

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE ELECTRONIC APPLICATION OF)	
INTER-COUNTY ENERGY COOPERATIVE)	
CORPORATION FOR PASS-THROUGH OF)	Case No. 2021-00111
EAST KENTUCKY POWER COOPERATIVE,)	
INC.'S WHOLESALE RATE ADJUSTMENT)	

**INTER-COUNTY ENERGY COOPERATIVE CORPORATION'S
MOTION FOR REHEARING**

Comes now Inter-County Energy Cooperative Corporation (“Inter-County”) by counsel, pursuant to KRS 278.400 and other applicable law, and does hereby tender its Motion for Rehearing, respectfully stating as follows:

Inter-County filed an Application to pass-through the wholesale rate increase of East Kentucky Power Cooperative, Inc. (“EKPC”) on April 1, 2021. The Commission entered an Order in EKPC’s general adjustment of rates proceeding, Case No. 2021-00103 and this proceeding on September 30, 2021. The Commission granted Inter-County a \$1,549,051 or 4.6% annual increase, which was the amount of the wholesale increase allocated to Inter-County from EKPC’s \$36,355,254 annual increase. The Commission accepted Inter-County’s methodology for allocating the wholesale rate increase to its customers.

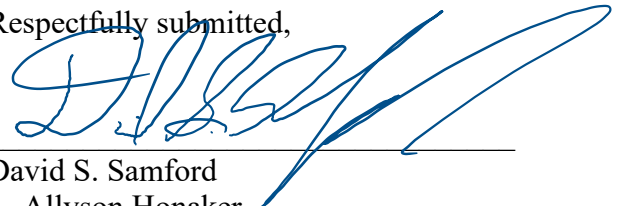

In Appendix A to the Commission’s September 30, 2021 Order in this proceeding, the Commission entered a rate for Inter-County’s Prepay Service Energy Charge of \$0.09267. This was the charge in effect at the time of Inter-County’s filing and was not updated in the

Commission's September 30, 2021 Order. Inter-County's Prepay Service Energy Charge should have been updated to \$0.09556.

WHEREFORE, on the basis of the foregoing, Inter-County respectfully requests that the Commission grant rehearing of its September 30, 2021 Order and change the Prepay Service Energy Charge from \$0.09267 to \$0.09556.

Done this 12th day of October 2021.

Respectfully submitted,
