**MOTION TO AMEND PROCEDURAL SCHEDULE**

---

Rhodes Creek Solar, LLC (“Rhodes Creek”), by counsel, moves the Siting Board for an order amending the procedural schedule issued by Order dated October 4, 2021. In support of its motion, Rhodes Creek states as follows:

The current procedural schedule indicates that the Siting Board consultant’s site assessment report will be issued on or before December 21, 2021. The Siting Board has set a deadline for Rhodes Creek’s response to be filed no later than December 28, 2021. This schedule provides for limited time to respond to the consultant’s report, particularly in light of the holiday weekend. In addition, Rhodes Creek’s Planning and Engineering Manager will be out of the country for most of this period, and he will need to review and provide comment on the consultant’s report. Accordingly, Rhodes Creek respectfully requests an extension to file a response to the consultant’s report through and including January 4, 2022.

Rhodes Creek believes that this extension of four business days is reasonable and will still provide sufficient time to review the response and prepare for the evidentiary hearing scheduled for January 13, 2021.

WHEREFORE, Rhudes Creek respectfully requests an amendment to the procedural schedule providing for an extension to file a response to the consultant's report from December 28, 2021 to January 4, 2022.

Respectfully submitted,

---
