BEFORE THE KENTUCKY STATE BOARD
ON ELECTRIC GENERATION AND TRANSMISSION SITING**

In the Matter of:)
)
In the Matter of the Application of Bluebird Solar)
LLC for a Construction Certificate to Construct a) **Case No. 2021-00141**
Merchant Electric Generating Facility)
)

WITNESS LIST

Bluebird Solar LLC, by counsel, pursuant to 807 KAR 5:0110, Section 6 and other applicable law, and does hereby give notice of its intent to make the following witnesses available for examination at the hearing for this matter which is scheduled for 9:00 a.m. on Thursday, June 2, 2022.

Michael Stanton, BayWa r.e. Solar Projects LLC (“BayWa”), will be available to provide testimony regarding the construction of the Project; the Project’s operation in conjunction with other solar projects in the area; land agreements with local property owners surrounding the Project; and other general matters relating to Project design and management.

Andrea Parra, BayWa, will be available to provide testimony regarding specific Project design matters and technical engineering that the Project will require.

James Cox, BayWa r.e., may be available to provide testimony regarding the construction of the Project. Mr. Cox anticipates that he will begin his paternity leave in early June 2022. If he is able to participate in the hearing, Bluebird Solar respectfully requests that the Commission

allow him to participate remotely. Should Mr. Cox begin his leave prior to the date of the hearing, Mr. Stanton will be available to address construction related topics at the hearing.

David Shu, AZTEC Engineering Group, will be available to provide testimony regarding the Project's noise analysis study, noise generation from construction, and noise that the equipment to be used in the Project will produce.

Dr. Paul Coomes will be available to provide testimony on the economic impact that the Project will have both in the local and regional areas.

Jeremy Jackson, Jackson Group, will be available to provide testimony on environmental surveys and other site-specific features, archaeological and environmental.

Richard Kirkland will be available to provide testimony regarding his appraisal of property values relative to residential properties surrounding the Project site.

Respectfully submitted,
