CERTIFICATE OF COMPLETION

I, Mark Sarceda, confirm that to the best of my knowledge and the belief, the subject project of Kentucky Public Service Commission's Case No. 2021-00079, the conversion of the two coal-fired generating units at Big Rivers Electric Corporations' Robert D. Green generating station to natural gas-fired generating units, has been completed in accordance with the approved contract plans and specifications.

Mark Sarceda, P.E.
