On March 2, 2021, the Kentucky Public Service Commission (PSC) accepted for filing Garrison-Quincy-Ky-O-Heights Water District's (Garrison District) application requesting to increase its revenue from water sales by \$96,267, an approximate increase of 18.56 percent; to increase its revenue from sewer service by \$32,236, an approximate increase of 35.00 percent; and a water loss reduction surcharge of \$1.73 per month for each active meter. Garrison District amended its application to request an approximate increase in water revenues of 12.80 percent; an approximate increase in sewer revenues of 45.00 percent; and a water loss reduction surcharge of \$1.73 per month for each active meter. Garrison District requests the PSC approve its amended revenue requirements and that Garrison District be allowed to implement the revised rates as follows:
