### PUBLISHER'S NOTICE

All real estate advertising in this newspaper is subject to the Fair Housing Act which makes it illegal to advertise "any preference limitation or discrimination based on race, color, religion, sex, handicap, familial status, or national origin, or an intention to make any such preference, limitation or discrimination." Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women and people securing custody of children under 18.

This newspaper will not knowingly accept any advertising for real estate which is in violation of the law. Our readers are hereby informed that all dwellings advertised in this newspaper are available on an equal housing opportunity basis. To complain of discrimination call HUD Toll-free at 1-800-669-9777. The Toll-free telephone number for the hearing impaired is 1-800-927-9275.

#### INSPECTION PERIOD FOR THE PROPERTY TAX ASSESSMENT ROLL

The Harrison County real property tax roll will be opened for inspection from May 3rd through May 17th, 2021. Under supervision of the property valuation administrator or one of the deputies, any person may inspect the tax roll.

This is the January 1, 2021, assessment of which state, county, and school taxes for 2021 will be due from October 1, 2021 through December 31, 2021

The tax roll is in the office of the property valuation administrator in the Court House, 111 S. Main St., Suite 101, and may be inspected between the hours of 8:00 a.m. and 4:00 p.m., Monday through Friday; and on Saturdays during the inspection period by appointment only. Due to COVID-19 and CDC requirements, we recommend conducting conferences via phone or email. Our office number is 859-234-7133 and/or please email the administrator at allen darnell@ky.gov. Inspection may be made in the office of the Harrison County PVA, and does require you to meet the CDC requirements of temperature verification, facial coverings, and sanitization.

Any taxpayer desiring to appeal an assessment on real property made by the PVA must first request a conference with the PVA or a designated deputy. The conference may be held prior to or during the inspection period.

Any taxpayer still aggrieved by an assessment on real property, after the ference with the PVA or designated deputy, may appeal to the county be of assessment appeals.

The taxpayer can appeal his assessment by filing in person or sending a letter or other written petition stating the reasons for appeal, identifying the property and stating the taxpayer's opinion of the fair cash value of the property.

The appeal must be filed with the county clerk's office no later than one working day following the conclusion of the inspection period.

A taxpayer failing to appeal to the county board of assessment appears, or failing to appear before the board, either in person or by designated representative, will not be eligible to appeal to the Kentucky Board of Tax Appeals. Appeals of personal property assessments shall not be made to the county board

of assessment appeals. Personal property taxpayers shall be served notice under the provisions of KRS 132.450(4) and shall have the protest and appeal rights granted under the provisions of KRS 131.110.

The following steps should be taken when a taxpayer does not agree with the assessed value of personal property as determined by the property valuation

-Taxpayer must list under protest (for certification) what he believes to be the fair cash value of his property.

-Taxpayer must file a written protest directly with the Department of Revenue Office of Property Valuation within 30 days from the date of the notice of

-This protest must be in accordance with KRS 131.110.

The final decision of the Department of Revenue may be appealed to the Kentucky Board of Tax Appeals

To obtain general information about the processes followed for real property assessments, appeals, tax rates, and property tax bill collections; please go to https://revenue.ky.gov/Property/Pages/default.aspx.

the heart of downtown Cynthiana, Located on the busy corner of Pike Street and Walnut Street, surrounded by commerce, in a not so sleepy little town anymore! The possibilities are endless with this space and could serve many different purposes. Currently serving as a boutique on ground level, these two buildings have seen ample upgrades in recent years. New HVAC, new store-front glass windows, new flooring, lighting, and fixtures. Available and open storefronts in the downtown area are scarce and inventory is low, so don't delay! Call Mary Todd Ashbrook, (859)588-1520 today for your private showing!

#### 695 Ky Hwy 3018 (Mill Creek Road) • \$250,000

56 acres of beautiful country in Harrison County! Beyond its convenient location this land features two barns, three ponds, and excellent fencing. Property is currently being used for cattle and ready to go for its next owner. Whether you are looking for space for a cattle farm, recreation, or building sites, you won't want to miss this piece of Bluegrass. **Call Mary Todd Ashbrook**, **859-588-1520**

April 29, 2021

Dear Harrison County resident,

We are inviting you to a local in-person community meeting and/or a Zoom community meeting put on by Bluebird Solar.

- May 18 will be the community meeting either in-person or via Zoom. The time of the meeting is 4:00pm to 7:00pm ET so people can come and go as their schedule allows, either in person or via Zoom.
- May 19 will be a Zoom only meeting lasting from 4:00pm to 5:30pm ET

Please do RSVP with me, especially if you would like to attend in person so I can provide you the address.

It is our pleasure to reach out to you to notify that BayWa r.e. (BayWa) is working on an application to construct and operate a 90 to 100 MW solar photovoltaic facility in Harrison County. For nearly a century, the BayWa Group has been providing solutions in agriculture, energy, and building materials worldwide. We have extensive experience in agriculture throughout the globe, with significant operations in the US and Canada. We have a profound respect for American farming and the vital role it plays in serving basic human needs. As a renewable energy company, we invest and manage projects from inception through operations while safeguarding a rural heritage and collaborating with landowners, communities, and local officials.

This Project will be within a fenced portion of an assemblage of parcels from 11 landowners located south of Highway 62 (Leesburg Pike) near Broadwell. The Property straddles Russell Cave Road in southern Harrison County with the majority of acreage on the west side of the Road. It consists of a total of approximately 1,345 acres, of which approximately 1,000 acres will be permitted. The total fenced area of the Project will be approximately 500 acres.

As identified on the Site Plan, the Project will deliver power to the nearby overhead 138kV Transmission Line, which is owned and operated by East Kentucky Power Cooperative (EKPC). The Project's location adjacent to the Transmission Line means that the solar panels can be directly connected to the line at the point of interconnection through the substation identified on the Site Plan. As the project uses the existing nearby Transmission Line, no additional Transmission Lines are needed for the project and thus, none will be built in the vicinity surrounding the project as a result of this project.

Case No. 2021-00141 Application, Attachment G Notice of May 2021 Community Meeting Page 4 of 28

The County Board's approval of this Project, at this location, will promote the generation of solar energy in a manner that furthers the County's goals and interests in protecting existing land uses and safeguarding the County's heritage and resources.

Kind Regards,

Whitney Rubin

Whitney Rubin

Sr. Development Manager

### **Notice of Informational Meeting**

Bluebird Solar LLC will hold another informational meeting to discuss its plans to construct and operate a solar energy project in Harrison County, Kentucky. This is the same Project for which public meetings were held on May 18 and 19, 2021 as well as discussed at a Harrison County Board of Adjustments meeting on

There are no changes to the Project as was discussed at public meetings in May 2021. The proposed Bluebird Solar Project will be located between highways KY-353 and US-62 and 0.5 miles east of KY-353. The project is located approximately 1 mile east of Leesburg, KY and 0.3 miles north of the southern boundary of Harrison County. The next meeting is another opportunity to inform the community about the proposal, answer questions, receive feedback about the project, and to discuss the proposed project timeline. It will take place on October 7, 2021 between 4 p.m. and 6 p.m. at The Prizing

Questions about this information meeting may be directed to Clay Canning, Clay.Canning@baywa-re.com.

House, 329 South Church Street, Cynthiana, KY 41031

Not responsible for accidents that occur due to trespassing. Violators will be prosecuted.

No hunting or trespassing on the farm of Jim & Connie Mann on Oddville-Sunrise Road.

Case No. 2021-00141
Application, Attachment G
Notice of October 2021 Community Meeting
Page 2 of 44

September 21, 2021

Dear Harrison County resident,

It is our pleasure to reach out to you to notify that BayWa r.e. (BayWa) is continuing to work on an application to construct and operate a 90 to 100 MW solar photovoltaic facility in Harrison County.

For nearly a century, the BayWa Group has been providing solutions in agriculture, energy, and building materials worldwide. We have extensive experience in agriculture throughout the globe, with significant operations in the US and Canada. We have a profound respect for American farming and the vital role it plays in serving basic human needs. As a renewable energy company, we invest and manage projects from inception through operations while safeguarding a rural heritage and collaborating with landowners, communities, and local officials.

This Project will be within a fenced portion of an assemblage of parcels from 11 landowners located south of Highway 62 (Leesburg Pike) near Broadwell. The Property straddles Russell Cave Road in southern Harrison County with the majority of acreage on the west side of the Road. It consists of a total of approximately 1,345 acres, of which approximately 1,000 acres has been permitted from Harrison County Board of Adjustment. The total fenced area of the Project will be approximately 500 acres.

As identified on the Site Plan, the Project will deliver power to the nearby overhead 138kV Transmission Line, which is owned and operated by East Kentucky Power Cooperative (EKPC). The Project's location adjacent to the Transmission Line means that the solar panels can be directly connected to the line at the point of interconnection through the substation to be located in the center of the project. As the project will use the existing nearby Transmission Line, no additional Transmission Lines are needed for the project and thus, none will be built in the vicinity surrounding the project as a result of this project.

Please see attached notice which was submitted to the local newspaper as a requirement of the State Siting Permit. It provides notice that we will be hosting another informational meeting to discuss our plans to construct and operate this project. Our plans have not changed since our prior meetings in May.

If you have any further questions regarding BayWa r.e., the Bluebird Solar Project details, or any other questions, please contact Clay Canning.

Clay Canning
Sr. Director Development
