Re: Natural Energy Utility Corporation
Case No. 2021-00122

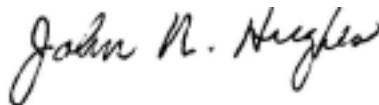

Dear Ms. Bridwell:

Natural Energy Utility Corporation (NEUC) submits its current quarterly Gas Cost Recovery application. Pursuant to the Order dated March 31, 2021, the GCR was suspended until September 2, 2021. NEUC proposes to place the current GCR rate into effect October 1, 2021, subject to Commission approval.

Also included is the GCR calculation for the period July 2021 to September 2021, which shows the change in gas costs during the suspension period.

If you have any questions about this filing, please contact me.
