Re: Substantial Completion
East-West Interconnect Project – Phase 2 – Contract No. 4 – Salt River Pumping Station
Grayson County Water District
KEG Project No. 19019

Dear Mr. Woosley,

This letter is notification that the above referenced construction contracts were substantially complete and in operation on August 5, 2022. This letter shall serve as certification that the construction was done in accordance with the plans and specifications.

A one-year warranty period is required by the contractor Bobby Luttrell and Sons, LLC. The one year warranty period will begin on August 6, 2022 and end on August 5, 2023. Should any problems arise during this period related to the construction of these contracts, you should contact Bobby Luttrell and Sons, LLC directly for warranty repair work.

If you need any additional information or have any questions regarding this matter, please contact me.

Sincerely,

KENTUCKY ENGINEERING GROUP, PLLC
