**MOTION FOR EXTENSION**

---

Cawood Water District (“Cawood Water”), by counsel, hereby respectfully requests an extension of time by which to file responses to the Request for Information issued on December 22, 2023. Following communications from Commission Staff on January 24, 2024, Cawood Water discovered that it had inadvertently overlooked the issuance of the Staff’s Request for Information. Upon this discovery, Cawood Water prepared and filed responses to Items 1-3 of that Request for Information on January 31, 2024. Items 4 and 5 of that Request for Information seek maps related to Cawood Water’s system, which will take additional time for Cawood Water’s engineer to prepare. Accordingly, Cawood Water respectfully requests an addition 30 days through March 1, 2024, by which to provide responses to those items. Cawood Water submits that no party will be unduly harmed by this extension as there are no other parties to the case.

Respectfully submitted,

---
