

A Touchstone Energy[®] Cooperative 

June 4, 2021

Ms. Linda C. Bridwell, PE
Executive Director
Kentucky Public Service Commission
211 Sower Boulevard
Frankfort, Kentucky 40602

Dear Ms. Bridwell:

On May 28, 2021, East Kentucky Power Cooperative, Inc. (“EKPC”) filed its electronic responses to requests for information in Case No. 2021-00103. As part of the filing, EKPC submitted several Excel spreadsheets to the Executive Director’s office which were subject to a motion for confidential treatment, pursuant to the Commission’s procedures for confidential submissions of information when electronic filing procedures are utilized.

The responses to the Attorney General and Nucor’s First Request for Information included an Excel spreadsheet identified as *AG Nucor DR1 Response 16 CONFIDENTIAL.xlsx*. This Excel spreadsheet was referenced in EKPC’s motion for confidential treatment filed on May 28, 2021, specifically in paragraphs 9, 10, 25, and 28.

Upon subsequent review, EKPC has discovered an error in the information contained in the referenced Excel spreadsheet. The error is located in the Tab labeled “Rate B”, at Row 1258, and Columns C through J. The error is confined to the Excel spreadsheet; the accompanying public narrative response to AG-Nucor DR1, Response 16 is not affected and no revision to that narrative is necessary.

EKPC requests that it be allowed to substitute a corrected Excel spreadsheet, *AG Nucor DR1 Response 16 CONFIDENTIAL Corrected.xlsx*, with the version filed with the Executive Director on May 28, 2021. EKPC further requests that its May 28, 2021 motion for confidential treatment be extended to this substituted corrected Excel spreadsheet.

If you have any questions in regard to this document, please feel free to call me.

Sincerely,
