JOINT MOTION TO SUBMIT THE CASE FOR DECISION BASED ON THE RECORD

Northern Kentucky Water District ("District"), and the Attorney General of the Commonwealth of Kentucky, through his Office of Rate Intervention (Attorney General), the only intervenor in the case, jointly move for an order submitting this case for decision based on the record.

This case was filed on February 26, 2021. The Attorney General was granted intervention on March 22, 2021. Subsequently, the Commission issued a procedural order providing for discovery. The final responses to the discovery were filed on May 28, 2021. Counsel for the District and the Attorney General have reviewed and discussed the evidentiary record and believe that it fairly, accurately and thoroughly reflects the facts necessary for a decision by the Commission. As such, a hearing is unnecessary and is waived by the District and the Attorney General if this joint motion is granted.

For these reasons, the District and the Attorney General move for an order submitting this matter for decision on the record without a hearing.
