Re: Motion to Suspend/Deviate Sewer Rate Increase

To Whom It May Concern,

On behalf of Garrison Quincy-KY-O-Heights Water District, I am filing an Amended Motion to Suspend/Deviate from the sewer division rate increase proscribed in Case No. 2021-00094. The basis of this motion is that the district believes that its sewer division is being adequately funded through updated cost allocation and accounting methods and the 2022 financial reports will justify the suspension of future rate increases. Further, the district believes that the rate increase will be a hardship on its customers.

Respectfully,

/s/ Benjamin L. Harrison
