RESPONSE

Cawood Water District, by counsel, submits the following response to the Commission's Order dated December 13, 2022. In that Order, the Commission stated, "It appears that there is an additional \$100.74 in the surcharge account beyond what has been reported as being collected from customers for the water loss surcharge." The Commission ordered Cawood to provide a written explanation to the \$100.74 amount. Cawood has reviewed its bank records and the amounts it has collected and is unable to determine the \$100.74 amount that the Commission has mentioned in its Order.

Respectfully submitted,
