the power of eminent domain shall condemn all or substantially all of the Operator's Property, or all of the Improvements thereon, for any public use or otherwise, then the interests and obligations of Operator under this Agreement in or affecting the Operator's Property shall cease and terminate upon the earlier of (i) the date that the condemning authority takes physical possession of the Operator's Property or the Improvements thereon, (ii) the date that Operator is, in its sole judgment, no longer able or permitted to operate the Project on the Operator's Property in a commercially viable manner, or (iii) the date of the condemnation judgment. Operator shall continue to pay all amounts payable hereunder to Owner until the earlier of such dates, at which

time the Parties shall be relieved of any and all further obligations and conditions to each other under this Agreement.

19.2 **Partial Taking.** If, at any time during the term of this Agreement, any authority having the power of eminent domain shall condemn one or more, but not all, of the Solar Panels, or any portion of the Improvements or the Operator's Property, then the interest and obligations of Operator under this Agreement as to those Solar Panels or any portion of the Improvements or the Operator's Property so taken shall cease and terminate upon the earlier of (i) the date that the condemning authority takes possession of such Solar Panels or any portion of the Improvements or the Operator's Property, (ii) the date that Operator is, in its reasonable judgment, no longer able or permitted to operate the Project on the Operator's Property, or any portion thereof, in a commercially viable manner, or (iii) the date of the condemnation judgment; and, unless this Agreement is terminated as hereinafter provided, this Agreement shall continue in full force and effect as to the remainder of the Solar Panels, Improvements and the Operator's Property. If the remainder of the Solar Panels or any other portion of the Improvements or the Operator's Property is or becomes insufficient or unsuitable for Operator's purposes hereunder, as determined by Operator in its sole discretion, then, subject to the rights of any Operator Mortgagee under Section 13, Operator shall have the right to terminate this Agreement as to the portion of the Operator's Property to which Operator continues to hold the rights, at which time the Parties shall be relieved of any further obligations and duties to each other under this Agreement.

19.3 **Apportionment, Distribution of Award.** On any taking, all sums awarded, including damages and interest, shall be paid as follows:

- (a) Any portion of the award by the court on account of any cost or loss that Operator may sustain in the removal and relocation of Operator's Improvements, to Operator;
- (b) Any portion of the award by the court for Operator's anticipated or lost revenues or profits, to Operator;
- (c) Any portion of the award by the court for Owner's lost revenues, to Owner;
- (d) All remaining amounts of the award, to Owner or Operator consistent with applicable Kentucky law.

20. **Notice.**

20.1 **Writing.** All notices given or permitted to be given hereunder shall be in writing.

20.2 **Delivery.** Notice is considered given either (i) when delivered in person to the recipient named below, (ii) upon receipt after deposit in the United States mail in a sealed envelope or container, postage and postal charges prepaid, return receipt requested or certified mail, addressed by name and address to the party or person intended, or (iii) twenty-four (24) hours from proper and timely delivery to an overnight courier service addressed by name and address to the party or person intended as follows:

Notice to Owner: Dawson Family Farms, LLC

  
Email: \_\_\_\_\_

Notice to Operator: Boulevard Associates, LLC  
700 Universe Blvd  
Juno Beach, FL 33408  
Attn: Land Services Administration  
Telephone: (855) 552-9872

20.3 **Change of Recipient or Address.** Either Party may, by notice given at any time or from time to time, require subsequent notices to be given to another individual person, whether a party or an officer or representative, or to a different address, or both. Notices given before actual receipt or notice of change shall not be invalidated by the change.

21. **Miscellaneous Provisions.**

21.1 **Successors and Assigns.** The terms and provisions of this Agreement shall run with the land and be binding on and inure to the benefit of the heirs, successors, assigns and personal representatives of the Parties. In accordance with this Agreement, Operator in its discretion may authorize other persons or entities to use the Operator Property for the purposes stated in this Agreement

21.2 **Memorandum.** Simultaneously with the execution of this Agreement, the Parties agree to execute and acknowledge a memorandum of this Agreement. Operator may record the executed memorandum in the public records of Henderson County, Kentucky.

21.3 **Entire Agreement.** This Agreement and the attached Exhibits shall constitute the entire agreement between the Parties and supersedes all other prior writings and understandings.

21.4 **Amendments.** This Agreement shall not be amended or modified in any way except by an instrument signed by the Parties and consented to by any Operator Mortgagee. The Parties hereto shall at all times hereafter execute any documents and do any further acts which may be necessary or desirable to carry out the purposes of this Agreement and to give full force and effect to each and all of the provisions hereof.

21.5 **Legal Matters.** This Agreement shall be governed by and interpreted in accordance with the then existing laws of the Commonwealth of Kentucky and the County where the Owner's Property is located shall be considered the proper forum or jurisdiction for any disputes arising in connection with this Agreement. The Parties agree to first attempt to settle any dispute arising out of or in connection with this Agreement by good-faith negotiation. If the Parties are unable to resolve amicably any dispute arising out of or in connection with this Agreement, each shall have all remedies available at law or in equity and as provided by this Agreement. **Each Party waives all right to trial by jury and specifically agrees that trial of**

**suits or causes of action arising out of this Agreement shall be to the court of competent jurisdiction.**

21.6 **Severability**. If any term or provision of this Agreement, or the application thereof to any person or circumstance shall, to any extent, be determined by judicial order or decision to be invalid or unenforceable, the remainder of this Agreement or the application of such term or provision to persons or circumstances other than those as to which it is held to be invalid, shall be enforced to the fullest extent permitted by law.

21.7 **Tax Credits**. If under applicable law Operator becomes ineligible for any currently existing tax credit, benefit or incentive for alternative energy expenditure established by any local, state or federal government, then, at Operator's option, the Parties shall negotiate in good faith to amend this Agreement or replace it with a different instrument so as to convert Operator's interest in the Operator Property to a substantially similar interest that makes Operator eligible for such tax credit, benefit or incentive. Such amendment or instrument shall not impair any of Owner's rights or increase the burdens or obligations of Owner under this Agreement.

21.8 **Approvals**. Whenever in this Agreement the approval or consent of either Party is required or contemplated, unless otherwise specified, such approval or consent shall not be unreasonably withheld or delayed.

21.9 **Authority**. The signatories hereto warrant that each has the authority to execute this Agreement on behalf of any entities which are Parties to this Agreement and that each such entity has executed this Agreement pursuant to its organizational documents or a resolution or consent of their Board of Directors or other governing body.

21.10 **Time of Essence**. Time is of the essence of each provision of this Agreement.

21.11 **Counterparts**. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute a single instrument.

Parcel 1

Beginning at a stake in the east line of Robards and Busby Station Road 16 feet from Henry Punston's line, thence N 21- 1/4 W 30 links to a stake on the east side of the above mentioned road in Ed Otey's line; thence with Ed Otey's line N 32 E 126 poles to a fence post in said line; thence S 74 E 35 poles 8 6/10 links to a stake, thence S 21 W 88 poles and 16 links to a stake, 16 feet at right angles from Henry Funston's line; thence S 77 W 69 poles and 21 links to the beginning, containing 30 acres, more or less.

70-6

Being the same property conveyed to Karl Wayne Dawson and wife, Lynn R. Dawson by deed recorded in Deed Book 520 page 622 in the Henderson County Court Clerk's office.

Parcel 2

**TRACT 1: Beginning at a point corner to Dempsey Ligon in the line of public road leading from Robards to Busby Station; thence N. 27-16 W., 17.82 chains corner to Mrs. A. S. Denton on said public road; thence N. 76-15 E., 42.15 chains to a point, corner to F. A. Porter; thence S. 4-17 E. 28.75 chains to a point corner to F. A. Porter; thence S. 17-46 W., 9.70 chains to a point corner to F.A. Porter; thence N. 57-45 W., 34.83 chains to a point corner to Dempsey Ligon; thence S. 15-55 E., 6.12 chains to a point, corner to Dempsey Ligons; thence S. 8-01 W. 4.75 chains to the beginning. Containing 92.88 acres by survey and**

plat made January, 1898, by Woodson Hopkins Civil Engineer of Henderson, Kentucky.

**TRACT 2:** A certain small piece of land lying with F. A. Porter, B. D. Ligon and J. H. Funston lands formerly cornered about 400 square feet for a pass-way for the above farm into a by-way pass, which leads to the country road.

**LESS:** The following described property conveyed to James Dale Sights and wife, Margaret Ann Sights, by Lola Sizemore, unmarried by deed dated January 6, 1978, of record in Deed Book 301, page 231, Henderson County Court Clerk's Office, to-wit:

A certain tract of land located approximately 1-1/2 miles north of Robards in Henderson County, Kentucky, and being more specifically described as follows: Beginning at an iron pin in the West line of the Dale Sights' property, said pin being located S. 4 deg. 17" E. 455.82 feet from the northwest corner of said Dale Sights' property and the South line of G. H. Spencer; thence with Sights' S. 4 deg. 17' E. 187.65 feet to an iron pin, corner to the Lola Overfield Sizemore property, at which this is a part; thence with the Sizemore remainder as follows: N. 84 deg. 20' W. 101.0 feet to an iron pin; N 27 deg. 01' W. 144.84 feet to an iron pin; and N. 72 deg. 28' E. 159.69 feet to the point of beginning, containing 0.476 acres.

**ALSO LESS:** A certain tract or parcel located on the northwest side of Kentucky Highway 283 approximately one mile north of the community of Robards in Henderson County, Kentucky, and being more specifically described as follows:

Beginning at an iron pin set in the northwest right-of-way line of Kentucky Highway 283, said iron pin also being located at the southeast corner of the Leo King Heirs property recorded in Deed Book 389, page 372, in the Henderson County Court Clerk's Office; thence with the east line of said King property, North 55° 46' 01" West, a distance of 1615.75 feet to an iron pin set in said King property line; thence severing the Lindsey Embry property recorded in Deed Book 460, page 146, of which this description is a part, the following five (5) calls: (1) South 79° 45' 28" East, a distance of 135.40 feet to a point located in the center of a ditch; (2) South 73° 19' 21" East, a distance of 244.29 feet to a point located in the center of a ditch; (3) North 75° 15' 22" East, a distance of 257.24 feet to a point located in

the center of a ditch; (4) North 69° 07' 30" East, a distance of 403.77 feet to a point located in the center of a ditch; and (5) North 68° 54' 58" East, a distance of 591.43 feet to an iron pin set in the west line of the William Chapman property recorded in Deed Book 450, page 173; thence with the west line of said Chapman property, the west line of the Jack Pepper property recorded in Deed Book 377, page 145, and the west line of the John Sights property recorded in Deed Book 357, page 145, South 01° 51' 05" East, a distance of 644.94 feet to an iron pin set at a corner of said Sights property; thence continuing with said Sights property, South 20° 11' 55" West, a distance of 584.55 feet to an iron pin set in said right-of-way line of Kentucky Highway 283; thence with said right-of-way line, South 32° 57' 30" West, a distance of 52.05 feet to the point of beginning, containing 19.7303 acres and being subject to all legal written and unwritten easements and rights-of-way. This description was prepared from a physical survey conducted under the direction of Bruce K. Bailey, KY RLS #2939 on July 1, 1996.

This conveyance is subject to easements, restrictions, rights of way and mineral reservations of record, including, but not limited to that certain surface lease given by the Grantors herein to the Henderson Radio Control Model Airplane Club, Inc., of record in Deed Book 527, page 665, said clerk's office.

Being the same property conveyed to Lindsey Clay Embry by deed from Carolyn Hope Overfield, unmarried, and Tracey Overfield, unmarried, dated June 4, 1996, of record in Deed Book 460, page 146, Henderson County Clerk's Office.
