From: Doug Jeavons
Re: Siting Board consultant's site assessment report electronic filing - corrected
Date: December 20, 2021

The attached file entitled "Rhudes Creek Solar Site Assessment Review BBC 12202021 Corrected" contains the entirety of our site assessment review of the proposed Rhudes Creek Solar facility – Merchant Power Plant Case 2021-00127. This file is a corrected copy of the version filed on December 17, 2021. Only the cover and title pages have changed from that earlier version.

The electronically filed document is a true representation of the original document to be filed with the Commission.
